"(2) After the Chowilla Reservoir has been declared to have become effective for the purposes of this Agreement, the discharge from the Hume Reservoir and the Chowilla Reservoir shall be regulated to provide a reserve of water in storage for use in dry years, that reserve to be fixed from time to time by the Commission and drawn on at the discretion of the Commission, but the quantity of water so held in reserve shall not be less than two million four hundred thousand acre feet at the thirtieth day of April in any year, of which not less than eight hundred thousand acre feet shall be in the Hume Reservoir unless it is otherwise so decided by the Commission."

17. Clause 51 of the Principal Agreement and its marginal note are omitted and the following clause and marginal note inserted in their stead :—

"51. (1) The Commission may in a year of drought declare a period of restriction. Drought.

(2) Without prejudice to the last preceding sub-clause, the Commission shall declare a period of restriction—

(*a*) prior to the Chowilla Reservoir having been declared to have become effective for the purposes of this Agreement, when the quantity of water held in the Hume Reservoir and the Lake Victoria Storage falls to one million acre feet or less, unless the Commission resolves that it is not necessary to do so ; and

(*b*) after the Chowilla Reservoir has been declared to have become effective for the purposes of this Agreement, unless the Commission is satisfied that the quantities of water held in the Hume Reservoir and in the Chowilla Reservoir will not fall below the respective amounts set out in sub-clause (2) of clause 50 of this Agreement by the thirtieth day of April then next ensuing, or unless it resolves that it is not necessary to do so.

(3) When a period of restriction has been declared by the Commission pursuant to this clause, the Commission may vary the provisions of this Agreement respecting—

(*a*) the volumes of water to be held in reserve in the Hume Reservoir and the Lake Victoria Storage or the Chowilla Reservoir as the case may be ; and

(*b*) the depth of water to be maintained at weirs and weirs and locks constructed pursuant to this Agreement.

(4) As soon as practicable after a period of restriction has been declared, and from time to time during that period, the Commission shall—

(*a*) determine the quantity of water under the control of the Commission ;

(*b*) determine the quantity of water which is to be allowed—

(i) for losses by evaporation, percolation and lockages, other than losses under sub-paragraph (ii) of this paragraph ;

(ii) for losses by evaporation, percolation and lockages in the River Murray from Lake Victoria or the Chowilla Reservoir as the case may be, to the mouth of the River Murray but not including Lakes Alexandrina and Albert ; and

(iii) for dilution in South Australia ;

(*c*) having regard to its determinations under paragraphs (*a*) and (*b*) of this sub-clause, determine the quantity of water to be made available for use during each month by the State Contracting Governments.

The quantity determined in accordance with this paragraph is in this clause referred to as "the available water".

(5) For the purposes of this clause "the water under the control of the Commission" means the aggregate of—

(*a*) the water stored in the Hume Reservoir at the time the Commission makes its determination ;

(*b*) the water stored in the Lake Victoria Storage or the Chowilla Reservoir, as the case may be, at the time the Commission makes its determination ;

(*c*) the water in the weir pools at the time the Commission makes its determination ; and

(*d*) (i) where the determination is made after works of the Authority have been constructed to enable water to be diverted from the Tooma River to the Adaminaby Storage and the Tumut River but before works of the Authority have been constructed to enable water so diverted to be replaced by water diverted from the Snowy River to a stream feeding or joining the River Murray above Hume Reservoir—the flow during the period of restriction of the River Murray above the

Hume Reservoir and its tributaries above Albury including waters diverted during the period of restriction from the Tooma River to the Adaminaby Storage and to the Tumut River by works of the Authority; or

(ii) where the determination is made after works of the Authority have been constructed to enable water diverted from the Tooma River to the Adaminaby Storage and to the Tumut River to be replaced by water diverted from the Snowy River to a stream feeding or joining the River Murray above Hume Reservoir—the flow during the period of restriction of the River Murray above the Hume Reservoir and its tributaries above Albury excluding water diverted from the Tooma River to the Adaminaby Storage and the Tumut River but including any waters coming into the River Murray and its tributaries above Albury by reason of the permanent works of the Authority.

(6) (*a*) (i) During a declared period of restriction prior to the Chowilla Reservoir having been declared to have become effective for the purposes of this Agreement, the available water shall be divided between the State Contracting Governments in the following proportions—

New South Wales—one million,
Victoria—one million,
South Australia—six hundred and three thousand.

(ii) During a declared period of restriction after the Chowilla Reservoir has been declared to have become effective for the purposes of this Agreement, the available water shall be divided between the State Contracting Governments in equal proportions.

(*b*) Each of the State Contracting Governments shall be entitled to use each month from the River Murray (exclusive of its tributaries below Albury) its monthly share as ascertained under this clause of the available water, but the quantities used by the States of New South Wales and Victoria may be varied in any month by agreement between the Commissioners representing those States if the variation does not affect the share of the State of South Australia.

(7) The States of New South Wales and Victoria shall each have the full use during a declared period of restriction of all tributaries of the River Murray within their respective territories below Albury, and shall have the right to divert, store and use the flows thereof and the right below the confluence with the River Murray of any such tributary to use each month in a declared period of restriction from the River Murray, in addition to the share of the available water to which each of the said States is respectively entitled under sub-clause (6) of this clause volumes equivalent to those arriving at the place of diversion during that month as a resut of contribution by each such tributary.

(8) The States of New South Wales and Victoria shall be entitled, during any month in a declared period of restriction, to use from any portion of the River Murray below Albury water in excess of the quantity to which they are entitled under sub-clauses (6) and (7) of this clause provided that a quantity equal to the excess so used is contributed by the State concerned from a tributary or tributaries of the River Murray below Albury.

In the exercise of the rights conferred by this sub-clause, neither of those States shall take additional water to an extent which would prejudice the rights of either of the other States parties to this Agreement.

Notwithstanding anything to the contrary elsewhere contained in this Agreement, in the event of disagreement between the Commissioners representing the States of New South Wales and Victoria as to the quantity of water to be used or as to the manner in which the contribution by the State concerned is to be made the matter shall be determined by the Commission by a majority vote but, if the Commissioners are equally divided, the question shall be decided by the casting vote of the Commissioner representing the Commonwealth of Australia.

(9) (*a*) The total quantity of water to which the State of South Australia is entitled shall be measured at a point in the River Murray below the confluence of the Rufus River or, at a time to be decided by the Commission after the commencement of the construction of the Chowilla Dam, at a point immediately downstream of that dam.

(*b*) In addition to its share of the available water, the State of South Australia shall be entitled to the quantity determined by the Commission pursuant to sub-paragraphs (ii) and (iii) of paragraph (*b*) of sub-clause (4) of this clause.

(10) (*a*) The States of New South Wales and Victoria shall each have the right during a period of restriction to divert, store and use the flows of the tributaries of the River Murray within their respective territories above Albury subject to deduction

from either State's share of the available water of volumes equivalent to those that that State by its works so diverts, stores or uses from time to time during the period of restriction.

(*b*) Either the State of New South Wales or the State of Victoria may allow to flow into the River Murray from any convenient source a quantity of water as replacement in whole or in part of the quantity of water diverted by it pursuant to this sub-clause, and the amount of the deduction to be made pursuant to the last preceding paragraph shall be reduced by the quantity so replaced.

(11) The Commission may from time to time, having regard to the volumes of water in the Hume Reservoir and the Lake Victoria Storage or the Chowilla Reservoir, as the case may be, the time of the year, the requirements for irrigation in each of the States and on any other relevant circumstances, vary by declaration for a period not exceeding six months at any one time the proportions set out in paragraphs (*a*) and (*b*) of sub-clause (6) of this clause.

(12) During any month in a declared period of restriction, if the Commission decides that the flow or prospective flow of the River Murray downstream of its junction with the Great Ana Branch of the Darling River is, or will be, in excess of the sum of—

(*a*) the quantities which are necessary to supply the allocation to the State of South Australia under sub-clause (6) of this clause ; and

(*b*) any quantities which, in the opinion of the Commission, ought to be impounded in any storage below the said junction controlled by the Commission with the object of filling all such storages at some time before the end of the ensuing June,

the State of South Australia may use that excess in addition to the quantity of water to which it is entitled under sub-clause (6) of this clause.

(13) The provisions of this Part other than this clause shall not, except as in this sub-clause provided, operate during a declared period of restriction.

The provisions of clause 50 of this Agreement shall continue in force during a declared period of restriction but may be modified as provided in this clause.

The provisions of paragraph (*b*) of sub-clause (3) of clause 45 of this Agreement shall have effect during a declared period of restriction."

Price to be paid for wheat.

13. (1) Where wheat is delivered to the Board in pursuance of this Act, the Board shall pay for that wheat (including the corn sacks, if any, in which the wheat is delivered) an amount determined by the Board in accordance with this section.

(2) The Board shall determine amounts payable under the last preceding subsection in respect of wheat of a season by—

(*a*) ascertaining the net proceeds of the disposal by the Board of all wheat of that season delivered to the Board in Australia (whether in pursuance of this Act or otherwise);

(*b*) deducting from the amount so ascertained an amount calculated at the rate of threepence for each bushel of so much of the wheat of that season grown in the State of Western Australia as the Board certifies to the Commonwealth Minister to have become available for export to places outside Australia or such lesser amount as the Board determines having regard to the freight charges that have and may become payable in respect of such export and the rate or rates at which freight charges are payable in respect of the export of wheat from other places in Australia; and

(*c*) ascertaining the share in the remaining amount of each person entitled to payment under this section by apportioning that remaining amount amongst the persons who delivered wheat of that season to the Board in Australia (whether in pursuance of this Act or otherwise) on the basis of the number of bushels of wheat so delivered by each such person, with proper allowance for differences in the quality of wheat and for transport charges for the carriage of wheat to the terminal port from the place at which the wheat was delivered to the Board, corn sacks in which wheat was supplied to the Board, and other necessary adjustments in particular cases.

(3) For the purposes of this section, the Board is not bound to preserve the identity of wheat of a season, and may keep its accounts in respect of sales in such manner as will, in its judgment, attribute sales to wheat of different seasons in an equitable manner.

(4) The Board is not bound to make a final payment in respect of wheat of a season until it has disposed of the whole

of the wheat of that season delivered to it in Australia (whether in pursuance of this Act or otherwise), but the Board may, with the approval of the Commonwealth Minister, make from time to time such advance payments as it considers justified.

(5) Subject to this section, the net proceeds of the disposal of wheat shall, for the purposes of this section, be deemed to be the net return from the disposal of the wheat (including corn sacks in which the wheat was sold) after paying the charge imposed by the Wheat Export Charge Act 1963 of the Commonwealth and administration, interest, transport, storage and other charges incurred by the Board (other than charges for transport to the terminal port from the place at which the wheat is delivered to the Board).

(6) In ascertaining the net proceeds of the disposal of any wheat, no account shall be taken of moneys to which section 20 of this Act, or a corresponding provision of the Commonwealth Act or an Act of another State, applies or of costs of the Board payable out of those moneys.

(7) Where the average price per bushel obtained by the Board for wheat of a season exported by the Board, or sold by the Board for export, is less than the guaranteed price, the net proceeds from the disposal of wheat of that season by the Board shall, for the purposes of this section, be deemed to be increased by the amount that becomes payable to the Board under the Commonwealth Act out of the Wheat Prices Stabilization Fund referred to in that Act, that is to say an amount ascertained by multiplying the amount of the difference between that average price and the guaranteed price by—

(*a*) a number equal to the number of bushels of wheat of the season exported by the Board, or sold by the Board for export; or

(*b*) one hundred and fifty million,

whichever is the less.

(8) In ascertaining the average price for the purposes of the last preceding subsection, the price obtained in respect of a sale other than a sale of fair average quality bulk wheat free on rails at the port of export shall be deemed to be the price which would have been the corresponding price for a sale of the same quantity of fair average quality bulk wheat free on rails at the port of export.

(9) The obligation of the Board under this section in respect of any wheat is subject to the operation of section 8 of the Wheat Tax Act 1957 of the Commonwealth.

Payment by Board.

14. (1) The amount payable under this Act in respect of any wheat, or wheat and corn sacks, is payable to the person who would have been entitled to receive the price of the wheat if the wheat had been lawfully sold to the Board at the time of the delivery of the wheat.

(2) The same rights (if any) exist against the person receiving an amount paid by the Board under this Act in respect of wheat, or wheat and corn sacks, as would exist if the moneys so paid were the proceeds of a sale or purported sale of the wheat, or wheat and corn sacks, by him, and any such rights may be enforced by action in any court that would have had jurisdiction if the moneys were the proceeds of such a sale or purported sale.

(3) Payment in good faith by the Board of any moneys payable under this Act to the person appearing to the Board to be entitled to receive them discharges the Board from any further liability in respect of those moneys.

(4) Subject to the next succeeding subsection, an assignment of moneys payable by the Board in respect of wheat, or wheat and corn sacks, delivered to the Board (not including a registered crop lien) executed after the commencement of this Act is void as against the Board.

(5) Where a person assigns moneys payable to him by the Board in respect of wheat, or wheat and corn sacks, delivered or to be delivered to the Board in payment of, or as security for payment of, an amount payable by that person for corn sacks supplied to him, the Board may pay those moneys to the assignee.

(3) Wheat, other than wheat that is the property of the Board, of which possession is taken under subsection (1) of this section, and any corn sacks in which the wheat is contained, shall, for the purposes of this Act, but without affecting the liability of a person for an offence, be deemed to be delivered to the Board under this Act.

Board may require returns.

17. (1) For the purposes of this Act, the Board may, by notice in writing served on the person to whom it is addressed either—

(*a*) personally; or

(*b*) by post at his last-known place of abode or business,

require a person to furnish in writing to the Board, within the time specified in the notice, such information relating to wheat, wheaten flour, semolina, corn sacks, jute or jute products as is specified in the notice.

(2) A person shall not, without reasonable excuse—

Australia, or wheat for consumption in Australia by pigs, poultry or dairy stock, is the appropriate price ascertained in accordance with this section.

(2) Subject to this section, the price per bushel in respect of a wholesale sale of bulk wheat of fair average quality free on rails at a port of export shall be the guaranteed price for wheat of the season that is current at the beginning of the year in which the sale is made.

(3) The price applicable under the last preceding subsection shall be increased by an amount of twopence per bushel for the purpose of reimbursing the Board for the costs of shipment of wheat to the State of Tasmania.

(4) If the Board reports to the Commonwealth Minister that the amounts being received by the Board by reason of the operation of the last preceding subsection, together with amounts being received under corresponding provisions of the Commonwealth Act and of the laws of the other States, are greater or less than the amounts required to meet the costs of shipment of wheat by the Board to the State of Tasmania, the Commonwealth Minister may direct the Board that the amount per bushel specified in that subsection shall be reduced or increased to such extent as he considers necessary.

(5) The price in respect of a sale other than a sale specified in subsection (2) of this section shall be a price ascertained by adding to or deducting from the price applicable to sales so specified an amount that makes a proper allowance for the quality of the wheat, the conditions of sale and the place of delivery.

(6) In this section, "year" means the period of twelve months commencing on the first day of December, One thousand nine hundred and sixty-three, and each subsequent period of twelve months.

(7) Notwithstanding the repeal of section 17 of the Wheat Industry Stabilization Act, 1958—

(2) The Board may combine the account required to be kept under the last preceding subsection with any similar account or accounts to be kept by it under the Commonwealth Act or under the law of another State or States.

(3) The Board shall use the moneys referred to in subsection (1) of this section in meeting the costs of shipment of wheat by the Board to the State of Tasmania, and shall not use for that purpose any other moneys derived by it from the sale of wheat delivered to it in pursuance of this Act.

(4) Any moneys referred to in subsection (1) of this section which remain unexpended after the Board has disposed of the whole of the wheat of the last season to which this Act applies delivered to the Board in Australia shall be applied by the Board for the benefit of the wheat industry in such manner as the Commonwealth Minister, after consultation with the appropriate Minister of each State, directs.

(5) Any moneys that, immediately before the commencement of this Act, were standing to the credit of the account kept by the Board for the purposes of section 18 of the Wheat Industry Stabilization Act, 1958, shall be deemed to be moneys to which subsection (1) of this section applies.

FIRST SCHEDULE.

TENETS OF THE MOTHER CHURCH, THE FIRST CHURCH OF CHRIST, SCIENTIST.

1. As adherents of Truth, we take the inspired Word of the Bible as our sufficient guide to eternal Life.

2. We acknowledge and adore one supreme and infinite God. We acknowledge His Son, one Christ; the Holy Ghost or divine Comforter; and man in God's image and likeness.

3. We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that casts out evil as unreal. But the belief in sin is punished so long as the belief lasts.

4. We acknowledge Jesus' atonement as the evidence of divine, efficacious Love, unfolding man's unity with God through Christ Jesus the Way-shower; and we acknowledge that man is saved through Christ, through Truth, Life, and Love as demonstrated by the Galilean Prophet in healing the sick and overcoming sin and death.

5. We acknowledge that the crucifixion of Jesus and his resurrection served to uplift faith to understand eternal Life, even the allness of Soul, Spirit, and the nothingness of matter.

6. And we solemnly promise to watch, and pray for that Mind to be in us which was also in Christ Jesus; to do unto others as we would have them do unto us; and to be merciful, just, and pure.

TABLES OF ACTS OF THE PARLIAMENT OF SOUTH AUSTRALIA

TABLE OF PUBLIC GENERAL ACTS OF THE PARLIAMENT OF SOUTH AUSTRALIA, INCLUDING CROSS REFERENCES.

The following table contains a list of the public Acts of general application of the Parliament of South Australia passed up to the end of 1963 and which were unrepealed as at that time.

In the case of an Act reprinted in Volumes 1 to 8 of the South Australian Statutes, 1837-1936, a reference is given in the table to the volume and page where the Act is printed. In the case of any other Act a reference is given to the annual volume of Statutes in which the Act is printed.

Since the publication of the South Australian Statutes, 1837-1936, some Acts have been reprinted pursuant to the Amendments Incorporation Act, 1937. The table contains a reference to all such reprinted Acts; in some instances, the reprinted Act has been included in the annual volume of Statutes and in those cases a reference is given to the volume and page where the Act is reprinted.

The table also includes cross references to the subject matters dealt with by legislation.
