PART IV

HOUSING AUTHORITY ADVANCES

Use of Advances.

14. Housing Authority advances shall be used by the State for the provision through its Housing Authority of welfare housing in accordance with this Agreement and, without prejudice to the generality of the foregoing, may be used by the Housing Authority for the following purposes—

(*a*) to meet the costs of acquisition and development of land primarily for residential purposes;

(*b*) to meet the cost of construction of dwellings;

(*c*) to meet the cost of purchase and upgrading and renovation of dwellings, and of substantial improvements to its existing dwellings but not so as to include the cost of maintenance of any dwellings;

and

(*d*) subject to the approval of the Minister, to provide bridging finance for community amenities that are not the responsibility of the Housing Authority.

Allocation of Dwellings.

15. (1) Dwellings for the provision of which Housing Authority advances have been used and which become available for allocation during the period of five years commencing on the first day of January 1974 shall be allocated by the Housing Authority of the State for rental or for purchase by applicants for housing assistance in accordance with this clause and the other provisions of this Part.

(2) The dwellings shall be allocated so that—

(*a*) not less than 85 per centum of the family dwellings that are allocated for the first time;

(*b*) all of the dwellings built for couples, without dependants, of which the main breadwinner is an aged person or an invalid;

(3) Subject to the granting of priorities in cases of urgent need, dwellings shall be allocated to persons in order of lodgement or of acceptance by the Housing Authority of applications for housing assistance.

(4) A Housing Authority shall not be required by the provisions of this clause to allocate a dwelling to a family or other person where the circumstances are such that, in the opinion of the Housing Authority, the family or other person does not require housing assistance of the nature that is provided for by this Part.

Needs Tests.

16. (1) The needs tests referred to in subclause (2) of clause 15 for the purpose of the allocation of dwellings are—

(*a*) for a family, which shall consist of not less than a couple, with or without children, or of a parent or guardian with one or more children—that the average gross weekly income of the main breadwinner (exclusive of any overtime and child endowment payments) during the six months immediately prior to the allocation of the dwelling does not exceed—

(ii) where the family includes more than two children—85 per centum of average weekly earnings plus two dollars for each child beyond the second;

(*c*) for a single aged person or an invalid—that the gross weekly income of that person at the time of allocation of the dwelling does not exceed 40 per centum of average weekly earnings.

(2) For the purposes of subclause (1) of this clause "average weekly earnings" means the average weekly earnings per employed male unit in the State or in Australia (as to which the State may elect) during the December quarter in respect of which statistics were last published by the Commonwealth Statistician prior to the date of allocation of the relevant dwelling.

Variation of Needs Test.

17. (1) At the initiative of the Minister and with the concurrence of the State Minister or Ministers concerned or at the request of the State Minister or Ministers concerned, the Minister may at any time vary all or any of the needs tests provided for by clause 16 either generally in respect of a State or States or specifically in relation to specified categories of persons or to localities or locations.

(2) A variation under subclause (1) of this clause shall be in writing under the hand of the Minister and as soon as practicable after a variation is made a copy shall be forwarded to the Minister for Housing of each State.

Total Allocation of Family Dwellings.

18. Each State will ensure that the number of family dwellings allocated by the Housing Authority of the State during each of the five calendar years commencing on the first day of January 1974 to persons eligible as families under this Agreement shall be at least the equivalent of the sum of—

(*a*) the total number of the family dwellings for the provision of which Housing Authority advances have been used and which become available during the relevant calendar year for allocation for the first time;

and

(*b*) 25 per centum of the number of the family dwellings for the provision of which advances by the Commonwealth under this Agreement and under previous Commonwealth-State Housing Agreements have been used and which become available during the year for re-allocation by the Housing Authority by way of rental vacancies and of reversion or revesting of dwellings that had been sold.

Limitations and Restraints on Sales of Family Dwellings.

19. (1) Subject to subclause (2) of this clause, the Housing Authority of a State shall not sell more than 30 per centum of the family dwellings for the provision of which Housing Authority advances have been used and which are completed or purchased during the period of five years commencing on the first day of January 1974.

(2) In the case of the State of Tasmania the percentage of family dwellings referred to in subclause (1) of this clause that may be sold shall not exceed—

(*a*) during the year commencing on the first day of January 1974—50 per centum;

and

(*b*) during the year commencing on the first day of January 1975—40 per centum.

(3) A dwelling that may be sold under subclause (1) or (2) of this clause shall be sold only to a purchaser who represents a family the income of whose main breadwinner at the time of sale does not exceed the relevant income limit referred to in paragraph (*a*) of subclause (1) of clause 16 (as at any time varied in accordance with clause 17) except that a dwelling may be sold to the Director of Defence Service Homes to enable such a purchaser to purchase the dwelling from the Director in order to obtain assistance under the *Defence Service Homes Act* 1918-1973 as amended from time to time.

(4) Except with the approval of the Minister, sales of family dwellings in conformity with this clause shall be made on terms under contracts of sale.

(5) The State shall ensure that a purchaser of a family dwelling will not be entitled to dispose of the dwelling (except by release or resale to the Housing Authority of his interest in the dwelling) during the period of not less than five years after the date of sale and that after the expiration of that period a purchaser who proposes to sell a family dwelling may be required by the Housing Authority to offer to the Housing Authority the release or resale of his interest in the dwelling on the basis of the fair market value of the dwelling and the land on which it is built at the time of the offer.

(6) Nothing in this clause shall preclude the sale or other disposal by the Housing Authority of the State, subject to the approval of the Minister, of land on which a dwelling is erected where the land is required for public purposes not of a residential character or in other circumstances which the State establishes to the satisfaction of the Minister justify the sale or disposal.

Sale Price and Interest.

20. (1) Dwellings built with Housing Authority advances and completed after the thirty-first day of December 1973 shall not be sold for a price that is less than one-half of the sum of the cost to the Housing Authority of the dwelling and the land on which it is built and the fair market value of the dwelling and the land on which it is built at the date of sale.

(2) The interest charge, which shall include an element for the costs of administration by the Housing Authority of the contract of sale, to purchasers of dwellings shall not be less than 5 per centum per annum nor more than $5\frac{3}{4}$ per centum per annum.

Review of Rentals.

21. A State shall arrange for the financial position in regard to the rental activities of its Housing Authority to be reviewed at least once in each financial year and shall ensure that rents are adjusted whenever an increase would appear to be justified.

Distribution of Dwellings.

22. To the maximum extent reasonably practicable—

(*a*) dwellings built with Housing Authority advances shall be intermingled with dwellings privately constructed;

and

(*b*) a State Housing Authority will acquire some blocks in areas developed or to be developed privately and will construct and let dwellings on those blocks.

PART V

HOME BUILDERS' ACCOUNT ADVANCES

Home Builders Account.

23. (1) Each State shall pay the Home Builders' Account advances made to the State to an account in the public accounts of the State to be known for the purposes of this Agreement as "the Home Builders' Account".

(2) A State may arrange for the Home Builders' Account to be incorporated into the account established and operated under that name for the purposes of the 1956-1966 Housing Agreement or into the account opened and maintained in accordance with section 7 of the *States Grants (Housing) Act* 1971 or for all three of those accounts to be consolidated but any such incorporation or consolidation shall not affect the operation of this Part with respect to loans from Home Builders' Account advances under this Agreement.

(3) The Home Builders' Account shall be credited also with the moneys received by the State from building societies and approved lending authorities in repayment of principal and interest in respect of loans made by the State to those societies and authorities under this Agreement and shall be debited with the repayments of principal and the payments of interest payable by the State to the Commonwealth under clause 13 in respect of Home Builders' Account advances to the State under this Agreement and with any expenses incurred by the State in providing finance for prospective home owners in accordance with this Agreement.

(4) The moneys standing to the credit of the Home Builders' Account (after allowing for amounts with which the Account is to be debited under the last preceding subclause) shall be used by the State for the purpose of the provision of finance for prospective home owners in the State by way of loans to terminating building or co-operative housing societies (in this Part referred to individually as a "society") or to a lending authority of the State approved by the Minister so that the societies or the authority may make loans (in this Part referred to individually as "a loan to a home owner") to assist the borrowers to build or purchase homes for themselves and their families.

Eligibility of Borrowers.

24. (1) To be eligible to obtain a loan to a home owner the borrower will be required to represent a family which consists or will consist of not less than a couple, with or without children, or of a parent or guardian with one or more children, of which the average gross weekly income of the main breadwinner (inclusive of overtime and exclusive of child endowment payments) during the six months immediately prior to application for the loan does not exceed—

(*a*) where the family does not include more than two children—95 per centum of average weekly earnings;

(*b*) where the family includes more than two children—95 per centum of average weekly earnings plus two dollars for each child beyond the second.

(2) For the purposes of subclause (1) of this clause "average weekly earnings" has the meaning attributed to that expression in subclause (2) of clause 16.

(3) At the initiative of the Minister and with the concurrence of the State Minister or Ministers concerned or at the request of the State Minister or Ministers concerned, the Minister may at any time vary the needs test provided for by subclause (1) of this clause either generally in respect of a State or States or specifically in relation to specified categories of persons or to localities or locations.

(4) A variation under subclause (3) of this clause shall be in writing under the hand of the Minister and as soon as practicable after a variation is made a copy shall be forwarded to the Minister of Housing of each State.

(5) Where a society or lending authority has entered into an obligation before the first day of July 1973 to make a loan to a borrower of moneys to be provided from any of the accounts mentioned in subclause (2) of clause 23 and the whole or a part of that loan was not made by the thirtieth day of June 1973, the loan or the balance of the loan, as the case may be, may be made from moneys standing to the credit of the Home Builders' Account notwithstanding that the average gross weekly income of the main breadwinner in the family exceeds the relevant limitation in subclause (1) of this clause.

Minimum Equity.

25. A loan to a home owner shall not be made except on the condition that the borrower shall be bound to provide an equity of not less than 3 per centum of the valuation by the society or lending authority of the property in respect of which the loan is made.

Charges for Loans.

26. The amount that is charged by the society or lending authority in respect of a loan to a home owner by way of interest and management fee shall not exceed the equivalent, calculated with annual rents, of 5¾ per centum per annum of the amount of the loan that for the time being remains to be repaid.

Homes for Purchase.

27. A loan to a home owner may be made for the purpose of the purchase of a new or previously occupied dwelling and may be made in respect of a dwelling to be purchased from a State Housing Authority where the dwelling has not been built with Housing Authority advances under this Agreement.

(5) In an election for a district where there is only one vacancy to be filled the candidate to be elected shall be determined in the following manner:—

(*b*) If no candidate has received an absolute majority of first preference votes, a second count shall be made by the returning officer:

(*c*) On the second count, the candidate who has received the fewest first preference votes shall be excluded, and each ballot-paper counted to him shall be counted to the candidate next in order of the voter's preference:

(*d*) If a candidate then has an absolute majority of votes he shall be elected, but if no candidate then has an absolute majority of votes, the process of excluding the candidate who has the fewest votes and counting each of his ballot-papers to the continuing candidate next in the order of the voter's preference shall be repeated by the returning officer until one candidate has received an absolute majority of votes:

(*e*) The candidate who has received an absolute majority of votes shall be elected.;

the returning officer shall decide by his casting vote which shall be elected; but, except as provided in this paragraph he shall not vote at the election.

(7) Notwithstanding anything contained in the preceding provisions of this section two or more candidates lowest on the poll may be excluded in any count in the one operation where the total number of votes of those lowest candidates does not in the aggregate exceed in number the votes of the candidate next higher on the poll.

(8) If—

(*a*) any election is held for a district where there is only one vacancy to be filled;

and

(*b*) it appears to the returning officer from the information given to him by assistant returning officers pursuant to sub-paragraph (*f*) of paragraph (1) of this section and from the result of the scrutiny of the votes counted by the returning officer that any candidate has received an absolute majority of first preference votes,

then, notwithstanding the provisions of paragraph (4) of this section, the returning officer may ascertain the total number of first preference votes for each candidate by means of such information and scrutiny without conducting a fresh scrutiny of the ballot-papers to which such information relates.

(9) In an election for a district where two or more vacancies are to be filled those vacancies shall be filled in the following manner:—

(*a*) Each group that received a number of first preference votes, being less than the prescribed number of votes, shall be excluded from the count and each ballot-paper relating to each such group shall be attributed to the group, that has received a number of first preference votes equal to or greater than the prescribed number, indicated by the next available preference, if any, of the voter

and for the purposes of this paragraph votes represented by ballot-papers so attributed shall be deemed to be first preference votes received by the group to which they were attributed:

(*b*) For the purposes of subparagraph (*a*) of this paragraph, the prescribed number of votes is one half of the number obtained by dividing the number of first preference votes cast at the election for the district by one more than the number of candidates required to be elected for the district and by increasing the quotient so obtained (disregarding any remainder) by one:

(*c*) The returning officer for the district shall then determine the quota for that election by dividing the total number of first preference votes that have been received by all the continuing groups by one more than the number of candidates to be elected for the district and by increasing the quotient so obtained (disregarding any remainder) by one:

(*d*) The returning officer for the district shall then divide the number of first preference votes received by each group by a number representing the quota determined under subparagraph (*c*) of this paragraph and shall express the results as a fraction of a quota, a whole quota, a whole quota plus a fraction of a quota, a number of whole quotas or a number of whole quotas plus a fraction of a quota as the case requires:

(*e*) For each quota obtained by a group, a candidate included in or comprising that group shall be elected and the order of election as between candidates included in a group shall be determined by reference to subparagraph (*g*) of this paragraph but where the number of whole quotas received by a group exceeds the number of candidates included in or comprising that group the number of whole quotas by which the whole quotas received by the group

exceeds the number of candidates included in or comprising the group shall be disregarded:

(*f*) If the application of paragraph (*e*) of this paragraph has not resulted in the election of the required number of candidates for the district, a candidate included in or comprising the group which has the largest fraction of a quota shall be elected, and if the election of this candidate does not result in the election of the required number of candidates for the district, a candidate included in or comprising the group which has the next largest fraction of a quota shall be elected and so on until the required number of candidates are elected for the district and the order of election as between candidates included in a group shall be determined by reference to subparagraph (*g*) of this paragraph but, in the application of this subparagraph, where a group has a fraction of a quota and there is no candidate included in or comprising that group yet to be elected then that fraction shall be disregarded and regard had to the group which has the next largest fraction of a quota:

(*g*) The order of election as between candidates included in a group shall be determined by reference to the position of the names of those candidates included in the group as printed on the ballot-paper reading from top to bottom, the candidate whose name appears first, shall be first elected, the candidate whose name appears second shall be second elected and so on.

(10) Where, in an election for a district where two or more vacancies are to be filled, two or more groups receive the same number of first preference votes the returning officer for the district shall, before proceeding in the manner provided by subparagraph (*d*) of paragraph (9) of this section, by lot, attribute to one or more of those groups sufficient notional first preference votes to make the difference between the total first preference votes for each of those groups one vote and

the notional first preference votes so attributed shall thereafter be deemed to be first preference votes cast for that group.

(11) Where, in an election for a district where two or more vacancies are to be filled, and after the returning officer for the district has proceeded in the manner provided by subparagraph (*d*) of paragraph (9) of this section two or more groups have obtained identical fractions of a quota the returning officer shall, by lot, attribute to one or more of those groups sufficient notional first preference votes to make the difference between the number of votes comprising each of those fractions one vote and the notional first preference votes so attributed shall thereafter be deemed to be first preference votes constituting the fraction of a quota to which they were so attributed.

(12) The returning officer shall—

(*a*) make out and sign a statement setting out, in respect of the district for which he is returning officer, the number of votes counted to each candidate at each count or, as the case may be, the number of first preference votes counted to each group and the number of informal ballot-papers and forward the statement to the Returning Officer for the State;

(*b*) place in a separate parcel all the ballot-papers which have been rejected as informal;

(*c*) place in a separate parcel all the unrejected ballot-papers;

and

(*d*) seal up the parcels and endorse on each parcel a description of the contents thereof, and permit any scrutineers present, if they so desire, to countersign the endorsement.

(13) In this section—

"an absolute majority of votes" means a greater number than one-half of the whole number of ballot-papers other than informal ballot-papers and the casting vote of the returning officer, given pursuant to paragraph (6) of this section shall be included in reckoning an absolute majority of votes:

"continuing candidate" means a candidate not already excluded from the count:

"continuing group" means a group not excluded from the count:

"description" in relation to a group means the letter or symbol that identifies that group on the ballot-paper:

"group" includes a single candidate who, pursuant to subsection (1a) of section 65 of this Act is deemed to be included in a group comprised of himself alone.

PART VIII

TRUST ACCOUNTS AND THE CONSOLIDATED INTEREST FUND

Interpretation.

62. In this Part—

"agent" includes a licensed land broker.

Trust accounts.

63. (1) An agent shall pay all moneys received by him in his capacity as an agent into an account maintained in the name of the agent at a bank (which account shall be, and be designated, a trust account) not later than the day next ensuing after the day on which the moneys are received upon which the bank at which the trust account is maintained is open for business.

(2) Any moneys collected or received by an agent as rent, interest, principal, deposit, instalments, or other moneys whatsoever payable under any lease, mortgage, or contract for the sale of any land or business, shall be deemed to be moneys received by an agent in his capacity as an agent.

(3) Moneys received by an agent otherwise than in his capacity as an agent shall not be paid into the trust account.

(4) An agent shall not withdraw moneys paid by him into a trust account except for the purpose of completing the transaction in the course of which the moneys were received, or as otherwise authorized by this Act.

(5) An agent shall pay moneys withdrawn for the purpose of completing a transaction in the course of which they were received to the person or persons lawfully entitled thereto.

(6) An agent shall—

(*a*) keep full and accurate accounts of all trust moneys received by him and of any payment of, or dealing with, any such moneys;

and

(*b*) keep those accounts separately and at all times properly written up and in such manner that they can be conveniently and properly audited at any time.

(7) The trust moneys shall not be appropriated, attached or taken in execution to satisfy any debt of, or claim against, the agent (other than a claim of the person on whose behalf the moneys are held in trust).

(8) A person who contravenes any provision of this section shall be guilty of an offence and liable to a penalty not exceeding one thousand dollars.

Protection to banks.

64. A bank shall be deemed not to be affected with notice of any specific trust to which moneys deposited in a trust account are subject, and shall not be bound to satisfy itself of the due application of those moneys but this section does not relieve the bank of any liability for negligence or any liability arising otherwise at common law or by statute.

Interest-bearing account to be established.

65. (1) An agent shall, out of moneys paid into his trust account (whether so paid pursuant to this Act, the repealed Land Agents Act, or the repealed Business Agents Act,)—

(*a*) on or before the prescribed day, invest in an interest-bearing trust security a sum that is not less than the prescribed proportion of the lowest balance of the trust account during the period of twelve months last preceding the prescribed day;

and

(*b*) not later than the last day of each successive period of twelve months after the prescribed day, invest such further sums in an interest-bearing trust security as may be necessary in order that the total amount then so invested is not less than the prescribed proportion of the lowest aggregate of the balance of the amount invested and the balance of his trust account during that period.

(2) Where an agent maintains two or more trust accounts, those accounts shall, for the purposes of this section, be deemed to be a single trust account the balance of which is the aggregate of the respective balances of each of those trust accounts, but where an agent maintains, on the instructions of his principal, a separate trust account for the benefit of his principal, the balance of that account shall not be taken into account for the purposes of this section.

(3) If during the whole of the period of twelve months ending upon the thirtieth day of June in any year the balance of the trust account of an agent and the amount (if any) invested by him in any interest-bearing trust securities amount in aggregate to less than two thousand dollars, the agent shall during the succeeding period of twelve months, be exempt from the obligations of this section.

(4) If a trust account is maintained by a firm of agents, the trust account shall, for the purposes of this section, be deemed to be the trust account of each member of the firm, and the members of the firm shall each be liable to perform the obligations imposed by this section, but the discharge by one member of the firm of his obligations in relation to the trust account shall be taken as a discharge by all members of the firm of their obligations in relation to the trust account.

(5) An investment of moneys in the interest-bearing trust security must be made upon condition that the investment may be realized upon demand, but an agent shall not realize any such security unless the moneys in his trust account are insufficient to satisfy the claims upon the trust moneys held by him that he is for the time being required to satisfy.

(6) Where moneys are derived from the realization by an agent of any interest-bearing trust security, the agent shall pay them forthwith into his trust account.

(7) In this section—

"the prescribed day" in relation to an agent whose trust account was established before the commencement of this Act, means the first day of July, 1974, and in relation to an agent whose trust account was not established before the commencement of this Act, means the first day of July next ensuing after the establishment of that account:

"the prescribed proportion" means a proportion of one-half or such lesser proportion as may be prescribed.

Interest to be paid to Board.

66. (1) An agent shall pay to the Board on or before the last day of February in each year all interest and accretions that have accrued to an interest-bearing trust security during the period of twelve months expiring on the thirty-first day of December of the last preceding year.

(2) If for any reason an agent realizes any interest-bearing trust security, he shall pay forthwith to the Board all interest that has accrued thereupon up to the day on which it is realized.

(3) The Board shall pay all moneys paid to it under this section into a banking account entitled the "Consolidated Interest Fund" which shall be operated in a manner determined by the Board.

(4) The Board may invest any moneys constituting, or forming part of, the consolidated interest fund in any trustee investments and shall pay any interest or accretions derived from any such investment into the consolidated interest fund.

(5) The Board may recover any moneys payable to it under this Part as a debt due to it in any court of competent jurisdiction.

PART VIII

Exemption from liability.

67. (1) No action at law or in equity shall lie against the Board or an agent for any action done in compliance with this Part.

(2) This Part does not affect the interest or claim of any person beneficially entitled to trust moneys and any such interest or claim may be asserted and enforced as effectually as if this Part had not been enacted.

Fiduciary defaults.

68. (1) In this Part "fiduciary default" means any defalcation, misappropriation or misapplication of trust moneys in the charge of an agent or firm of agents, whether committed by the agent or firm of agents, his or their employee, or any other person.

(2) Subject to the provisions of this Part, the consolidated interest fund shall be held and applied for the purpose of compensating persons who suffer pecuniary loss from a fiduciary default.

(3) Where all legal or equitable claims in respect of a fiduciary default have been fully satisfied and—

(*a*) the agent, being under a legal or equitable obligation to do so, has made payment to any person in compensation for pecuniary loss suffered by him in consequence of the fiduciary default;

and

(*b*) the Board is satisfied that the agent has acted honestly and reasonably in all the circumstances of the case,

the Board may, if it is satisfied that it is just and reasonable so to do, accept a claim from the agent in respect of that payment.

(4) The consolidated interest fund shall not be applied in respect of any fiduciary default occurring before the commencement of this Act.

Notice and claims.

69. (1) The Board may by notice published in a newspaper circulating generally throughout the State, fix a day, not earlier than three months after the publication of the notice, on or before which claims in respect of the fiduciary default of, or in relation to, any agent must be made.

(2) A claim for compensation from the consolidated interest fund must be in writing and lodged with the secretary on or before the day fixed by notice under subsection (1) of this section.

(3) A claim that is not made within the time prescribed by subsection (2) of this section shall be barred unless the Board otherwise determines.

(4) No action shall lie against the Board, or any member, officer or servant of the Board, or a publisher, in respect of the contents of a notice *bona fide* published under this section.

Claims to be dealt with.

70. (1) Subject to this Part, the Board may allow and settle out of the consolidated interest fund any proper claims for compensation under this Part.

(2) If any person suffers pecuniary loss in consequence of any fiduciary default, and the Board disallows his claim in whole or in part, he may take action in the Supreme Court against the Board by originating summons (in which summons the defendant shall be cited as the "Consolidated Interest Fund" and not as the Board) to establish the validity of his claim.

(3) If the claimant satisfies the Supreme Court that he has a valid unsatisfied claim against an agent in respect of a fiduciary default, and he has taken all reasonable steps to obtain satisfaction of his claim, the Supreme Court may declare the validity of the claim, and order the Board to deal with it pursuant to this Part.

(4) No proceedings shall be brought under this section without the consent of the Board after the expiration of three months from the day on which a notice is served by the secretary, personally or by post, upon the claimant notifying him of the disallowance, or partial disallowance, of his claim, and informing him of the effect of this subsection, or in the case of a claimant whose whereabouts is unknown to the Board, or who has died and has no personal representative known to the Board, after the expiration of three months from the day on which such a notice is published in the *Gazette*.

(5) In any proceedings under this section, evidence of, or relating to, any admission or confession made by any person shall be admissible in evidence to prove a fiduciary default notwithstanding that the person by whom the admission or confession was made is not a party to the proceedings.

(6) If in any proceedings under this section the court is satisfied, on the balance of probabilities, that a fiduciary default has been committed, it may declare the validity of a claim notwithstanding that the fiduciary default constitutes a criminal offence, and that the evidence would not be sufficient to establish the guilt of a person charged with that offence.

(7) Any three Judges of the Supreme Court may make Rules of Court as to the procedure in any proceedings under this section.

Production of documents.

71. (1) The Board may, in considering any claim made pursuant to this Part, by notice in writing served personally or by post upon any person, require that person, within the time specified in the notice, to deliver up any document in his possession or power relevant to the determination of the claim.

(2) A person shall not fail duly to comply with a notice served upon him pursuant to subsection (1) of this section.

Penalty: Two hundred dollars.

Amount of claim.

72. (1) The amount of a claim made pursuant to this Part shall not exceed the actual pecuniary loss suffered by the claimant in consequence of the fiduciary default less any amount that the

claimant has received, or may reasonably be expected to receive, otherwise than from the consolidated interest fund, in reduction of that loss.

(2) If a valid claim made pursuant to this Part has not been satisfied as provided by this Part at the expiration of twelve months from the day on which it was lodged with the secretary, it shall then, to the extent to which it has not been so satisfied, be increased by interest at the rate of five per centum per annum from the expiration of that period.

(3) Subject to this section, the amount that may be applied by the Board towards satisfaction of all claims made in respect of the fiduciary defaults of, or relating to, an agent committed prior to the day fixed by notice under section 69 of this Act, shall not exceed ten per centum, or such other proportion as may be prescribed, of the balance of the consolidated interest fund, calculated to the nearest amount of one thousand dollars, as disclosed in the accounts of the consolidated interest fund, last audited before the proposed application of moneys towards satisfaction of the claims.

(4) Where the amount available to satisfy claims made under this Part does not permit the full satisfaction of the claims, the Board shall, subject to subsection (5) of this section, apportion that amount between the various claimants in such manner as it thinks just.

(5) Where the Board makes a payment pursuant to this section for the purpose of discharging a claim under this section, the claim in respect of which the payment is made shall be discharged notwithstanding that it may not have been satisfied in full by the payment.

(6) The Board may, with the approval of the Minister, make further subsequent payments to any person whose claim is not satisfied in full, or may make a payment to a person whose claim is barred, but any payment so made does not revive or re-instate a claim.

Recovery by board.

73. Where the Board has made any payment in compensation for loss suffered by any person in consequence of a fiduciary default, the Board is subrogated to the extent of the amount of the payment to the rights of the person who has been so compensated against a person who is liable at law or in equity for the fiduciary default.

Recovery by board.

74. Where the Board has made any payment in compensation for loss suffered by any person in consequence of a fiduciary default, the Board may recover, in any court of competent jurisdiction, the amount of the payment, as a debt due to it, from the person who would be liable at law or in equity, for the fiduciary default.

Moneys to be paid into fund.

75. (1) The moneys required for the purposes of this Part shall be paid out of the consolidated interest fund.

(2) Any moneys paid to, or recovered by the Board in pursuance of any provision of this Part shall be paid into the consolidated interest fund.

Accounts.

76. (1) The Board shall keep proper accounts of all moneys received, disbursed, invested and otherwise dealt with under this Part.

(2) The Board shall cause the consolidated interest fund to be audited at least once in every calendar year by the Auditor-General.

[*Assented to* 13*th December,* 1973]

Preamble.

WHEREAS on the twelfth day of August 1849 Sir HENRY EDWARD FOX YOUNG Knight Lieutenant Governor of the province of South Australia granted unto ALEXANDER LANG ELDER, JOHN ELLIS and JOSEPH GILBERT TRUSTEES OF MOUNT REMARKABLE MINING COMPANY all that Section of land containing one hundred acres and numbered 1 situated at Port Germain Spencers Gulf County not named together with all timber minerals and appurtenances:

AND WHEREAS the plan on the Land Grant of the aforesaid Section 1 disclosed that the said Section was intersected by a government road and bounded by a perimeter government road:

AND WHEREAS on the seventeenth day of November 1849 the said ALEXANDER LANG ELDER the said JOHN ELLIS and the said JOSEPH GILBERT appointed JOHN GRAINGER as a new trustee in place of the said ALEXANDER LANG ELDER and on the same day the aforesaid Section 1 was conveyed to the said JOHN ELLIS the said JOSEPH GILBERT and the said JOHN GRAINGER in trust for the said MOUNT REMARKABLE MINING COMPANY:

AND WHEREAS by resolutions of shareholders of the said MOUNT REMARKABLE MINING COMPANY at meetings held on the ninth day and thirty-first day of July 1851 it was resolved that the said MOUNT REMARKABLE MINING COMPANY be dissolved:

AND WHEREAS the said JOHN ELLIS the said JOSEPH GILBERT and the said JOHN GRAINGER trustees of the said MOUNT REMARKABLE MINING COMPANY by Deed dated twenty-eighth day of December 1853 recited that the said MOUNT REMARKABLE MINING COMPANY had been dissolved and that the Board of Directors of the said MOUNT REMARKABLE MINING COMPANY were selling the real estate thereof in order finally to wind up and close the concerns of the said MOUNT REMARKABLE MINING COMPANY:

AND WHEREAS the said Board of Directors had for the purpose of sale caused part of the property of the said MOUNT REMARKABLE MINING COMPANY being *inter alia* the aforesaid Section 1 to be laid out in allotments streets and reserves as a Township and called the TOWNSHIP OF PORT FLINDERS and a map thereof was made showing such allotments streets and reserves:

AND WHEREAS it was intended in the description to be contained in the respective conveyances of the land sold by the said MOUNT REMARKABLE MINING COMPANY to refer *inter alia* to the said map and that it had therefore been deemed best to enrol the same and to execute the said Deed dated the twenty-eighth day of December 1853 for the purpose of identifying and connecting the said map with the said intended conveyances:

AND WHEREAS in the said Deed the said JOHN ELLIS the said JOSEPH GILBERT and the said JOHN GRAINGER declared that the said map *inter alia* delineated and shown in the said Deed was the map intended to be referred to by them in the several conveyances thereafter to be made by them of land in the said Township of Port Flinders:

AND WHEREAS the said Deed in which the said map of the said Township of Port Flinders was delineated was duly enrolled in the General Registry Office No. 86 Book 18 page 123 and is hereinafter referred to as "the said enrolled plan":

AND WHEREAS by divers conveyances registered in the General Registry Office all the allotments in the said Township of Port Flinders with the exception of Allotment 45 were sold by the said JOHN ELLIS the said JOSEPH GILBERT and the said JOHN GRAINGER by the direction of a quorum of the Board of Directors of the said MOUNT REMARKABLE MINING COMPANY:

AND WHEREAS all the said allotments including the said Allotment 45 are presently vested in current owners either by a documentary title or by title created by sale under the District Councils Act, 1914 or the Crown Rates and Taxes Recovery Act, 1945:

AND WHEREAS the perimeter road and intersecting road are vested in THE DISTRICT COUNCIL OF PORT GERMEIN:

AND WHEREAS the reserves and the remaining streets in the said enrolled plan appear to be still vested in the said JOHN ELLIS the said JOSEPH GILBERT and the said JOHN GRAINGER as trustees of the MOUNT REMARKABLE MINING COMPANY as no dealings therewith have been registered deposited or enrolled in the General Registry Office:

AND WHEREAS there is no current representative of the said MOUNT REMARKABLE MINING COMPANY available to join in any scheme whereby title difficulties to land in the said Township of Port Flinders could be resolved:

AND WHEREAS a re-survey of the said Township of Port Flinders, conducted by the Surveyor-General in the year 1928, disclosed that it was impossible to lay out the allotments streets and reserves in their correct relative positions as originally laid out in the said enrolled plan in that the subdivision as therein delineated could not be laid out on the ground within the limits of the coastline as therein disclosed:

AND WHEREAS because of such discrepancy doubts have arisen as to the identity of the land referred to and included in the various conveyances and other documents of title relating to the allotments streets and reserves in the said Township of Port Flinders:

AND WHEREAS due to arrears of rates a sale of several allotments in the said enrolled plan was effected pursuant to an Order of the Supreme Court made on the eighteenth day of November 1919 under the District Councils Act, 1914 and a request was made by the then Master of the Supreme Court to the Registrar-General for the issue to and in the name of the purchaser of a Certificate of Title under the Real Property Act:

AND WHEREAS the Registrar-General in order to issue the Certificate of Title as requested required a Licensed Surveyor's Plan to be produced by Messrs. Melrose and Homburg, solicitors for the purchaser named in the said request, to identify the land therein:

AND WHEREAS such Licensed Surveyor's Plan was never supplied to the Registrar-General who was therefore unable to issue a Certificate of Title pursuant to the said request:

AND WHEREAS in the year 1955 due to arrears of Crown rates and taxes further sales of other allotments in the said enrolled plan took place, this time under the Crown Rates and Taxes Recovery Act, 1945:

AND WHEREAS in consequence of such sales to various purchasers the Minister of Lands applied to the Registrar-General for titles to the land sold under the Crown Rates and Taxes Recovery Act, 1945 to be issued in the names of the said various purchasers:

AND WHEREAS the Registrar-General in order to issue Certificates of Title for the said land sold under Crown Rates and Taxes Recovery Act, 1945 required a Licensed Surveyor's Plan to be produced by the Crown Solicitor to identify the land so sold:

AND WHEREAS such Licensed Surveyor's Plan was never supplied to the Registrar-General who was therefore unable to issue the Certificates of Title pursuant to the application by the Minister of Lands:

AND WHEREAS in the years 1955 and 1962 further allotments in the said enrolled plan being the remaining allotments on which arrears of Crown rates and taxes were outstanding were offered for sale pursuant to the Crown Rates and Taxes Recovery Act, 1945:

AND WHEREAS at the offer for sale by public auction no bid was received and the said allotments offered for sale were conveyed to the Minister of Lands:

AND WHEREAS the Minister of Lands applied to the Registrar-General for Certificates of Title to be issued for such allotments in the name of the Minister of Lands:

AND WHEREAS because a Licensed Surveyor's Plan was again necessary to identify these allotments and such plan was never produced the Registrar-General was unable to issue Certificates of Title pursuant to the application by the Minister of Lands:

AND WHEREAS the Minister of Lands has agreed to sell two of the allotments (namely Allotments 28 and 64) conveyed to him after the auction referred to above to ALLEN MILLER WARD and AUDREY JANE WARD but no conveyance of the said allotments has yet been executed:

AND WHEREAS all the current legal or equitable owners of land in the said Township of Port Flinders are desirous of obtaining title under the Real Property Act to their land in the said Township of Port Flinders:

AND WHEREAS the said legal or equitable owners have agreed, for the purpose of resolving title difficulties in the said Township of Port Flinders, to substitute for the said enrolled plan a new plan based on a design prepared by the Surveyor-General.

AND WHEREAS a new plan of the said Township of Port Flinders has been prepared for the purpose of permitting Certificates of Title to be issued to the said legal or equitable owners of land in the said Township of Port Flinders which said new plan is intended to be deposited in the General Registry Office at Adelaide:

AND WHEREAS it has been found necessary in such new plan to alter the situation of various allotments streets and reserves as they appear in the said enrolled plan:

AND WHEREAS it is intended to substitute the said new plan of the Township of Port Flinders for the said enrolled plan:

AND WHEREAS in order to so establish such new plan of the said Township of Port Flinders it is first necessary to vest all the land in the said enrolled plan in the Minister of Lands:

AND WHEREAS it is intended that so soon as the Minister of Lands has become the owner of all the land in the said enrolled plan the Registrar-General be authorized to issue Certificates of Title for an estate in fee simple under the Real Property Act, 1886-1972, in the names of the respective owners of the various allotments streets and reserves in the said Township of Port Flinders to which they are entitled either at law or in equity, as set out in the schedule hereto, and in accordance with the said new plan.

or

(*e*) at the request of the licensee.

20. (1) The base quota for a Group II poultry farmer shall be—

(*a*) if that Group II poultry farmer—

and

(ii) had not made an election under subsection (2) of this section,

a number equal to the base quota that the person, from whom that poultry farmer acquired the property, would have been entitled under this Act;

or

DIVISION IV—HEN QUOTAS AND STATE HEN QUOTA

DIVISION IV

State hen quota.

22. For the purposes of this Act, the number of hens that constitutes the State hen quota for a licensing season is the number fixed by the Minister, by notice published in the *Gazette*, as the State hen quota for that licensing season.

Calculation of hen quotas.

23. (1) Subject to this section the hen quota of a Group I or Group II poultry farmer in respect of the first licensing season shall be calculated to the nearest whole number in accordance with the formula—

$$c = \frac{df}{e}$$

where—

"c" represents the number of hens that is the hen quota of the poultry farmer;

"d" represents the State hen quota for the first licensing season;

"e" represents the total of all base quotas to which applicants for licences are entitled under this Act;

"f" represents the base quota of the poultry farmer.

(2) Notwithstanding anything in subsection (1) of this section—

(*a*) in no case shall the hen quota of the poultry farmer (including his proportion of the hen quotas of any partnership of which he is a member) or the total of the hen quotas of the members of a partnership exceed fifty thousand;

(*b*) where the poultry farmer is a corporation within the meaning of the Companies Act, 1962-1972, in no case shall the total of the hen quotas of that corporation and of corporations that by reason of subsection (5) of section 6 of that Act are deemed to be related to the first mentioned corporation exceed fifty thousand.

(3) The Licensing Committee shall notify an applicant for a licence of his hen quota at the same time as the issue to him of the licence.

Hen quotas in subsequent licensing seasons.

24. (1) Subject to this section where in respect of any licensing season subsequent to the first licensing season the State hen quota is varied the hen quota of a Group I or Group II poultry farmer for the relevant licensing season shall be calculated to the nearest whole number in accordance with the formula—

$$g = \frac{hk}{j}$$

where—

"g" represents the number of hens that is the hen quota of the poultry farmer for the relevant licensing season;

"h" represents the State hen quota for the relevant licensing season;

"j" represents the State hen quota for the preceding licensing season;

"k" represents the hen quota of the poultry farmer for the preceding licensing season.

(2) Notwithstanding anything in subsection (1) of this section—

(*a*) in no case shall the hen quota of the poultry farmer (including his proportion of the hen quotas of any partnership of which he is a member) or the total of the hen quotas of the members of a partnership exceed fifty thousand;

and

(*b*) where the poultry farmer is a corporation within the meaning of the Companies Act, 1962-1972, in no case shall the total of the hen quotas of that corporation and of corporations that by reason of subsection (5) of section 6 of that Act are to be deemed to be related to the first mentioned corporation exceed fifty thousand.

(3) Where the State hen quota in respect of any licensing season is not varied from the State hen quota for the licensing season immediately preceding, the hen quota of a Group I or Group II poultry farmer for the relevant licensing season shall, subject to this Act, be the same as that allocated to him for the licensing season immediately preceding that relevant licensing season.

(4) The Licensing Committee shall notify an applicant for a licence for the relevant season of his hen quota at the same time as the issue to him of the licence for that season.

PART V

SURRENDER AND RE-ISSUE OF LICENCES

Surrender, etc, of licences.

25. (1) Subject to this section and section 26 of this Act where a licensee applies to the Licensing Committee in the prescribed form and pays the prescribed fee, the Licensing Committee may, upon the surrender to it of the applicant's licence—

(*b*) cancel the applicant's licence and issue to him a fresh licence relating to a place that is not identical with the place to which the cancelled licence related;

or

(*c*) cancel the applicant's licence, reduce his hen quota and—

(i) issue a fresh licence to the applicant;

and

(ii) issue a licence to another person specified in the application,

as may be requested in the application.

(2) An application under paragraph (*c*) of subsection (1) of this section may be made in respect of the whole or any part of a hen quota.

(3) The Licensing Committee shall not approve an application under subsection (1) of this section—

(*a*) where the approval would involve the cancellation of a licence or the reduction in the hen quota of a licence relating to a place within an area specified in the second schedule and the issue of a licence or the increase in the hen quota of a licence relating to a place not within that area unless, in the opinion of the Licensing Committee, it is in the interests of the poultry industry so to do;

(*b*) in so far as such an approval would increase the hen quota of a person (including his proportion of the hen quotas of any partnership of which he was a member), or the total of the hen quotas of the members of a partnership to more than fifty thousand;

and

(*c*) where the poultry farmer is a corporation within the meaning of the Companies Act, 1962-1972, in so far as the total of the hen quotas of that corporation and of corporations that by reason of subsection (5) of section 6 of that Act are deemed to be related to the first mentioned corporation would exceed fifty thousand.

(4) The Licensing Committee may refuse an application where the applicant or person to whom or a member of the partnership to which the licence would be issued has been convicted of an offence against this Act or the Commonwealth Levy Act or the Commonwealth Levy Collection Act or where the Licensing Committee has reasonable grounds for believing that the application is in furtherance of an agreement, arrangement or scheme to circumvent or take undue advantage of the provisions of paragraph (*b*) or (*c*) of subsection (3) of this section.

Status of certain licensees.

26. (1) A person whose licence is cancelled under paragraph (*a*) of subsection (1) of section 25 of this Act shall cease to be a poultry farmer for the purposes of this Act.

(2) Where, immediately before the issue of a licence under section 25 of this Act the licensee was not a poultry farmer for the purposes of this Act he shall, while he holds the licence, be deemed to be a poultry farmer for those purposes.

Calculation of certain hen quotas.

27. (1) Where, pursuant to an application under subsection (1) of section 25 of this Act—

(*a*) a licence is issued under paragraph (*a*) of that subsection—the hen quota of the licensee after the issue of the fresh licence is the total of the hen quota of the applicant immediately before the cancellation of his licence and the hen quota (if any) of the licensee immediately before the issue of the licence;

(*b*) a licence is issued under paragraph (*b*) of that subsection—the hen quota, of the licensee remains unchanged;

or

(*c*) a licence is issued under paragraph (*c*) of that subsection—
