(i) the disability arises out of employment;

or

(ii) the disability arises in the course of employment and the employment contributed to the disability.

(3) Subject to subsection (4), the employment of a worker includes—

(a) a journey between the worker's residence and place of employment (whether to or from the place of employment);

(b) attendance by the worker at the worker's place of employment on a working day—

(i) before commencing work for the day;

(ii) after concluding work for the day;

or

(iii) during any authorized break from work;

(c) where the worker has attended at the place of employment on a working day—a temporary absence from the place of employment during a meal break or other authorized break from work;

(d) attendance by the worker at an educational institution in accordance with a legal obligation or at the request or with the approval of the employer for the purpose of receiving instruction or training and any journey for the purpose of such an attendance at the institution between the worker's residence or place of employment and the institution (whether the journey is to or from the institution);

(e) attendance by the worker at any place (which may include the worker's place of employment) for the purpose of—

(i) obtaining a medical report or certificate in connection with a compensable disability;

(ii) receiving medical treatment for a compensable disability;

(iii) participating in a rehabilitation programme provided to the worker;

(iv) seeking or receiving compensation in connection with a compensable disability,

and any journey related to such an attendance between that place and the worker's residence or place of employment (whether the journey is to or from that place).

(4) If during the course of—

(a) attendance by a worker at the worker's place of employment in the circumstances referred to in subsection (3) *(b)*;

or

(b) absence by a worker from the worker's place of employment in the circumstances referred to in subsection (3) *(c)*,

the worker is guilty of misconduct or a breach of the employer's instructions or voluntarily subjects himself or herself to an abnormal risk of injury, the worker shall not then be regarded as acting in the course of employment unless the worker's disability results in death or permanent total incapacity for work.

(5) A journey between a place of employment at which a worker is employed by one employer and a place of employment at which the worker is employed by another employer forms part of the employment of the worker by that other employer.

(6) For the purposes of this section—

(a) a journey that commences at a worker's residence shall not be regarded as having commenced until the worker has progressed beyond land appurtenant to the house or other structure in which the worker resides unless the Corporation determines in the circumstances of a particular case that the journey should fairly be regarded as having commenced at an earlier point;

and

(b) a journey that terminates at a worker's residence shall be regarded as having terminated when the worker reaches land appurtenant to the house or other structure in which the worker resides unless the Corporation determines in the circumstances of a particular case that the journey should fairly be regarded as having terminated at a later point.

(7) Subject to this Act, a worker who is acting in connection with, and for the purposes of, the employer's trade or business shall be deemed to be acting in the course of employment notwithstanding the fact that—

(a) the worker is acting in contravention of a statutory or other regulation applicable to the employment;

or

(b) the worker is acting without, or in contravention of, instructions from the employer.

Evidentiary provision.

31. (1) Where a worker—

(a) suffers a disability of a kind referred to in the first column of the second schedule;

and

(b) has been employed in work of a type referred to in the second column of that schedule opposite that disability,

it shall be presumed, in the absence of proof to the contrary, that the disability arose from that employment.

(2) The regulations may extend the operation of subsection (1) to disabilities and types of work prescribed in the regulations.

(3) A regulation under subsection (2) must not be made except—

(a) on the recommendation of the Corporation:

or

(b) with the approval of the Corporation.

DIVISION II—COMPENSATION FOR MEDICAL EXPENSES, ETC.

Compensation for medical expenses, etc.

32. (1) Subject to this section, a worker is entitled to be compensated for costs of a kind described in subsection (2) reasonably incurred by the worker in consequence of having suffered a compensable disability.

(2) The costs referred to in subsection (1) are as follows:

(a) the cost of medical services;

(b) the cost of hospitalization and all associated medical, surgical and nursing services;

(c) the cost of approved rehabilitation;

(d) the cost of travelling, or being transported, to and from any place for the purpose of receiving medical services, hospitalization or approved rehabilitation;

(e) where it is necessary for the worker to be accommodated away from home for the purpose of receiving medical services or approved rehabilitation—the cost of such accommodation (but not exceeding limits prescribed by regulation);

(f) the cost of attendance by a registered or enrolled nurse, or by some other person approved by the Corporation, where the disability is such that the worker must have nursing or personal attendance;

(g) the cost of the provision, maintenance, replacement or repair of therapeutic appliances;

(h) the cost of medicines and other material purchased on the prescription or recommendation of a medical expert;

(i) any other costs authorized by the Corporation.

(3) Compensation in respect of costs to which this section applies may be paid directly to the person to whom the worker is liable for those costs, thus discharging in whole or in part the liability of the worker to that person.

(4) A reference in this section to approved rehabilitation is a reference to rehabilitation programmes or services of a kind approved by the Corporation for the purposes of this section.

Worker entitled to be conveyed for initial treatment.

33. (1) Where—

(a) a worker is injured at the worker's place of employment during the course of employment;

and

(b) the injury is such as to require immediate medical treatment,

the employer shall, at the employer's own expense, provide the worker with immediate transportation to a hospital or medical expert for initial treatment.

(2) If an employer fails to provide transportation in accordance with subsection (1), the cost may be recovered by the Corporation from the employer as a debt due to the Corporation.

(3) An amount recovered by the Corporation under subsection (2) shall, if the worker incurred costs in consequence of the employer's failure to provide transportation, be paid to the worker.

Division III—Compensation for Property Damage

Compensation for property damage.

34. Where a worker suffers a compensable disability and, in consequence of the trauma out of which the disability arose, damage occurs to any therapeutic appliances, clothes, personal effects or tools of trade of the worker, the worker is, subject to limitations prescribed by regulation, entitled to be compensated for the full amount of the damage.

Division IV—Compensation by Way of Income Maintenance

Weekly payments.

35. (1) Subject to this section, where a worker suffers a compensable disability that results in incapacity for work, the worker is entitled to weekly payments in respect of that disability in accordance with the following principles:

(a) if the period of incapacity for work does not exceed one year—

(i) the worker is, if totally incapacitated for work, entitled for the period of incapacity to weekly payments equal to the worker's notional weekly earnings;

(ii) the worker is, if partially incapacitated for work, entitled for the period of incapacity to weekly payments equal to the difference between the worker's notional weekly earnings and the weekly earnings that the worker is earning or could earn in suitable employment;

(b) if the period of incapacity for work exceeds one year, the worker is entitled to weekly payments determined in accordance with paragraph *(a)* for the first year of the period of incapacity and thereafter—

(i) the worker is, if totally incapacitated for work, entitled for the period of incapacity to weekly payments equal to 80 per cent of the worker's notional weekly earnings;

(ii) the worker is, if partially incapacitated for work, entitled for the period of incapacity to weekly payments equal to 80 per cent of the difference between the worker's notional weekly earnings and the weekly earnings that the worker is earning or could earn in suitable employment that the worker has a reasonable prospect of obtaining.

(2) For the purposes of subsection (1)—

(a) a partial incapacity for work over a particular period shall be treated as a total incapacity for work over that period unless the Corporation establishes that suitable employment for which the worker is fit is reasonably available to the worker in respect of that period (but where the period of incapacity extends beyond a period of two years, this paragraph does not apply to a period commencing after, or extending beyond, the end of the second year of incapacity);

and

(b) the following factors shall be considered, and given such weight as may be fair and reasonable, in making an assessment of the prospects of a worker to obtain employment—

(i) the nature and extent of the worker's disability;

(ii) the worker's age, level of education and skills;

(iii) the worker's experience in employment;

and

(iv) the worker's ability to adapt to employment other than the employment in which he or she was engaged at the time of the occurrence of the disability.

(3) Subject to subsection (4), where a disabled worker receives from an employer a payment, allowance or benefit in respect of a period of incapacity for work, the weekly payments payable to the worker under this section in respect of that period shall not, unless the Corporation determines otherwise, be reduced to take account of the value of that payment, allowance or benefit.

(4) No reduction shall be made under subsection (3) on account of—

(a) any payment, allowance or benefit related to annual or other leave;

(b) any payment, allowance or benefit paid or conferred by the employer on the worker's retirement;

(c) any payment, allowance or benefit paid or conferred under a superannuation or pension scheme;

(d) any payment, allowance or benefit paid or conferred on the retrenchment, or in relation to the redundancy, of the worker.

(5) Weekly payments are not payable in respect of a period of incapacity for work falling after the later of the following dates—

(a) the date on which the worker attains the age at which the worker would, subject to satisfying any other qualifying requirements, be eligible to receive an age pension under the *Social Security Act* 1947 of the Commonwealth;

or

(b) the date on which the worker attains the normal retiring age for workers engaged in the kind of employment from which the worker's disability arose or 70 years of age (whichever is the lesser).

(6) A worker is not entitled to receive in respect of separate disabilities weekly payments in excess of the worker's notional weekly earnings and where a lump sum has been paid to a worker in commutation of weekly payments the worker shall for the purposes of this subsection be deemed to be receiving the weekly payments represented by that lump sum.

(7) In this section—

(a) a reference to a period of incapacity for work is, where the disability results in separate periods of incapacity for work, a reference to the aggregate period of incapacity;

(b) a reference to weekly earnings is a reference to weekly earnings exclusive of prescribed allowances.

Discontinuance of weekly payments.

36. (1) Subject to this Act, weekly payments to a worker who has suffered a compensable disability shall not be discontinued unless—

(a) the worker consents to the discontinuance of weekly payments;

(b) the Corporation is satisfied, on the basis of a certificate of a recognized medical expert, that the worker has ceased to be incapacitated for work;

(c) the Corporation has, by notice in writing to a worker, required the worker to—

(i) submit to an examination by a recognized medical expert nominated by the Corporation;

or

(ii) submit to the Corporation a certificate from a recognized medical expert certifying that the disability continues,

and the worker has failed to comply with the requirement within the time allowed in the notice;

(d) the worker has returned to work;

or

(e) the discontinuance of weekly payments is authorized or required by some other provision of this Act.

(2) Subject to this Act, weekly payments to a worker who has suffered a compensable disability shall not be reduced unless—

(a) the worker consents to the reduction of weekly payments;

(b) the Corporation is satisfied, on the basis of a certificate of a recognized medical expert, that there has been a reduction in the extent of the worker's incapacity for work;

or

(c) the reduction of weekly payments is authorized or required by some other provision of this Act,

(and any reduction made on the basis of this subsection must be consistent with section 35).

(3) Where the Corporation proposes the discontinuance or reduction of weekly payments to a worker in pursuance of subsection (1) *(b)* or *(c)* or subsection (2) *(b)* the Corporation shall, at least 21 days before the proposal is to take effect, give notice in writing to the worker—

(a) stating the ground on which weekly payments are to be discontinued or reduced;

and

(b) informing the worker of the worker's right to have the Corporation's decision reviewed.

(4) Where a worker applies for the review of a decision by the Corporation to discontinue or reduce weekly payments under this section, the weekly payments shall not be discontinued or reduced unless and until a Review Officer confirms the Corporation's decision or makes an independent decision on the review that weekly payments should be discontinued or reduced.

(5) Where on a review referred to in subsection (4) weekly payments are discontinued or reduced, any amounts to which the worker would not have been entitled but for the operation of subsection (4) may, subject to the regulations, be recovered from the worker as a debt.

Suspension of weekly payments.

37. (1) Where the Corporation is satisfied that a worker who is receiving weekly payments has failed or refused to submit to proper treatment for the worker's condition or to undertake an appropriate rehabilitation programme, the Corporation may suspend or reduce those payments.

(2) The Corporation shall not suspend or reduce weekly payments to a worker on the ground—

(a) that the worker has reasonably refused surgery or the administration of a drug;

or

(b) where there is a difference of medical opinion as to the appropriate treatment for the worker, or there is the possibility of a choice between a number of reasonable forms of treatment—that the worker has chosen one form of treatment in preference to another.

(3) Where the Corporation proposes the suspension or reduction of weekly payments to a worker in pursuance of subsection (1), the Corporation shall, at least 21 days before the proposal is to take effect, give notice in writing to the worker—

(a) stating the ground on which weekly payments are to be suspended or reduced;

and

(b) informing the worker of the worker's rights to have the Corporation's decision reviewed.

(4) Where a worker applies for the review of a decision by the Corporation to suspend or reduce weekly payments under this section, the weekly payments shall not be suspended or reduced unless and until a Review Officer confirms the Corporation's decision or makes an independent decision on the review that weekly payments should be discontinued or reduced.

(5) Where on a review referred to in subsection (4) weekly payments are suspended or reduced, any amounts to which the worker would not have been entitled but for the operation of that subsection may, subject to the regulations, be recovered as a debt.

Review of weekly payments to disabled worker.

38. (1) Subject to subsection (2), the Corporation may on its own initiative and shall if requested by a worker or an employer review the amount of the weekly payments made to a worker who has suffered a compensable disability.

(2) The Corporation is not required to comply with a request for a review under subsection (1) if the request is made within 6 months from the completion of an earlier review.

(3) On a review under this section the Corporation may adjust the amount of the weekly payments to take account of any change in the extent of the worker's incapacity for work (insofar as the incapacity is attributable to a compensable disability).

(4) Where a worker has received, in respect of a particular disability, weekly payments for a period of incapacity for work of 2 years or more or for periods of incapacity for work aggregating 2 years or more, the Corporation shall not, in adjusting the amount of the weekly payments payable to a worker who is partially incapacitated for work, reduce the weekly payments to take account of an improvement in the earning capacity of the worker unless it appears that the aggregate of the weekly payment plus the actual weekly earnings of the worker (excluding prescribed allowances) is likely to exceed the notional weekly earnings of the worker.

(5) For the purposes of a review under this section, the Corporation may, by notice in writing to a worker, who is receiving weekly payments—

(a) require the worker to submit to an examination by a recognized medical expert nominated by the Corporation;

or

(b) require the worker to furnish evidence of the worker's earnings.

(6) If a worker fails to comply with a requirement under subsection (5) within the time allowed in the notice, the Corporation may suspend weekly payments to the worker.

(7) Where the Corporation makes an adjustment to weekly payments in pursuance of this section, the Corporation shall give notice in writing to the worker—

(a) stating the ground of the adjustment;

and

(b) informing the worker of the worker's rights to have the Corporation's decision reviewed.

Economic adjustments to weekly payments.

39. (1) Where a worker to whom weekly payments are payable is incapacitated for work or appears likely to be incapacitated for work for more than one year, the Corporation shall, during the course of each year of incapacity, review the weekly payments for the purpose of making an adjustment to the amount of those payments under this section.

(2) An adjustment under this section—

(a) for the first and second years of incapacity—shall operate from the expiration of those years and shall be based on changes—

(i) in the rates of remuneration payable to workers generally or to workers engaged in the kind of employment from which the worker's disability arose;

or

(ii) if the worker applies, according to the regulations, for the adjustments to be made on the basis of changes in rates of remuneration payable to workers engaged in the kind of employment from which the worker's disability arose and furnishes satisfactory evidence of such changes—in those rates of remuneration;

and

(b) for the third and subsequent years of incapacity—shall operate from a date fixed by the Corporation and shall be based on changes in the average minimum award rate since an adjustment was last made under this section.

(3) Where the Corporation makes an adjustment to weekly payments in pursuance of this section, the Corporation shall give notice in writing to the worker—

(a) stating the ground of the adjustment;

and

(b) informing the worker of the worker's rights to have the Corporation's decision reviewed.

Weekly payments and leave entitlements.

40. (1) Subject to subsection (3), neither the liability to make weekly payments to a worker in respect of a period of incapacity nor the amount of such weekly payments is affected by a payment, allowance or benefit for annual leave or long service leave to which the worker is entitled in respect of that period.

(2) Where a worker is absent from employment in consequence of a compensable disability, the period of absence shall for the purposes of computing the worker's entitlement to annual leave or sick leave under any Act, award or industrial agreement, be counted as a period of service in the worker's employment.

(3) Where a worker has received weekly payments in respect of total incapacity for work over a continuous period of 52 weeks or more, the liability of the employer to grant annual leave to the worker in respect of a year of employment that coincides with, or ends during the course of, that period shall be deemed to have been satisfied.

(4) Subsection (3) does not affect the obligation of an employer to make a payment in the nature of an annual leave loading.

(5) Where—

(a) the entitlement of a worker to annual leave, or payment in lieu of annual leave, is governed by a law of the Commonwealth or a State or Territory of the Commonwealth (not being this State);

(b) the worker is absent from employment in consequence of a compensable disability;

and

(c) the period of absence is not taken into account as service for the purpose of calculating the worker's entitlement to annual leave or payment in lieu of annual leave,

the worker is entitled by way of compensation to the monetary value of the annual leave that would have accrued if the worker had not been absent from employment.

(6) Any compensation payable under subsection (5) shall be paid when the annual leave, or the payment in lieu of annual leave, would (assuming that the worker had not been absent from employment) have been granted or made.

Absence of worker from Australia.

41. (1) Where a worker who has suffered a compensable disability and who is receiving weekly payments is to be absent from Australia for a period in excess of 28 days, the worker shall, at least 28 days before leaving Australia, give the Corporation prescribed details of the proposed absence.

(2) Where the Corporation is of the opinion that the absence may impair the prospects of the worker's rehabilitation, it may, after giving the worker at least 14 days notice of its intention to do so, suspend or reduce the weekly payments to the worker.

(3) The Corporation may suspend weekly payments that are being made to a worker who is absent from Australia—

(a) if the Corporation cannot obtain, to its satisfaction, information relating to—

(i) the whereabouts of the worker;

(ii) the continuance of the worker's disability or incapacity for work;

(iii) the earning capacity of the worker;

or

(b) if there is, in the opinion of the Corporation, some other proper reason justifying suspension of the weekly payments.

(4) If a disabled worker leaves Australia without giving the notice required under subsection (1), the Corporation may suspend weekly payments to the worker.

Commutation of liability to make weekly payments.

42. (1) Subject to subsection (2), a liability to make weekly payments under this Division may, on the application of the worker, be commuted, in whole or in part, to a liability to pay a lump sum representing the capitalized value of those payments.

(2) Subsection (1) is subject to the following qualifications:

(a) the commutation may only apply in relation to a liability to make weekly payments in respect of a permanent incapacity;

(b) a liability may only be commuted after the worker has received compensation for non-economic loss;

and

(c) subject to subsection (3), the aggregate of the amount realized by the commutation and the amount of compensation for non-economic loss must not exceed the prescribed sum and if commutation of the total liability to make weekly payments would result in an aggregate of those amounts in excess of the prescribed sum, the extent of the commutation must be reduced accordingly.

(3) The Corporation has a discretion to allow a commutation notwithstanding that the limit prescribed by subsection (2) *(c)* is exceeded if, in the opinion of the Corporation, the commutation is desirable in order to avoid a residual liability to make weekly payments of a trivial amount.

(4) In this section—

"compensation for non-economic loss" means compensation under Division V:

"the prescribed sum" means the amount that, at the time of the occurrence of the disability that gave rise to the liability to make weekly payments, was the prescribed sum for the purposes of Division V.

Division V—Compensation for Non-Economic Loss

Lump sum compensation.

43. (1) Subject to this Act, where a worker suffers a permanent disability and the disability is compensable under this Act, the worker is entitled (in addition to any entitlement apart from this section) to compensation for non-economic loss by way of a lump sum.

(2) Subject to this section, the lump sum shall be a percentage of the prescribed sum determined by reference to the third schedule.

(3) Where a compensable disability in respect of which compensation is payable by way of a lump sum under subsection (1) is not mentioned in the third schedule, the lump sum shall be fixed by the Corporation as a percentage (not exceeding 100 per cent) of the prescribed sum having regard to—

(a) the nature of the disability;

and

(b) the extent to which the worker's ability to lead a normal life has been impaired by the disability.

(4) Where the compensable disability consists of the permanent loss of a proportion (but not all) of the full efficient use of a physical, mental or sensory faculty, the worker is entitled to a percentage of the compensation payable for total loss of the faculty equal to the percentage of full efficient use lost by the worker.

(5) For the purpose of determining the extent of a loss of full efficient use of a physical, mental or sensory faculty, the extent to which the loss, or the effect of the loss, may be reduced or limited by an external removable aid or appliance shall be disregarded.

(6) Where—

(a) a compensable disability consists of the aggravation, acceleration, exacerbation, deterioration or recurrence of a prior compensable disability;

and

(b) compensation by way of lump sum has been previously paid under this section, or a corresponding previous enactment,

there shall be a proportionate reduction in the amount of the lump sum payable under this section in respect of the disability.

(7) Where a worker suffers two or more compensable disabilities arising from the same trauma, the worker shall not be entitled to receive compen-

sation by way of lump sum in respect of those disabilities in excess of the prescribed sum.

(8) No payment shall be made under this section unless the worker is living at the expiration of 28 days from the date of the occurrence of the disability and payment shall not be made under this section after the death of the worker.

(9) The Governor may, by regulation, amend the third schedule by adding specified disabilities and fixing in relation to each such additional disability a percentage of the prescribed sum that is to be payable in respect of that disability.

(10) A regulation under subsection (9) must not be made except—

(a) on the recommendation of the Corporation;

or

(b) with the approval of the Corporation.

(11) In this section—

"the prescribed sum" means— 165300 39/1988

(a) in relation to a disability occurring in 1986—~~$60 000~~;

(b) in relation to a disability occurring in a subsequent year—a sum (calculated to the nearest multiple of $100) that bears to $60 000 the same proportion as the Consumer Price Index for the September quarter of the immediately preceding year bears to the Consumer Price Index for the September quarter, 1985.

Division VI—Compensation Payable on Death

Compensation payable on death.

44. (1) Subject to this Act, where a worker dies as a result of a compensable disability, compensation is payable as follows:

(a) a funeral benefit is payable equal to—

(i) the actual cost of the worker's funeral;

or

(ii) the prescribed amount,

whichever is the lesser;

(b) a spouse is entitled to—

(i) a lump sum equal to the prescribed sum less any amount that the worker received as compensation for non-economic loss under Division V;

and

(ii) in the case of a dependent spouse—weekly payments equal to—

(A) in the case of total dependency—50 per cent;

(B) in the case of partial dependency—such lesser percentage as may be fixed by the Corporation having regard to the extent of the dependency,

of the amount of the notional weekly earnings of the deceased worker;

(c) a dependent child (being an orphaned child) is entitled to weekly payments equal to—

(i) in the case of total dependency—25 per cent;

(ii) in the case of partial dependency—such lesser percentage as may be fixed by the Corporation having regard to the extent of the dependency,

of the amount of the notional weekly earnings of the deceased worker;

(d) a dependent child (not being an orphaned child) is entitled to weekly payments equal to—

(i) in the case of total dependency—12½ per cent;

(ii) in the case of partial dependency—such lesser percentage as may be fixed by the Corporation having regard to the extent of the dependency,

of the amount of the notional weekly earnings of the deceased worker;

(e) a dependent relative (not being a spouse or child) is entitled to such compensation by way of lump sum or weekly payments as may be determined by the Corporation having regard to—

(i) the extent of the relative's dependency on the deceased worker;

(ii) the earning capacity of the relative;

(iii) the relative's means;

(iv) the extent of any other benefits provided under this Act in respect of the worker's death.

(2) A funeral benefit payable under subsection (1) *(a)* shall be paid—

(a) to the person who conducted the funeral;

or

(b) a person who has paid, or is liable to pay, the funeral expenses of the deceased worker.

(3) A spouse is not entitled to a lump sum under subsection (1) *(b)* (i) unless—

(a) the spouse was cohabiting with the worker on the date of the worker's death;

or

(b) although the spouse was not cohabiting with the worker on the date of the worker's death it is, in the opinion of the Corporation, fair that the spouse should receive a lump sum under that provision.

(4) For the purposes of subsection (1), where a worker and the worker's spouse jointly contributed to the support of a dependent child immediately before the occurrence of the compensable disability that resulted in the worker's death, any contribution to the support of the child from the

worker's spouse shall be disregarded in determining whether the child is a dependant and, if so, the extent of the child's dependency.

(5) Where—

(a) a worker dies leaving a dependent spouse and a dependent child;

and

(b) the dependent spouse subsequently dies,

the child (if still eligible to receive weekly payments under this section) shall then be entitled to receive weekly payments under subsection (1) *(c)* as an orphaned child.

(6) Compensation is payable, if the Corporation so decides, to a spouse or child of a deceased worker who, although not dependent on the worker at the time of the worker's death, suffers a change of circumstances that may, if the worker had survived, have resulted in the spouse or child becoming dependent on the worker.

(7) Weekly payments shall not be made to a dependent child under this section unless—

(a) the child is under the age of 18 years;

(b) the child is a full-time student at an educational institution approved by the Corporation for the purposes of this paragraph and is under the age of 26 years;

or

(c) the child is, by reason of physical or mental disability, incapable of earning a living.

(8) Weekly payments shall not be paid under this section beyond the date at which such payments would, assuming that the worker had survived but had been permanently incapacitated for work, have ceased to be payable to the worker.

(9) Where weekly payments payable under this section would but for this subsection exceed in aggregate the amount of the weekly payments to which the worker would have been entitled in the event of total and permanent incapacity, the weekly payments shall be proportionately reduced so as not to exceed that amount.

(10) Where a person who is entitled to weekly payments under this section is under the age of 18 years, those payments shall, if the Corporation so determines, be made to a trustee for the benefit of that person.

(11) Subject to subsection (12), where the child of a deceased worker who is entitled to weekly payments under this section is under the age of 18 years and is in the care of a person other than a dependent spouse of the worker, that person shall, if the Corporation so determines, be entitled to a supplementary allowance to assist in the care of the child until—

(a) the child attains the age of 18 years;

or

(b) the person ceases to have the care of the child,

whichever first occurs.

(12) Where a child is by reason of a physical or mental disability, incapable of earning a living, the Corporation may pay a supplementary

allowance under subsection (11) during the period of incapacity even though the child has attained the age of 18 years.

(13) A liability to make weekly payments under this section may be commuted, in whole or in part, to a liability to pay a lump sum representing the capitalized value of those payments.

(14) In calculating the capitalized value of weekly payments for the purposes of subsection (13), a prescribed rate of discount shall be applied.

(15) In this section—

"the prescribed sum" means the amount that, at the time of the occurrence of the disability that resulted in the death of the worker, was the prescribed sum for the purposes of Division V.

Review of weekly payments.

45. (1) The Corporation may on its own initiative and shall if requested by an employer or the person to whom weekly payments are payable, review the amount of weekly payments payable to any person under this Division.

(2) A request for a review of the amount of weekly payments payable under this Division may not be made within 6 months from the completion of an earlier review.

(3) The amount of the weekly payments payable under this Division shall be reviewed at least once in each year.

(4) On a review under this section the Corporation shall make any necessary adjustments to the amount of weekly payments—

(a) to reflect changes in the income or earning capacity of the person to whom the weekly payments are payable and any other relevant changes in the circumstances of that person;

and

(b) where the review is an annual review conducted in pursuance of subsection (3)—to reflect changes in the average minimum award rates since payments were commenced under this Division or an adjustment was last made under this section (as may be appropriate).

(5) For the purposes of a review under this section, the Corporation may, by notice in writing to a person who is receiving weekly payments under this Division, require that person to produce evidence to the satisfaction of the Corporation of—

(a) income;

(b) earning capacity;

(c) any other circumstances that are relevant to the payment, or the amount, of weekly benefits.

(6) If a person fails to comply with a requirement under subsection (5) within the time allowed in the notice, the Corporation may suspend weekly payments to that person.

(7) Where the Corporation proposes the reduction of weekly payments to a person on a review under this section the Corporation shall, at least 21 days before the proposal is to take effect, give notice in writing to the person—

(a) stating the ground on which weekly payments are to be reduced;

and

(b) informing the person of the person's rights to have the Corporation's decision reviewed.

DIVISION VII—LIABILITY TO PAY COMPENSATION

Incidence of liability.

46. (1) Subject to this section, the Corporation is liable to make all payments of compensation to which any person becomes entitled under this Act.

(2) Where a compensable disability arises from employment by an exempt employer, the exempt employer is liable to make all payments of compensation to which any person becomes entitled in consequence of the occurrence of that compensable disability.

The Parliament of South Australia enacts as follows:

(2) The Wrongs Act, 1936, is in this Act referred to as "the principal Act".

2. This Act shall come into operation on a day to be fixed by proclamation. Commencement.

3. The following heading and section are inserted after section 35 of the principal Act: Insertion of new heading and section 35a.

Principles governing assessment of damages in relation to injuries arising from motor accidents

35a. (1) Notwithstanding any other law, where damages are to be assessed for or in respect of an injury arising from a motor accident, the following provisions apply: Motor accidents.

(a) no damages shall be awarded for non-economic loss unless—

(i) the injured person's ability to lead a normal life was significantly impaired by the injury for a period of at least seven days;

or

(ii) the injured person has reasonably incurred medical expenses of at least the prescribed minimum in connection with the injury;

(b) if damages are to be awarded for non-economic loss, they shall be assessed as follows:

(i) the injured person's total non-economic loss shall be assigned a numerical value on a scale run-

ning from 0 to 60 (the greater the severity of the non-economic loss, the higher the number);

and

(ii) the damages to be awarded for non-economic loss shall then be calculated by multiplying the prescribed amount by the number assigned under subparagraph (i);

(c) no damages shall be awarded for mental or nervous shock except in favour of—

(i) a person who was physically injured in the accident, who was the driver of or a passenger in or on a motor vehicle involved in the accident or who was, when the accident occurred, present at the scene of the accident;

or

(ii) a parent, spouse or child of a person killed, injured or endangered in the accident;

(d) if the injured person was incapacitated for work, no damages shall be awarded for loss of earning capacity in respect of the first week of the incapacity;

(e) if—

(i) the injured person is to be compensated by way of a lump sum for loss of future earning capacity or other future losses;

and

(ii) an actuarial multiplier is used for the purpose of calculating the present value of the future losses.

then in determining the actuarial multiplier a prescribed discount rate shall be applied;

(f) no damages shall be awarded to compensate for the cost of the investment or management of the amount awarded;

(g) no damages shall be awarded—

(i) to allow for the recompense of gratuitous services except services of a parent, spouse or child of the injured person;

or

(ii) to allow for the reimbursment of expenses, other than reasonable out-of-pocket expenses, voluntarily incurred, or to be voluntarily incurred, by a person rendering gratuitous services to the injured person;

(h) damages awarded to allow for the recompense of gratuitous services of a parent, spouse or child shall not exceed four times State average weekly earnings;

(i) if the injured person (not being a minor) was, contrary to the requirements of the Road Traffic Act, 1961, not

wearing a seat belt at the time of the accident, the damages to be awarded shall, on account of that contravention, be reduced by 15 per cent or such greater percentage as the court thinks just and equitable having regard to the extent to which the proper use of a seat belt would have reduced or lessened the severity of the injury;

(j) if—

(i) the injured person (not being a minor) was, at the time of the accident, a voluntary passenger in or on a motor vehicle;

and

(ii) the driver's ability to drive the motor vehicle was impaired in consequence of the consumption of alcohol or a drug and the injured person was aware, or ought to have been aware of the impairment,

it shall be presumed that the injured person was negligent in failing to take sufficient care for his or her own safety, and the damages shall be reduced to such extent as may be just and equitable having regard to that negligence;

(k) no interest shall be awarded on damages compensating a non-economic or prospective loss;

and

~~*(l)* any interest awarded must not be calculated from a date antecedent to the date of commencement of the proceedings.~~ deleted 62/1993

(2) Notwithstanding the limits fixed by subsection (1) *(h)*, if the court is satisfied that by rendering gratuitous services a parent, spouse or child has saved or will save the injured person the cost of engaging another person to provide those services (those services being reasonably required by the injured person), the court may make an award of damages in excess of that limit but the damages awarded in that event must not reflect a rate of remuneration for the person providing the services in excess of State average weekly earnings.

(3) A person shall not be regarded as a voluntary passenger in or on a motor vehicle for the purposes of subsection (1) *(j)* if, in the circumstances of the case, that person could not reasonably be expected to have declined to become a passenger in or on the vehicle.

~~(4) Where a presumption of negligence arises under subsection (1) *(j)*, the defence of *volenti non fit injuria* is not available against the injured person.~~ deleted and substituted 21/1994

(5) For the purposes of this section, an injury shall not be regarded as arising from a motor accident if it is not a consequence of—

The following table contains a list of the public Acts of general application of the Parliament of South Australia passed up to the end of 1986 and which were not repealed as on 1st January, 1987.

In the case of an Act reprinted in Volumes 1 to 11 of the South Australian Statutes 1837-1975, a reference is given in the table to the volume and page where the Act is printed. In the case of any other Act a reference is given to the annual volume of Statutes in which the Act is printed.

Where an Act has been reprinted in pamphlet form pursuant to the Acts Republication Act, 1967, a note to that effect, specifying the date up to which amendments have been incorporated, follows the entry relating to that Act.

The table also includes cross references to subject matters dealt with by legislation.

TABLE OF ACTS AFFECTED BY AMENDMENT OR JUDICIAL DECISION

TABLE OF PUBLIC GENERAL ACTS AFFECTED BY AMENDMENT OR JUDICIAL DECISION

The Acts contained in this Table are those published in the new edition of the South Australian Statutes, 1837-1975, and Acts which have come into force since the publication of the new edition, which have been amended by Acts passed since the 3rd February, 1976, but before the 1st January, 1987.

Acts which have been repealed since April, 1937, are shown in the Table of Acts Repealed. Acts repealed by Acts that had not come into operation before the 1st January, 1987, have not been deleted from this Table of Amendments and Cases. The amendment or repeal of individual provisions is shown, whether or not the amending or repealing Act had come into operation at that date. Acts listed in the Table of Public General Acts had come into operation at 1st January, 1987, unless that Table indicates otherwise.

This Table also contains notes, placed against references to the appropriate sections of the Acts affected, of the reported decisions of the Privy Council, the High Court of Australia, the Supreme Court of South Australia, and the Industrial Court of South Australia, relating to the interpretation of those sections. The cases so noted are those comprised in reports published since 1st April, 1937, and include the cases reported up to the end of 158 Commonwealth Law Reports, up to the end of 40 South Australian State Reports, and up to the end of 48 South Australian Industrial Reports. Volume 13 of the South Australian Statutes, 1837-1975, contains notes of reported cases relating to the provisions of the Acts contained in that work and published prior to 3rd February, 1976.
