6. Part IIIC of the principal Act is repealed and the following Part is substituted:

PART IIIC

LIABILITY AND INSURANCE AGAINST LIABILITY FOR DEFECTIVE DOMESTIC BUILDING WORK

DIVISION I—PRELIMINARY

Interpretation.

19n. In this Part, unless the contrary intention appears—

"builder" means a person whose business is, or includes, the carrying out of domestic building work:

"building owner" means a person on whose behalf domestic building work is carried out:

"domestic building work" means work consisting of, or involved in—

(a) the erection, construction, alteration of or addition to, or the repair or improvement of, a house;

(b) the making of any excavation or filling for, or incidental to, the erection, construction, alteration of or addition to, or the repair or improvement of, a house;

(c) the construction, alteration, repair or improvement of a swimming pool situated or proposed to be situated within the curtilage of a house;

or

(d) any other work that may be prescribed,

but does not include work of a kind declared by regulation not to be domestic building work for the purposes of this Part:

"house" means a building intended for occupation as a place of residence but does not include—

(a) a building intended for occupation partly as a residence and partly for industrial or commercial purposes;

(b) a building divided into a number of separate places of residence that are intended only for rental;

or

(c) any building of a prescribed class:

"statutory warranty" means a warranty arising under this Part.

DIVISION II—STATUTORY WARRANTIES

Statutory warranties.

19o. (1) In any contract to carry out domestic building work the following warranties on the part of the builder shall be implied:

(a) a warranty that the building work will be carried out in a proper and workmanlike manner;

(b) a warranty that good and proper materials will be used in carrying out the building work;

(c) where the building work consists of the construction of a house—a warranty that the house will be reasonably fit for human habitation;

and

(d) where the building owner expressly makes known to the builder, or a servant or agent of the builder, the particular purpose for which the building work is required, or the result that he desires the building work to achieve, so as to show that he relies on the builder's skill and judgment—a warranty that the building work and any materials used in carrying out the building work will be reasonably fit for that purpose or of such a nature and quality that they might reasonably be expected to achieve that result.

(2) A person who purchases or otherwise acquires a house succeeds to the rights of his predecessor in title in respect of statutory warranties.

(3) Where a person purchases a house from a builder who has himself carried out domestic building work in relation to the house, the purchaser shall have rights under statutory warranties determined as if the house had been purchased from a third party on behalf of whom the vendor had carried out the building work under a contract subject to statutory warranties.

(4) An action for breach of a statutory warranty must be commenced within five years after completion of the building work to which the action relates.

(5) The period of limitation prescribed by subsection (3) shall not be extended.

(6) In an action for breach of a statutory warranty, if the defendant alleges that—

(a) not more than two years before the building work was commenced or during the course of the building work advice in relation to the building work (not being gratuitous advice) was obtained from a person holding himself out as being qualified or competent to give the advice;

(b) it was reasonable, in the circumstances, for reliance to be placed on that advice;

and

(c) the deficiencies of which the plaintiff complains result, wholly or in part, from the fact that reliance was placed on that advice,

the court may, upon the application of the defendant, order that the person by whom the advice was tendered be joined as a party to the proceedings, and may, upon proof of the allegations, order that the whole or any part of the damages awarded for breach of the statutory warranty be paid by that person.

(7) In an action for breach of a statutory warranty it shall be a defence for the defendant to prove that the deficiencies of which the plaintiff complains arise from instructions insisted upon by the building owner contrary to the advice in writing of the defendant.

(8) A person shall not commence proceedings for breach of a statutory warranty unless he has, by notice in writing served upon the person against whom the proceedings are to be brought—

(a) informed him of the grounds upon which he proposes to bring the proceedings;

and

(b) offered him a reasonable opportunity—

(i) to inspect the building work to which the proceedings are to relate;

and

(ii) to make good the deficiencies in that building work.

(9) This section does not apply to building work commenced before the commencement of the Builders Licensing Act Amendment Act, 1983, or carried out in pursuance of a contract entered into before the commencement of that amending Act.

(10) Notwithstanding the repeal of the Defective Houses Act, 1976, that Act continues to apply to a new house as defined in that Act—

(a) the construction of which was commenced before the commencement of the Builders Licensing Act Amendment Act, 1983.

or

(b) constructed in pursuance of a contract entered into before the commencement of that amending Act.

(11) This section does not derogate from any liability that may exist apart from this section.

(12) The provisions of this section apply notwithstanding any agreement or waiver to the contrary.

Division III—Building Indemnity Insurance

Application of this Division.

19p. (1) This Division applies only in respect of domestic building work—

(a) that is, or is to be, carried out by a person who holds a general builders licence or a provisional general builders licence;

(b) that is, or is to be, carried out at a cost to the building owner in excess of the prescribed sum, or, where the

builder is himself the building owner, is work that would, if carried out by a builder on behalf of the building owner, cost in excess of the prescribed sum;

and

(c) for which approval is required under the Building Act, 1970-1982.

(2) This Division does not apply to any domestic building work of a prescribed class.

Requirement of insurance.

19q. (1) A builder shall not carry out building work to which this Division applies unless a policy of insurance that complies with this Division is in force in relation to that building work.

Penalty: Two thousand dollars.

(2) This section does not apply to the South Australian Housing Trust.

(3) Where—

(a) a builder, in pursuance of a contract with a building owner, carries out building work to which this Division applies;

(b) contrary to the provisions of this section there is no policy of insurance that complies with this Division in force in relation to the building work,

the building owner may repudiate the contract and, by action in a court of competent jurisdiction, recover such proportion of the moneys paid under the contract as the court thinks just.

Nature of the policy.

19r. A policy of insurance in relation to building work complies with this Division if—

(a) it insures each person who is, or may become, entitled to the benefit of a statutory warranty in respect of the building work against the risk of being unable to recover under the statutory warranty by reason of the insolvency, death or disappearance of the builder;

(b) where the building work is to be carried out by the builder on behalf of some other person—it insures that person against the risk of loss resulting from non-completion of the building work by reason of the insolvency, death or disappearance of the builder;

(c) any limitations on the liability of the insurer under the policy conform with the regulations;

and

(d) it otherwise conforms with the requirements of the regulations.

In the name and on behalf of Her Majesty, I hereby assent to this Bill.

30. In exercising its powers under this Agreement and in implementing the provisions of Part IX, the Commission may, at its discretion, have regard to the possible effects of its decisions on any river or water management objectives.

Protection of catchment of Hume Reservoir

31. (1) The Contracting Governments of the States of New South Wales and Victoria shall take effective measures to protect from erosion the portions of the catchment of the Hume Reservoir which lie within their respective States.

(2) Each of the said Contracting Governments shall before the end of June in each year forward a report to the Commission on the condition of the portion of the catchment of the Hume Reservoir within its territory, the measures taken and work carried out during the twelve months ending on the 31st day of March immediately preceding and particulars of the measures and works proposed for the next twelve months.

(3) The Commission shall, from time to time, inspect or cause to be inspected such portions of the catchment of the Hume Reservoir as it thinks fit and may indicate at any time whether in its opinion the measures taken and works carried out by the said Contracting Governments for the protection from erosion of that catchment are effective or otherwise. If, on any inspection, the Commission considers that any of those measures or works are ineffective, it shall notify the Contracting Government concerned which shall, to the extent that it may be practicable to do so, take action to make those measures and works effective.

(4) The measures, works and action taken or carried out by a Contracting Government pursuant to sub-clause 31 (1) or 31 (3) shall be taken or carried out at the cost of that Contracting Government.

(5) If at any time the Commission considers that there is need for special action to be taken for the protection from erosion of the catchment of the Hume Reservoir other than, or in addition to, the measures, works and action taken or carried out by each of the said Contracting Governments under sub-clauses 31 (1) and 31 (3), the Commission may require the Contracting

Government, in whose territory the special action is to be carried out, to investigate the position and to take such special action as may be required, and authorised, by the Commission.

PART V

CONSTRUCTION, OPERATION AND MAINTENANCE OF WORKS

Major works subject to the Agreement

32. Each of the works described in Schedule A or authorised under clause 33 shall be constructed (unless already constructed under the former Agreement), maintained, operated and controlled pursuant to the provisions of this Agreement and any Acts approving the same and the construction, maintenance, operation and control of each of those works shall, subject to the provisions of this Agreement, be undertaken, in the case of the works described in Schedule A, by the Contracting Government whose name is set opposite to that work under the heading "Nominated Government" in the said Schedule, and, in the case of works authorised under clause 33, by the Contracting Government nominated in accordance with that clause.

Authorisation of additional works

33. (1) In any case where the Commission is of the opinion that it is necessary for the purposes of this Agreement to construct a work in addition to those described in Schedule A, including a work which the Commission has determined is necessary to prevent the loss of the regulated flow of the River Murray and is to be constructed on or near the River Murray between the Hume Reservoir and the upstream limits of water impounded by Yarrawonga Weir or between Tocumwal and Echuca, the construction of that work may be authorised,

(a) if the estimated cost of construction of that work is not in excess of $1 000 000, by the Commission, or

(b) in any other case, by the Contracting Governments jointly,

and the provisions of this Agreement shall apply mutatis mutandis in respect of that work.

(2) When the construction of a work is authorised under sub-clause 33 (1), the Contracting Governments, or the Commission, as the case may be, shall also nominate which Contracting Government shall be responsible for the construction, maintenance, operation and control of that work.

Ancillary, preventative and remedial works

34. On the application of a Commissioner, the Commission may, at its discretion, meet, or contribute to, the costs of, or associated with—

(a) the construction, maintenance, operation or control of,

(i) any works of a Contracting Government ancillary to the works constructed pursuant to this Agreement or the former Agreement, and

(ii) any preventative or remedial works of a Contracting Government necessitated by, or arising from, the con-

struction or operation of works constructed pursuant to this Agreement or the former Agreement,

(b) the acquisition by a Contracting Government of any interest in land necessary for the construction, maintenance, operation or control of those ancillary, preventative or remedial works, or for the provision of flood easements, and

(c) remedying any actual or anticipated damage or injury occasioned by the construction, maintenance, operation or control of any works provided for in this Agreement or the former Agreement,

provided that the Commission shall first obtain the consent of the Contracting Governments before meeting, or contributing to, the costs of, or associated with, the construction of any ancillary, preventative or remedial work estimated to cost in excess of $250 000.

Preparation and submission of designs, etc. for Commission approval

35. (1) Whenever a Contracting Government is nominated to construct a work pursuant to this Agreement, that Contracting Government shall cause to be prepared and submitted to the Commission for its approval a general scheme of the work to be constructed, and before commencing the construction of that work shall cause to be prepared and submitted to the Commission for its approval the necessary designs, specifications and estimates of that work.

(2) The Commission may approve the said general scheme, designs, specifications or estimates with or without alterations or additions, or may, from time to time, refer them or any of them for amendment to the Contracting Government submitting them. The construction of the work shall be carried out in accordance with the designs and specifications approved by the Commission and with any directions given by the Commission pursuant to clause 37.

(3) The Commission shall furnish information to the Contracting Governments in relation to the design and construction of any work estimated to cost more than $1 000 000 and work shall not proceed unless the Contracting Governments are satisfied that the design and construction of the work are in accordance with the purposes for which the work was proposed. For the purposes of this sub-clause, "design" means general design which illustrates the nature and extent of the work and "construction" implies construction in accordance with the said design.

Commission and Government approval of certain tenders

36. (1) A Constructing Authority shall obtain the approval of the Commission before accepting any tender exceeding $1 000 000 in respect of any work to be constructed pursuant to this Agreement, and the approval of the Commission shall not be given without the prior approval of each of the Contracting Governments.

(2) If, after a tender referred to in sub-clause 36 (1) has been accepted, changes in the concept or design, or the concept and design, of the works included in that tender cause the total estimated cost of those works at the time of acceptance of the tender to rise by more than 10% above that total estimated cost, the Commission shall forthwith notify the Contracting Governments accordingly and shall direct the Constructing Authority to suspend further work unless the Contracting Governments have within six months after the Commission's notification agreed that work should proceed.

Directions for the efficient construction etc. or works

37. The Commission shall have full power to give directions to ensure the efficient construction, operation and required performance of all works constructed pursuant to this Agreement or the former Agreement and to order and direct—

(a) the rate of progress of works whether of construction or maintenance;

(b) the method and extent of maintenance of works;

(c) if necessary, what works shall be regarded as works of construction or of maintenance; and

(d) such acts and things as it considers necessary for ensuring the due observance of this Agreement;

and any directions so given shall be carried out by the Constructing Authority.

Completion of Chowilla Reservoir

38. Completion of the construction of the Chowilla Reservoir referred to in Schedule A shall be deferred until the Contracting Governments agree that the work shall proceed.

States to facilitate construction and operation within their territories

39. A Contracting Government within whose State any works for the purposes of this Agreement are to be, or are being, or have been, constructed by another Contracting Government, or an authority constituted or appointed for the purpose of that construction by another Contracting Government, shall grant to the Contracting Government or Constructing Authority all such powers, licences and permissions in and to the use of, or with respect to, its territory as may be necessary for the construction, maintenance, operation and control of those works and for carrying out any operations authorised by this Agreement.

Works for benefit of State Contracting Governments

40. If any one of the State Contracting Governments desires to carry out on the bed of, or within the banks of, the River Murray any work other than the works provided for in this Agreement, either as a work of the State of that State Contracting Government, or as a joint work with another State Contracting Government, particulars of the proposal, including plans of the proposed work, shall be submitted by that State Contracting Government, or those State Contracting Governments, to the Commission. The Commission may approve the proposed work with or without alteration and if the proposed work provides for the storage of water or will affect the flow, use, control or quality of the water of the River Murray, the Commission may, from time to time, stipulate conditions under which the said work shall be operated or controlled insofar as regulation of the river flow, or the quality of water, may be affected, and the whole cost of construction, maintenance, operation and control of the said work shall be borne by the State Contracting Government or State Contracting Governments concerned, as may be agreed upon between them, and the State Contracting Government which operates and controls the work shall cause it to be operated and controlled in such manner as may, from time to time, be required by the Commission.

Declaration that works effective

41. At any time after the commencement of the construction of any work described in Schedule A or authorised pursuant to sub-clause 33 (1),

the Commission may declare that work to be effective for the purposes of this Agreement.

Maintenance of works

42. Where a Contracting Government has been nominated to construct a work pursuant to this Agreement or the former Agreement, that Contracting Government shall maintain the work so constructed and keep the same effective for the purpose for which it was designed, unless that work shall have been declared to have become ineffective in accordance with clause 47.

Procedures for operation and control of works

43. The Commission may, from time to time, determine procedures for the operation and control of works constructed pursuant to this Agreement, or the former Agreement.

Dredging and snagging

44. (1) Where any weir has been constructed pursuant to this Agreement, or the former Agreement, the Commission may from time to time, at its discretion, determine that dredging or snagging in the River upstream of that weir shall be carried out within such distance from that weir as the Commission shall determine, but not exceeding the distance to which the navigability of the River Murray is affected by that weir. The Contracting Government which constructed that weir shall, at its own cost, carry out such dredging or snagging as the Commission may determine.

(2) Notwithstanding the provisions of sub-clause 44 (1), the Commission may, in its absolute discretion, agree to bear the whole or part of the cost of the said dredging and snagging.

(3) For the purposes of this clause, "weir" includes a weir and lock or a barrage in any of the channels at the mouth of the River Murray.

Operation and control of works

45. The works constructed by a Contracting Government under this Agreement, or the former Agreement, shall be operated and controlled by that Contracting Government in accordance with procedures determined by the Commission pursuant to clause 43; and that Contracting Government, in the case of a lock constructed pursuant to this Agreement, or the former Agreement, shall at all times maintain immediately upstream thereof a depth of water sufficient for navigation by vessels drawing 1.4 metres of water or such other depth of water as may be determined by the Commission under clause 105 provided that the requirement as to depth shall not apply during the time that lock is closed for maintenance or during a situation of emergency which renders it impracticable to maintain the required depth of water at that lock.

Performance of joint duties

46. Where, pursuant to this Agreement, the duty of maintaining, operating or controlling any works, or of carrying out any operation, is to be performed by any two Contracting Governments jointly, any questions which may arise as to which of those Contracting Governments is to perform that duty, or to carry out that operation, shall, unless mutually agreed upon between them, be determined by the Commission.

Ineffective works

47. The Commission may at any time declare that the whole or any part of any of the works constructed, maintained, operated or controlled pursuant to this Agreement, or the former Agreement, has become ineffective for the purposes of this Agreement, whereupon, if requested to do so by the Commission, the State Contracting Government responsible for the maintenance, operation and control of that work shall dismantle so much of that work as the Commission may require.

PART VI

(4) Whenever any special action is taken under sub-clause 31 (5), the Commission shall determine whether the cost of that special action is to be borne by the Contracting Governments in equal shares or by the State Contracting Governments in equal shares.

Financial year

49. The financial year of the Commission shall commence on the first day of July in one year and finish on the 30th day of June in the succeeding year.

Detailed estimates of expenditure

50. (1) In the month of March in each year the Commission shall prepare detailed estimates (being estimates in such form as may from time to time be agreed by the Commission and the Contracting Governments) of its known and anticipated expenditure for the forthcoming financial year under the following heads—

(a) the matters referred to in paragraphs 48 (1) *(a)*, *(b)* and *(c)*,

(b) the matters referred to in sub-clause 48 (2),

(c) the matters referred to in paragraph 48 (1) *(d)*, and

(d) all other expenses of the Commission not included under paragraphs 50 (1) *(a)*, *(b)* or *(c)*.

(2) The detailed estimates of expenditure shall show the share to be contributed by each Contracting Government.

(3) Prior to the 31st day of March in each year, the Commission shall forward a copy of the detailed estimates of expenditure to each of the Contracting Governments.

Excess expenditure

51. (1) If, in the opinion of the Commission, it is necessary in any financial year to provide for any expenditure in excess of the amount set out in the detailed estimates of expenditure and for which provision cannot be made under sub-clause 64 (2), the Commission shall prepare a detailed estimate of that excess expenditure (being an estimate in such form as may from time to time be agreed by the Commission and the Contracting Governments) showing the share to be contributed by each Contracting Government.

(2) A copy of the detailed estimate of excess expenditure shall be forwarded to each Contracting Government.

Forward estimates

52. (1) Whenever the Commission prepares a detailed estimate of expenditure under clause 50 in respect of a financial year, it shall, at the same time, prepare forward estimates of its known and anticipated expenditure in respect of the three year period comprising that financial year and the two financial years next ensuing after that financial year.

(2) Each forward estimate shall be in the same form as a detailed estimate of expenditure prepared under clause 50 and the Commission shall forward a copy thereof to each Contracting Government prior to the 31st day of March in each year.

Payments by Contracting Governments

53. Each Contracting Government shall provide the share to be contributed by it under the detailed estimates of expenditure or a detailed estimate of excess expenditure and shall pay so much of the same as is required by the Commission before the expiration of the twelve month period to which those estimates apply, provided that the Commission shall not require the payment of moneys relating to the construction of the works referred to in sub-clause 33 (1) until the construction of those works has been authorised in accordance with that sub-clause.

Payments by Commission to States

54. (1) In accordance with the detailed estimates of expenditure or a detailed estimate of excess expenditure prepared by the Commission pursuant to clause 50 or 51, the Commission shall in each year pay to any Constructing Authority required by this Agreement to construct, maintain, operate or control any works or to carry on any operation an amount sufficient to defray the cost to be incurred by that Constructing Authority for those purposes in that year or, in the case of the cost referred to in paragraph 114 *(b)*, three-quarters of that cost.

(2) The amounts to be paid to a Constructing Authority pursuant to sub-clause 54 (1) shall be paid at such times and in such manner as may be agreed between the Commission and that Constructing Authority provided that no amount shall be paid to a Constructing Authority for construction

of works referred to in sub-clause 33 (1) until the construction of those works has been authorised in accordance with that sub-clause.

Unexpended balances

55. (1) Whenever any moneys, which have been paid to the Commission by a Contracting Government pursuant to clause 53, remain unexpended at the end of the financial year in respect of which they were paid, those moneys shall be retained by the Commission but shall cease to be available for expenditure by the Commission in accordance with the estimates of expenditure for that financial year.

(2) The Commission shall, within a reasonable time after the commencement of the next financial year, furnish details of the unexpended moneys to that Contracting Government and notify that Contracting Government that it now holds the unexpended moneys as part of the share to be contributed under clause 53 by that Contracting Government for the next financial year.

(3) On giving the notice referred to in sub-clause 55 (2), the unexpended moneys shall become available for expenditure in accordance with the estimates of expenditure for the next financial year.

(4) For the purposes of this clause:

"the estimates of expenditure" means a detailed estimate of expenditure, or a detailed estimate of excess expenditure, or both, as the case may require,

"the next financial year" means the financial year next following the financial year referred to in sub-clause 55 (1), and

"the unexpended moneys" means the unexpended moneys referred to in sub-clause 55 (1).

Disposal of surplus assets

56. The Commission shall, whenever appropriate, determine the time and manner of disposal of surplus assets acquired by the Commission, or by a Constructing Authority with funds made available by the Commission, and shall also determine the manner in which the proceeds from that disposal shall be distributed among the Contracting Governments.

Proper accounts to be kept

57. The Commission shall cause to be kept proper accounts and records of the transactions and affairs of the Commission and shall do all things necessary to ensure that all payments out of its moneys are correctly made and properly authorised and that adequate control is maintained over the assets of, or in the custody of, the Commission and over the incurring of liabilities by the Commission.

List of assets

58. The Commission shall cause to be kept a list of the assets acquired by—

(a) the Commission, and

(b) a Constructing Authority with funds made available by the Commission,

provided that, if the Commission is satisfied that proper records of the assets acquired by a Constructing Authority with funds made available by the Commission are kept by that Constructing Authority and that copies of those records will be made available to the Commission whenever the Commission so requests, the Commission may decide not to keep a list of those assets.

Audit

59. (1) The accounts and records of financial transactions of the Commission and records relating to assets of, or in the custody of, the Commission

(a) shall, at least once in each year, be inspected and audited by the Commonwealth auditor, who shall forthwith draw the attention of each Contracting Government to any irregularity disclosed by the inspection and audit that is, in his opinion, of sufficient importance to justify his so doing, and

(b) may, at any reasonable time, be inspected and audited by a State auditor.

(2) The Commonwealth auditor may, at his discretion, dispense with all or any part of the detailed inspection and audit of any accounts or records referred to in sub-clause 59 (1).

(3) The Commission shall, at all reasonable times, allow the Commonwealth auditor, or a State auditor, or a person authorised by either of them, to have full and free access to all accounts and records of the Commission relating directly or indirectly to the receipt or payment of moneys by the Commission or to the acquisition, receipt, custody or disposal of assets by the Commission.

(4) The Commission shall permit the Commonwealth auditor or a State auditor, or a person authorised by either of them, to make copies of, or take extracts from, any such accounts or records.

(5) The Commission shall, and shall ensure that its officers shall, furnish to the Commonwealth auditor, a State auditor, or a person authorised by either of them, such information in the possession of the Commission or any of its officers, or to which the Commission or that officer has access, as the Commonwealth auditor, a State auditor or authorised person considers necessary for the purposes of the functions of the Commonwealth auditor or a State auditor under this clause.

(6) A report of the result of any inspection and audit under this clause shall be furnished to each Contracting Government and to the Commission by the person making that inspection and audit.

Commission to account

60. The Commission shall account to the Contracting Governments for all moneys received by the Commission from the Contracting Governments under or for the purposes of this Agreement.

Contracting Governments to account

61. Each Contracting Government shall, and shall ensure that an authority of that Contracting Government shall, account to the Commission for all moneys received by that Contracting Government, or that authority, from the Commission under or for the purposes of this Agreement.

Bank accounts

62. (1) The Commission may open and maintain an account or accounts with a bank or banks selected by the Commission and shall maintain at all times at least one such account.

(2) The Commission shall pay all moneys received by it into an account referred to in sub-clause 62 (1).

Investment

63. (1) Moneys of the Commission not immediately required for the purposes of this Agreement may be invested by the Commission on fixed deposit with a bank selected by the Commission.

(2) Any interest received by the Commission on moneys invested pursuant to sub-clause 63 (1) shall be retained by the Commission until the end of the financial year in which it was received and,

(a) if the moneys in respect of which that interest was received were contributed by all the Contracting Governments, or by a State Contracting Government pursuant to clause 65, distribute that interest to the Contracting Governments in equal shares, and

(b) if the moneys in respect of which that interest was received were contributed only by the State Contracting Governments, or by one of them pursuant to clause 66, distribute that interest to the State Contracting governments in equal shares.

(3) The Commission may agree with a Contracting Government that, instead of distributing to that Contracting Government the moneys it would be entitled to receive under sub-clause 63 (2), the Commission shall retain those moneys and set them off against the amounts to be paid under clause 53 by that Contracting Government to the Commission during the next financial year.

Application of moneys by Commission

64. (1) Subject as hereinafter provided in this clause, the Commission shall apply moneys received by it pursuant to clause 53 only in accordance with the detailed estimates of expenditure or the detailed estimates of excess expenditure, as the case may be.

(2) *(a)* For the purposes of this sub-clause—

"estimated amount" in respect of the first item or the second item means the amount set opposite to that item in a detailed estimate of expenditure as the amount to be expended on that item in the financial year to which that detailed estimate of expenditure relates,

"the first item" means an item appearing under one of the heads set out in sub-clause 50 (1) in the same detailed estimate of expenditure in which the estimated amount appears, and

"the second item" means an item, not being the first item, appearing in the same detailed estimate of expenditure and under the same head as the first item.

(b) If the Commission is satisfied that, in a financial year,

(i) the actual amount required to be expended on the first item shall be less than the estimated amount for that item, and

(ii) the actual amount required to be expended on the second item shall be greater than the estimated amount for that item,

the Commission may, at its discretion, expend on the second item so much of the estimated amount for the first item as is not required for expenditure on the first item.

(3) The Commission shall, at the end of each financial year, notify to the Contracting Government details of moneys it has expended pursuant to sub-clause 64 (2) during that financial year.

(4) When, in any financial year, a detailed estimate of excess expenditure has been prepared and forwarded to each Contracting Government in accordance with clause 51 that detailed estimate of excess expenditure shall, for the purposes of sub-clause 64 (2), be read as being incorporated in, and forming part of, the detailed estimate of expenditure for the same financial year.

Revenue

65. If a Contracting Government or an authority of that Contracting Government receives moneys (other than tolls referred to in clause 66) from any person arising out of the use by that person of any works constructed for the purposes of this Agreement, or the former Agreement, that Contracting Government shall, or shall ensure that that authority shall, pay those moneys to the Commission which shall retain them until the end of the financial year in which they were received by the Commission when the Commission shall distribute those moneys to the Contracting Governments in equal shares.

Tolls

66. (1) A State Contracting Government shall collect all tolls which are prescribed by the Commission for the use of weirs and locks which have been constructed for the purposes of this Agreement, or the former Agreement, and which are operated and controlled by that State Contracting Government pursuant to clause 45 and shall not otherwise collect tolls in respect of navigation on the River Murray.

(2) Whenever a State Contracting Government collects a toll prescribed by the Commission, it shall pay the amount collected without deduction to the Commission which shall retain that amount until the end of the financial year in which it was received by the Commission when the Commission shall distribute that amount to the State Contracting Governments in equal shares.

Compensation for damage by works

67. Where, pursuant to any Act approving this Agreement, a Constructing Authority has made compensation for any damage occasioned by, or arising out of, anything done by it in constructing, maintaining, operating or controlling any works provided for in this Agreement, the amount of that compensation, to the extent that it has not been met, or contributed to, by the Commission under paragraph 34 *(c)*, shall be contributed by the Contracting Governments in equal shares.

PART VII

REPORTS

Preparation of reports

68. (1) The Commission shall, as soon as practicable after the 30th day of June in each year, prepare and submit to each of the Contracting Governments in respect of the financial year ending on that date its financial statements together with a report as to—

(a) its proceedings;

(b) the operations carried on by it or under its orders, with particular reference to—

(i) the measurement of the flow of the River Murray and its tributaries,

(ii) the measurement and monitoring of the quality of water, and

(iii) deliveries of water;

(c) the effect of the diversions to the said 30th day of June on the flow of the River Murray and its tributaries;

(d) the construction, operation and maintenance of all works constructed pursuant to this Agreement or the former Agreement;

(e) its administration generally; and

(f) the condition of the catchment of the Hume Reservoir and any action taken by the Commission to protect from erosion the catchment thereof pursuant to clause 31.

(2) Before submitting financial statements to the Contracting Governments, the Commission shall submit them to the Commonwealth auditor who shall report to each of the Contracting Governments—

(a) whether, in his opinion, the statements are based on proper accounts and records,

(b) whether the statements are in agreement with the accounts and records,

(c) whether, in his opinion, the receipt, expenditure and investment of moneys, and the acquisition and disposal of assets, by the Commission during the year have been in accordance with this Agreement, and

(d) as to such other matters arising out of the statements as the Commonwealth auditor considers should be reported to the Contracting Governments.

(3) Reports and statements to be submitted pursuant to sub-clause 68 (1) shall be addressed to the Govenor-General or the Governor (as the case may require).

PART VIII

PROCEEDINGS IN DEFAULT

Failure to perform works or contribute cost

69. (1) If any Contracting Government (in this clause called "the defaulting Government") whose duty it is under this Agreement, or under any direction issued in accordance with this Agreement, to construct, or to continue the construction of, or to maintain, operate or control, any works, or to carry on any operation, or to make a payment to the Commission which it is required to make under clause 53, refuses or neglects to do so after being thereunto required by the Commission, the Commission shall immediately notify to each of the other contracting Governments particulars of the default.

(2) If the default relates to the construction of, or to the continuation of the construction of, or to the maintenance, operation or control of, any works, or to the carrying on of any operation, the Contracting Governments that are not in default and each of them, with the approval of the Commission,

(a) may, without prejudice to their or its other rights under this Agreement, enter upon the territory of the defaulting Government and construct, or continue and complete the construction of, or maintain, operate or control, the whole of those works (or any part thereof specified by the Commission), or carry on that operation (or any part thereof specified by the Commission) and shall be deemed to have all such powers, licences and permissions as are required from the defaulting Government to construct, maintain, operate or control those works or to carry on that operation and shall be entitled, in place of the Constructing Authority required by this Agreement to construct, maintain, operate or control those works, or to carry on that operation, to receive the moneys payable to that Constructing Authority under clause 54 in respect of that construction, maintenance, operation, control or carrying on, and

(b) may, in any court of competent jurisdiction, recover as a debt from the defaulting Government all moneys reasonably expended by them or it in doing any of the things referred to in paragraph 69 (2) *(a)* in excess of the moneys paid to them or it by the Commission under that paragraph, together with interest thereon at the prescribed rate.

(3) For the purpose of any act or thing to be done under sub-clause 69 (2), the Contracting Governments that are not in default and each of them shall have the rights and powers of a Constructing Authority, but the defaulting Government shall, on the completion of such act or thing and the payment of all moneys payable by it under sub-clause 69 (2), be deemed to be the Constructing Authority.

(4) If the defaulting Government defaults in the payment by the due date for payment of a sum of money which it is required under clause 53 to pay to the Commission, the defaulting Government shall be liable to pay interest to the Commission on the amount of the overdue payment at the prescribed rate, and the Contracting Governments that are not in default and each of them shall have the right (but not the obligation) at any time to pay to the Commission any unpaid sum with accrued interest thereon on behalf of the defaulting Government. Any amount paid by a Contracting Government not in default on behalf of the defaulting Government (together

with interest thereon at the prescribed rate calculated from the date of such payment to the Commission by the Contracting Government that is not in default) shall constitute a debt due and payable by the defaulting Government to the Contracting Government that made the payment and shall be recoverable accordingly in any court of competent jurisdiction.

(5) Any interest received by the Commission under this clause shall be paid—

(i) to the Contracting Governments not in default in equal shares, if the moneys in respect of which the interest was received were moneys which the defaulting Government was required to pay in respect of any of the matters referred to in sub-clause 48 (1), or

(ii) to the State Contracting Governments not in default in equal shares, if the moneys in respect of which the interest was received were moneys which the defaulting Government was required to pay in respect of any of the matters referred to in sub-clause 48 (2).

(6) For the purposes of this clause, "the prescribed rate" shall be a rate of 2% per annum above the maximum overdraft rate fixed by the Reserve Bank of Australia for amounts of $100 000 or less and applicable at the time payment became due or, if no rate is so fixed, a rate of 4% per annum above the rate payable on Commonwealth securities of the longest term offered for public subscription in Australia for the Commonwealth cash loan opened next before the time the payment became due.

(7) Any interest payable under this clause shall be calculated from the due date for payment of the said sum to the date of actual payment, whether payment is made by the defaulting Government or on its behalf.

DIVISION 2—STATE ENTITLEMENTS TO WATER

Measurement of South Australia's entitlement

72. (1) Water flowing in the River Murray past the eastern boundary of the State of South Australia shall be deemed to be supplied to and received by that State.

(2) The quantity of water so flowing in any month shall be deemed to be the sum of the quantities, as determined by the Commission by appropriate measurements, flowing in the same month in—

(i) the River Murray between the confluences of the Rufus and Lindsay Rivers with the River Murray, and

(ii) the Lindsay River near its confluence with the River Murray

or shall be determined in such other manner as the Commission may from time to time decide.

South Australia's monthly entitlement

73. The State of South Australia shall be entitled to receive—

(a) at times other than a period of restriction, the following monthly quantities:

July	108 500 megalitres
August	124 000 megalitres
September	135 000 megalitres
October	170 500 megalitres
November	180 000 megalitres
December	217 000 megalitres
January	217 000 megalitres
February	194 000 megalitres
March	186 000 megalitres
April	135 000 megalitres
May	93 000 megalitres
June	90 000 megalitres

(b) during a period of restriction, monthly quantities equal to the lesser of:—

(i) the monthly quantities to which the State of South Australia is entitled under clause 108, and

(ii) the monthly quantities set out in paragraph 73 *(a)* for the months occurring in that period.

Variation of South Australia's entitlements

74. The Commission may from time to time, at the request of the Commissioner for South Australia, vary for a specified sequence of months any of the monthly quantities which that State is entitled to receive under clause 73 without increasing the total of those quantities for that sequence.

Use of Lake Victoria

75. If the Commission decides that the flow or prospective flow of the River Murray downstream of its junction with the Great Darling Anabranch is, or will be for any month in excess of the sum of—

(a) the quantities which the State of South Australia is entitled to receive in that month under clause 73 or 74;

(b) any quantitites which, in the opinion of the Commission, ought to be and can be impounded in Lake Victoria during that month with the object of filling that storage at some time before the end of the next ensuing month of May; and

(c) any quantities required for use by the upper States, downstream of the junction of the River Murray and the Great Darling Anabranch,

the State of South Australia may receive that excess in addition to the quantity of water which it is entitled to receive under clause 73 or 74.

Surplus flow to South Australia

76. The quantity of water that the State of South Australia is entitled to receive in any month shall not be diminished by reason of it having received in any previous month a greater quantity than it was entitled to receive under clause 73 or 74.

Entitlements of New South Wales and Victoria

77. (1) Subject to the supply to the State of South Australia of the quantities of water that that State is entitled to receive under clause 73 or 74, each of the upper States shall, except as otherwise expressly provided in Division 4 of this Part, be entitled to:

(a) the full use of all tributaries in its territory flowing to but not forming part of the upper river and shall have the right to divert, store and use the flows thereof, before their entry to the upper river;

(b) half the waters of the upper river upstream of Doctors Point, including any waters diverted thereto by works of the Authority.

(c) half the waters entering the Menindee Lakes from the Darling River, subject to the prior entitlement of the State of New South Wales to use water from the Menindee Lakes Storage as provided in clause 78; and

(d) subject to paragraph 77 (1) *(c)*, the full use from the upper river of water arriving at the point of use and contributed by any tributary, or any outfall approved by the Commission, entering the upper river from its territory downstream of Doctors Point;

(2) Entitlements under sub-clause 77 (1) shall not be affected by the declaration of a period of restriction except as specifically provided in clause 95 and Division 5 of this Part.

New South Wales' entitlement to water from Menindee Lakes

78. (1) At any time after the quantity of water stored in the Menindee Lakes Storage is reduced to less than 480 000 megalitres and until the quantity of water so stored next exceeds 640 000 megalitres, the State of New South Wales may use the water so stored as it requires.

(2) At any time when sub-clause 78 (1) does not apply, the State of New South Wales may as it requires divert from or release from the water stored in the Menindee Lakes Storage 125 000 megalitres in any period of 12 months commencing on the first day of July.

(3) During any period for which the Commission determines that the spills from the Menindee Lakes Storage exceed the amount required by the Commission for storage in Lake Victoria and to supply the State of South Australia's entitlement, including any period when water is being released from the Menindee Lakes Storage solely to provide space for the retention of floodwaters, any water diverted by the State of New South Wales from the Menindee Lakes Storage or from water spilling therefrom or released therefrom to provide space for the retention of floodwaters shall not be considered as diverted from that State's entitlement under sub-clause 78 (2).

New South Wales' and Victoria's supply to South Australia

79. From the waters available to them under clauses 77 and 78, the upper States shall contribute, in equal proportions, the quantities of water which the State of South Australia is entitled to receive under clause 73 or 74.

Limitations on use by New South Wales and Victoria

80. Unless the Commission otherwise agrees, neither of the upper States shall use water from the upper river to the extent that, at the 31st day of May next ensuing, the volume of water in the upper river storages and allocated to that State will be less than half the volume of the reserve determined under clause 85.

DIVISION 3—CONTROL BY COMMISSION

Commission's role in operation of storages

81. (1) Release of water from the upper river storages shall be in accordance with such directions as the Commission may issue from time to time. Without limiting the generality of clauses 43 and 45, the Commission may issue such directions in the form of standing procedures and, subject to clause 84, may at any time amend or suspend the whole or any part of such procedures.

(2) In determining any direction to be issued under this clause—

(a) the Commision shall have regard to—

(i) maintaining the supply to the State of South Australia of the quantities of water that that State is entitled to receive,

(ii) maintaining a reserve of water as provided for in clause 85, and

(iii) facilitating the exercise by the upper States, as they require, of their respective rights to use water from the upper river, and

(b) subject to clause 83, the Commission may have regard to—

(i) the improvement or maintenance of the quality of the waters in the upper river or in the River Murray downstream of the eastern boundary of the State of South Australia, and

(ii) the pursuit of any other water management objectives consistent with this Agreement.

Limitations on Menindee Lakes operation

82. (1) No direction under clause 81 shall require the release of water from the Menindee Lakes Storage at any time after the volume of water stored therein is reduced to less than 480 000 megalitres until that volume next exceeds 640 000 megalitres.

(2) Any direction of the Commission requiring the release of water from the Menindee Lakes Storage when sub-clause 82 (1) does not apply, shall be determined by a majority vote of the four Commissioners or, if the four Commissioners are equally divided, by the casting vote of the Commissioner for the Commonwealth.

Accounting for releases for dilution

83. (1) No direction under clause 81 issued solely for the purposes referred to in paragraph 81 (2) *(b)* shall require the release of water from any upper river storage, unless—

(a) the release of water is in accordance with sub-clause 83 (2) or 83 (3), or

(b) the Commission has determined how much of the volume to be released under its direction is to be contributed from water allocated respectively to the States of New South Wales and Victoria. In such a determination the Commission shall have consideration to the quality of the water entering the upper river below Doctors Point.

(2) The flow passing Torrumbarry Weir shall, as far as possible, be regulated so as to prevent the electro-conductivity of the river water at Swan Hill exceeding 500 microsiemens per centimetre at twenty-five degrees Celsius, but, unless the Commission directs otherwise, such flow shall not be required to exceed 3 900 megalitres per day except when needed to meet downstream water requirements.

(3) The flow passing Euston Weir shall, as far as possible, be regulated so as to prevent the electro-conductivity of the river water at Merbein exceeding 500 microsiemens per centimetre at twenty-five degrees Celsius, but, unless the Commission directs otherwise, such flow shall not be required to exceed 2 450 megalitres per day plus the combined diversion requirements of the pumping districts of Red Cliffs, First Mildura Irrigation Trust, Merbein, Coomealla and Curlwaa, except when needed to meet downstream water requirements.

Procedures for Dartmouth Dam operation

84. Insofar as procedures for the operation and control of Dartmouth Reservoir affect the release of water through the power station of that Reservoir, the Commission may not amend such procedures or, except in an emergency, suspend any part of such procedures, without prior consultation with the State Electricity Commission of Victoria and the Constructing Authority for Victoria.

Reserve storage

85. The Commission may from time to time determine the volume of a reserve of water to be held in the upper river storages at the 31st day of May next ensuing; provided that, unless the Commission otherwise determines, the volume of such reserve shall be 2 500 000 megalitres of which not less than 250 000 megalitres shall be in Lake Victoria.

Use of State works to convey Murray water

86. Subject to such terms and conditions as may be agreed between the Commission and an upper State, the Commission may arrange for the conveyance of water from one part to another of the upper river via works under the control of that State.

DIVISION 4—WATER ACCOUNTING

General

87. For the purpose of giving effect to the principles set out in the preceding Divisions of this Part, the following provisions shall apply.

Allocation of water to New South Wales and Victoria

88. (1) In respect of any period, a quantity of water estimated by the Commission as—

(a) the quantity of water which would have flowed in the River Murray past Doctors Point in that period but for the effect during that period of diversions to or from, and impoundments on, the upper river upstream of Doctors Point, plus

(b) the quantity of water diverted by works of the Authority to the upper river upstream of Doctors Point from beyond the natural boundaries of the catchment thereof

shall be allocated between the upper States as provided in sub-clause 88 (2).

(2) The quantity of water estimated for any month in accordance with sub-clause 88 (1) shall be allocated as follows—

(a) for any of the months from May through to August inclusive, the whole quantity shall be allocated half each to the States of New South Wales and Victoria;

(b) for any of the months from September through to April inclusive;

(i) during any period of restriction, the first 12 900 megalitres per month (being equivalent to the ceding by the State of Victoria to the State of New South Wales of a volume of 6 450 megalitres per month), and

(ii) at any other time, the first 16 700 megalitres per month (being equivalent to the ceding by the State of Victoria to the State of New South Wales of a volume of 8 350 megalitres per month)

shall be allocated to the State of New South Wales, and the remainder shall be allocated half each to the States of New South Wales and Victoria.

Allocation of water in Menindee Lake Storage

89. Of the quantity of water which in any period enters the Menindee Lakes Storage from the Darling River, an amount shall be allocated to the State of New South Wales equal to the amount to which that State is entitled during that period under sub-clause 78 (1) or 78 (2) and the remainder shall be allocated half each to the States of New South Wales and Victoria.

Tributary inflows

90. The quantity of water which in any period enters the upper river downstream of Doctors Point from a tributary, or from any artificial outfall

approved by the Commission for the purposes of this clause, other than quantities referred to in clause 89, shall be allocated to the upper State from which the water enters the upper river.

Use by New South Wales and Victoria of allocated water

91. Any quantity of water diverted from the upper river by offtakes under the jurisdiction of an upper State shall be deemed to be used by that State, unless otherwise determined by the Commission.

Snowy diversions out of Murray catchment

92. Any quantity of water diverted by works of the Authority from the Tooma River to the Eucumbene Storage and the Tumut River or from the Geehi River to the Snowy River shall be deemed to be used half each by the upper States.

Losses

93. Any quantity of water which is lost by evaporation or percolation or other means from the upper river shall be deemed to be used by the upper States and, unless otherwise determined by the Commission, shall be deemed to be used half each by those States or in such proportions as the Commission may from time to time determine.

New South Wales' and Victoria's supply to South Australia

94. For the purposes of this Division, any quantity of water supplied to the State of South Australia in any month and which that State is entitled to receive under clause 73 or 74 shall be deemed to be supplied half each by the upper States and the Commission shall make appropriate adjustments to allocations between the upper States of water in the upper river so as to give effect to those States' obligations under clause 79.

Deferment of continuous accounting of carryover of stored water

95. Unless the Commission otherwise determines, the quantity of water in the upper river storages, being water available for release at the direction of the Commission—

(a) at the commencement of any period of restriction, and

(b) at the 1st day of July in every year in which a period of restriction does not exist on the 1st day of July

shall be deemed to be water allocated half each to the upper States.

Reallocation of water between upper States

96. (1) By agreement between the Commissioners for New South Wales and Victoria, any quantity of water allocated to one upper State and in store in any of the upper river storages or in transit in a specified part of the upper river, may be exchanged for a quantity of water allocated to the other upper State and in store in another of the upper river storages or in transit in another specified part of the upper river, if such an exchange of water does not prejudice the entitlement of the State of South Australia.

(2) The Commission may at any time, with the consent of an upper State, determine that certain quantities of water in transit in the upper river are surplus to the requirements of that State and reallocate the whole or part of such quantities from that State to the other upper State.

Accounting for quality of inputs from State tributaries and for Snowy Scheme

97. (1) The quantities of water allocated to the upper States may be adjusted by the Commission having regard to the quality of each State's tributary inputs to the upper river. To this end, the Commission shall as soon as practicable bring into effect, and may from time to time amend, rules for the adjustment of the quantities of water allocated to the States of New South Wales and Victoria having regard to the quality of water entering the upper river downstream of Doctors Point from tributaries and from any artificial outfalls.

(2) The Commission may adjust the quantities of water allocated to the States of New South Wales and Victoria under paragraph 88 (1) *(b)* having regard to any extraordinary aspects of operation of the Snowy Scheme.

To provide efficient regulation of the Murray River

98. Any water used by an upper State or supplied to the State of South Australia by an upper State shall be deemed to be provided from water allocated to that upper State and the Commission may, as necessary to ensure the availability of appropriately allocated water at the place of such use or supply, reallocate quantities of water in the upper river but shall not thereby alter the total quantities of water allocated to the respective upper States in the upper river.

Accounting procedures

99. Subject to clauses 95, 96, 97 and 98, the quantity of water in any part of the upper river and which is allocated to an upper State shall be deemed—

(a) to increase in any period by the quantity of water allocated to that State flowing into that part in that period, and

(b) to decrease in any period by any quantities of water—

(i) used by that State by way of diversion or loss from that part in that period, or

(ii) passed from that part in that period for

— downstream use by that State,

— supply by that State to the State of South Australia,

— conveyance to another part of the upper river as water allocated to that State, or

(iii) released from that part in that period and determined or deemed under paragraph 83 (1) *(b)* or clause 103 to be a release of water allocated to that State, or

(iv) spilled from that part in that period and deemed under clause 100 to be a spill of water allocated to that State.

Accounting for spill from storages

100. Any quantity of water which is spilled from any of the upper river storages, including water released solely to provide space for the retention of floodwaters, shall be deemed to be water spilled out of the waters allocated to the respective upper States, in such proportions as equalises or tends most

to equalise the remaining quantities of water allocated to the respective upper States in that storage.

Accounting for releases through Dartmouth Dam Power Station

101. Any quantity of water which is released from Dartmouth Reservoir through the hydro-electric power station shall be deemed to be released from waters allocated to the respective upper States—

(a) in such proportions as equalises, or tends most to equalise, the remaining quantities of water allocated to the respective upper States in that Reservoir, if the water is released when the storage level in Dartmouth Reservoir is above such level as the Commission may from time to time determine for the purposes of this paragraph, or

(b) in equal proportions, if the water is released otherwise than in the circumstances referred to in paragraph 101 *(a)*.

Reallocation of water in Menindee Lakes Storage

102. At the conclusion of any period during which sub-clause 78 (1) applies, the quantities of water stored in the Menindee Lakes Storage and allocated respectively to the States of New South Wales and Victoria shall be adjusted so that the difference between those quantities becomes the same as the difference in the allocated quantities as at the beginning of that period.

Dilution at Swan Hill and Merbein

103. Until rules have been brought into effect under sub-clause 97 (1), any quantity of water released from an upper river storage in accordance with sub-clause 83 (2) or 83 (3) and in excess of requirements for use by the upper States and for supply to the State of South Australia shall be deemed to be released in equal proportions from water allocated to the upper States, unless otherwise determined by the Commission.

DIVISION 5—PERIODS OF RESTRICTION

Declaration of restrictions

104. The Commission may at any time declare a period of restriction for a specified period of whole months ending not before the 31st day of May next ensuing and may subsequently amend any such declaration, but the Commission shall declare a period of restriction unless it is satisfied that the quantities of water available for release at the direction of the Commission from the upper river storages will not be, at the 31st day of May then next ensuing, below 2 500 000 megalitres of which not less than 250 000 megalitres will be in Lake Victoria or unless it resolves that it is not necessary to do so.

Variation of navigation depths during restrictions

105. When a period of restriction has been declared by the Commission pursuant to clause 104, the Commission may vary the provisions of clause 45 respecting the depth of water to be maintained at the locks constructed pursuant to this Agreement or the former Agreement.

Water under the control of the Commission

106. For the purposes of this Division, "water under the control of the Commission" means the aggregate of—

(a) the water stored in the Hume and Dartmouth Reservoirs at the commencement of the period of restriction;

(b) the water stored in Lake Victoria at the commencement of the period of restriction;

(c) the water available for release from the Menindee Lakes Storage at the direction of the Commission in accordance with clause 82 during the period of restriction, after allowing for New South Wales' prior entitlements under clause 78;

(d) during the period of restriction the runoff from the catchment of the upper river above Doctors Point, excluding water diverted from the Tooma River to the Eucumbene Storage and the Tumut River and from the Geehi River to the Snowy River;

(e) water diverted to the upper river above Doctors Point by works of the Authority during the period of restriction;

(f) the difference between the amount of water in transit in the upper river at the beginning and end of the period of restriction.

Sharing of water during restrictions

107. As soon as practicable after a period of restriction has been declared, and from time to time during that period, the Commission shall—

(a) determine the expected quantity of water under the control of the Commission;

(b) determine the quantity of water which is to be allowed during the period of restriction for—

(i) losses by evaporation, percolation, and other means in the upper river;

(ii) losses by evaporation, percolation, and other means in the River Murray between the eastern boundary of the State of South Australia and the town of Wellington and for dilution in the State of South Australia, but the total quantity of water allowed for under this sub-paragraph shall be 58 000 megalitres per month, unless otherwise determined by the Commission;

(c) determine the quantity to be held in the upper river storages at the end of the period of restriction and available for release at the direction of the Commission;

(d) having regard to its determinations under paragraphs 107 *(a)*, 107 *(b)* and 107 *(c)*, determine the quantity of water (hereinafter called "the available water") available for use by the upper States and for supply to the State of South Australia during the period of restriction.

South Australian share during restrictions

108. (1) Subject to paragraph 73 *(b)*, the restricted entitlement of the State of South Australia during a period of restriction shall be one third of the available water, which shall be distributed between the months of the period of restriction as the Commission determines, plus the monthly quantities described in sub-paragraph 107 *(b)* (ii).

(2) The Commission may vary for a period not exceeding six months at any one time the proportion of one third prescribed in sub-clause 108 (1).

PART X

LAKE VICTORIA WORKS

Power to store water in Lake Victoria

109. Subject to clause 75, the State of South Australia may at all times divert into Lake Victoria for impounding or storing therein, the waters of the River Murray flowing at the site or sites of the offtake or offtakes for diversion into Lake Victoria.

Water stored in Lake Victoria

110. Subject to this Agreement, the State of South Australia will, at the request of the State of New South Wales, permit the reasonable use of the water of the said lake by occupiers of land on the banks of Lake Victoria and by occupiers on the settlement of lands of a total area not exceeding 81 000 hectares in the vicinity of Lake Victoria for domestic purposes, for watering their cattle and other stock and for watering gardens not exceeding 2 hectares in connection with a dwelling house.

PART XI

MENINDEE LAKES STORAGE

Cessation of Menindee Lakes Storage Agreement

111. Upon the coming into effect of this Agreement, the Agreement made between the parties hereto on the 8th day of October 1963 and set out in the Schedule to the Menindee Lakes Storage Agreement Act 1963 of the Commonwealth of Australia shall cease to have effect.

Maintenance of Menindee Lakes Storage

112. The State of New South Wales shall carry out the maintenance necessary to keep the Menindee Lakes Storage and the works associated with it in good order and condition, having regard to the full supply levels and storage capacities referred to in clause 113.

Full supply levels

113. For the purposes of this Agreement, and unless otherwise agreed between the Water Resources Commission of New South Wales and the Commission by the exchange of letters between them, the full supply levels of the Menindee Lakes Storage will be—

Lake Wetherell—Elevation 61.7 Australian Height Datum,

Lake Pamamaroo—Elevation 60.4 Australian Height Datum,

Lake Menindee—Elevation 59.8 Australian Height Datum,

Lake Cawndilla—Elevation 59.8 Australian Height Datum,

corresponding to a total storage capacity of approximately 1 794 000 megalitres.

Financial contributions of Commission

114. The Commission shall pay to the State of New South Wales in respect of each year commencing on the first day of January—

(a) an amount at the rate of $320 000 per annum to be paid by equal quarterly instalments at the end of each quarter, but no payment shall be made in respect of any day or days on which the effective capacity of the Menindee Lakes Storage is less than 740 000 megalitres and an appropriate proportionate deduction shall be made from the quarterly instalment for the quarter in which any such day or days occur; and

(b) three-quarters of the cost during that year of operating the Menindee Lakes Storage and of carrying out the maintenance necessary to keep the said Storage and the works associated with it in good order and condition.

PART XII

EFFECT OF SNOWY MOUNTAINS AGREEMENT

Reconciliation with Snowy Mountains Agreement

115. (1) This Agreement shall operate according to its tenor to define the rights to water in the River Murray and its tributaries of the States of New South Wales, Victoria and South Australia.

(2) The provisions as to sharing of waters contained in this Agreement shall apply to the exclusion of the provisions contained in sub-clause 12 (2) of the Snowy Mountains Agreement.

(3) To the extent to which any provision of this Agreement conferring rights on the State of South Australia to the use of water is inconsistent with the provisions of the Snowy Mountains Agreement, the first mentioned provision shall prevail, and the provisions of the Snowy Mountains Agreement shall be modified accordingly.

(4) Upon the coming into effect of this Agreement—

(a) the reference in clause 11 of the Snowy Mountains Agreement to "the River Murray Commission" shall be deemed to refer to the Commission; and

(b) the references in that clause to "a declared period of restriction within the meaning of clause 51 of the River Murray Agreement" and "the declared period of restriction" shall be deemed to refer to a period of restriction declared pursuant to clause 104 of this Agreement.

(5) Except to the extent provided in this clause, the Snowy Mountains Agreement shall continue in full force and effect.

PART XIII

MISCELLANEOUS

Arbitration

116. (1) Subject to sub-clause 116 (6), if a difference of opinion arises among the Commissioners on any question, not being a question of law, that question, unless the Commissioners concur within the prescribed period after submission by a Commissioner of a resolution thereon, shall, as provided in this clause, be referred for decision to an arbitrator, who shall be appointed by the Contracting Governments.

(2) At the end of the prescribed period, a Contracting Government may give to the other Contracting Governments written notice to concur in the appointment of an arbitrator and to refer that question to that arbitrator for decision.

(3) If the appointment be not made within two months after the giving of that notice, the Chief Justice of the Supreme Court of Tasmania or the person for the time being discharging the duties of that office may, at the request of that Contracting Government, appoint an arbitrator, who shall have the like powers to act in the reference to decide the question as if he had been appointed by the Contracting Governments.

(4) The decision of an arbitrator appointed to decide the question shall be binding on the Commission and the Contracting Governments and shall be deemed to be the decision of the Commission.

(5) For the purposes of this clause, "the prescribed period" shall be a period of two months or such other period, not being more than six months, as is determined by a majority vote of the four Commissioners or, if the four Commissioners are equally divided, by the casting vote of the Commissioner for the Commonwealth.

(6) This clause shall not apply to a question—

(a) before the Commission pursuant to clause 117; or

(b) which has been decided by a majority vote of the four Commissioners, or by the casting vote of the Commissioner for the Commonwealth, pursuant to a provision of this Agreement.

Proposals to amend Agreement

117. The Commission shall from time to time review this Agreement, and if in the opinion of the Commission amendments thereto are necessary or desirable, make recommendations to the Contracting Governments accordingly.

Furnishing information and particulars

118. Each Contracting Government shall furnish or cause to be furnished, to the Commission, at such times as the Commission may require, all such information and particulars as the Commission may require for any of the purposes of this Agreement and as that Contracting Government is able to furnish.

Authorities to observe agreement

119. Whenever an authority of a Contracting Government is constituted or appointed for the purpose of constructing, maintaining, operating or

controlling any works under this Agreement, that Contracting Government shall ensure that that authority shall observe the provisions of this Agreement.

Transitional provisions

120. (1) In this clause:

(9) The Commission may make an order granting or refusing the application or granting the application subject to such limitations, terms or conditions as it thinks fit, and shall serve a copy of the order on the holding co-operative.

(10) Where the applicants are aggrieved by an order made by the Commission, the applicants may, within two months after the service of the order upon the holding co-operative, appeal against the order to the Court.

(11) The Court shall determine the appeal and, in determining the appeal, may make any order that the Commission had power to make on the original application and may exercise any of the powers that the Commission might have exercised in relation to the original application.

(12) Where the directors of a holding co-operative have applied to the Commission for an order under this section, subsection (1) shall be deemed not to apply to or in relation to the subsidiary to which the application relates until the determination of the application and of any appeal arising out of the application.

(13) Where an order is made authorizing a subsidiary to have or to adopt a financial year that does not coincide with that of its holding co-operative, compliance with the terms of the order of the Commission (including any limitations or conditions set out in the order), or, where there has been an appeal, compliance with the terms of any order made on the determination of the appeal, shall be deemed to be compliance with the provisions of subsection (1) in relation to the subsidiary.

(14) Where an application for an order by the Commission under this section has been refused and there is no appeal, or where there has been an appeal and the appeal has been withdrawn or dismissed, the time within which

the directors of the holding co-operative are required to comply with the provisions of subsection (1) in relation to the subsidiary shall be deemed to be the period of twelve months after the date upon which notice of refusal by the Commission is served on the holding co-operative, or, where there has been an appeal that has been dismissed, the period of twelve months after the determination of the appeal.

(15) Where the directors of a holding co-operative have applied to the Commission for an order under this section, and the application has been refused and the appeal (if any) arising out of the refusal has been dismissed, the directors of the holding co-operative are not entitled to make an application under this section with respect to the subsidiary within three years after the refusal of the firstmentioned application or, where there was an appeal, after the dismissal of the appeal, unless the Commission is satisfied that there has been a substantial change in the relevant facts or circumstances since the refusal of the former application or the determination of the appeal, as the case may be.

Surplus and deficiency account, balance-sheet, group accounts and directors' statements.

40. (1) The directors of a registered co-operative shall, not less than fourteen days before an annual general meeting of the co-operative or, if no annual general meeting of the co-operative is held within the period within which it is required by section 34 to be held, not less than fourteen days before the end of that period, cause to be made out—

(a) an account that gives a true and fair view of the result of the operations of the co-operative during the last financial year;

and

(b) an account (being a balance-sheet) that gives a true and fair view of the state of affairs of the co-operative as at the end of that financial year.

(2) Where, at the end of a financial year of a registered co-operative, the co-operative is a holding co-operative, the directors of the co-operative shall, not less than fourteen days before the next annual general meeting of the co-operative or, if no annual general meeting of the co-operative is held within the period after the end of that financial year within which it is required by section 34 to be held, not less than fourteen days before the end of that period, cause to be made out group accounts—

(a) that give a true and fair view of the result of the operations of the co-operative and its subsidiaries for their respective last financial years;

and

(b) that give a true and fair view of the state of affairs of the co-operative and its subsidiaries as at the end of their respective last financial years,

so far as those matters concern members of the holding co-operative.

(3) The directors of a registered co-operative shall take reasonable steps to ensure that the accounts of the co-operative and, if it is a holding co-operative for which group accounts are required, the group accounts are audited as required by this Part not less than fourteen days before the annual general meeting of the co-operative or, if no annual general meeting of the co-operative is held within the period within which it is required by section 34 to be held, not less than fourteen days before the end of that period.

(4) The directors of a registered co-operative shall cause to be attached to, or endorsed upon, the accounts or group accounts in relation to the co-operative the auditor's report relating to those accounts or group accounts, as the case may be, that is furnished to the directors in accordance with section 56.

(5) The directors shall, before the account and balance-sheet referred to in subsection (1) are made out, take reasonable steps—

(a) to ascertain what action has been taken in relation to the writing off of bad debts and the making of provisions for doubtful debts and to cause all known bad debts to be written off and adequate provision to be made for doubtful debts;

(b) to ascertain whether any current assets, other than current assets to which paragraph *(a)* applies, are unlikely to realize in the ordinary course of business their value as shown in the accounting records of the co-operative and, if so, to cause—

(i) those assets to be written down to an amount that they might be expected so to realize;

or

(ii) adequate provision to be made for the difference between the amount of the value as so shown and the amount that they might be expected so to realize;

and

(c) to ascertain whether any non-current asset is shown in the books of the co-operative at an amount that, having regard to its value to the co-operative as a going concern, exceeds the amount that it would have been reasonable for the co-operative to expend to acquire that asset as at the end of the financial year and, unless adequate provision for writing down that asset is made, to cause to be included in the accounts such information and explanations as will prevent the accounts from being misleading by reason of the overstatement of the amount of that asset.

(6) Without affecting the generality of the preceding provisions of this section, the directors of a registered co-operative shall ensure that the accounts of the co-operative and, if it is a holding co-operative for which group accounts are required, the group accounts comply with such of the prescribed requirements as are relevant to those accounts or group accounts, as the case may be, but where accounts or group accounts prepared in accordance with those requirements would not otherwise give a true and fair view of the matters required by this section to be dealt with in the accounts or group accounts, the directors of the co-operative shall add such information and explanations as will give a true and fair view of those matters.

(7) The directors of a registered co-operative shall cause to be attached to any accounts required to be laid before a co-operative at its annual general meeting, before the auditor reports on the accounts under this Part, a statement made in accordance with a resolution of the directors and signed by not less than two directors stating whether, in the opinion of the directors—

(a) the accounts give a true and fair view of the result of the operations of the co-operative for the financial year and the state of affairs of the co-operative as at the end of the financial year;

and

(b) there are reasonable grounds to believe that the co-operative will be able to pay its debts as and when they fall due.

(8) The directors of a registered co-operative that is a holding co-operative shall cause to be attached to group accounts of the co-operative required to be laid before the co-operative at its annual general meeting, before the auditor reports on the group accounts under this Part, a statement made in accordance with a resolution of the directors of the co-operative and signed by not less than two directors stating whether, in the opinion of the directors, the group accounts are drawn up so as to give a true and fair view of the result of the operations of the co-operative and its subsidiaries for their respective last financial years and the state of affairs of the co-operative and its subsidiaries as at the end of their respective last financial years (so far as they concern members of the co-operative).

Matters applicable to directors' reports.

43. (1) In sections 41 and 42 the expression "any item, transaction or event of a material and unusual nature" includes but is not limited to—

(a) any change in accounting principles adopted since the last report;

44. (1) The regulations may make provision permitting every registered co-operative, or every registered co-operative included in a class of co-operatives specified in the regulations, subject to such conditions, exceptions or qualifications (if any) as are specified in the regulations, to insert in any accounts or report under this Act, in substitution for an amount that the co-operative would, but for this section, be required or permitted to set out in the accounts or report, an amount ascertained in accordance with the regulations but not

being an amount that is more than five hundred dollars greater or less than the firstmentioned amount.

(2) For the purposes of subsection (1), the insertion of zero shall be deemed to be the insertion of an amount.

(1) Subject to subsection (6), the directors of a holding co-operative shall not cause to be made out the group accounts referred to in section 40 (3) or make the report referred to in section 42 unless they have received from each subsidiary its accounts, the statements required under section 40 and the directors' report in accordance with section 41.

(2) The directors of a holding co-operative shall take all reasonable steps to ensure that, when they make their report under section 42, they will have available to them a report that—

(a) has been made by the directors of each subsidiary;

and

(b) represents the state of affairs of the subsidiary not more than one month earlier than the date on which the report of the directors of the holding co-operative is made.

(3) Where a subsidiary of a holding co-operative is incorporated outside the State, it is sufficient compliance with this section if the directors of the holding co-operative receive from the subsidiary accounts and reports corresponding with those required under this section and in accordance with the law of the place of incorporation of the subsidiary.

(4) The directors of a subsidiary shall, at the request of the directors of the holding co-operative, supply all such information as is required for the preparation of group accounts of the holding co-operative and its subsidiaries, and of the report of the directors of the holding co-operative.

(5) The directors of a holding co-operative are, unless they know or have reason to suspect that any matter in any accounts, report or information furnished by the directors of a subsidiary is false or misleading, entitled to rely on the accounts, report or information for the purpose of the preparation of the group accounts and their report so far as they relate to the affairs of the subsidiary.

(6) Where the directors of a holding co-operative, having taken all such steps as are reasonably available to them, are unable to obtain from the directors of a subsidiary any accounts, report or other information required for the preparation of the group accounts and the directors' report of the group, they may cause to be made out the group accounts and make the directors' report without incorporating in, or including with, those group accounts, or incorporating in, or including with, that directors' report, the firstmentioned accounts, report or other information relating to the subsidiary but with such qualifications and explanations as are necessary to prevent the group accounts and report from being misleading.

(7) Where the directors of a holding co-operative have caused to be made out the group accounts and have made the directors' report in accordance with subsection (6), they shall send to the members of the holding co-operative, within one month after receiving the accounts, report or other information from the directors of the subsidiary, a copy of the accounts and report or a statement embodying the other information, as the case may be, together with a statement by the directors of the holding co-operative containing such qualifications and explanations of the group accounts and of their report as

are necessary having regard to the accounts, report or information received from the subsidiary.

Members of co-operative entitled to balance-sheet, etc.

46. A registered co-operative shall, not less than fourteen days before each annual general meeting or, if no annual general meeting of the co-operative is held within the period within which it is required by section 34 to be held, not less than fourteen days before the end of that period, send a copy of all accounts and, if it is a holding co-operative, group accounts that are to be prepared under section 40 (3), accompanied by a copy of the statements required under section 40 (9), a copy of the directors' report required under section 41 or 42, and a copy of the auditor's report or reports required by section 56, to all members of the co-operative.

Accounts and reports to be laid before annual general meeting.

47. The directors of a registered co-operative shall cause to be laid before each annual general meeting of the co-operative held in accordance with section 34—

(a) a copy of the accounts made out in accordance with section 40 (1) for the last financial year of the co-operative;

(b) in the case of a registered co-operative that, at the end of its last financial year before the relevant annual general meeting, was not a holding co-operative—a copy of the directors' report made out in accordance with section 41 in respect of that financial year;

(c) in the case of a registered co-operative that, at the end of its last financial year before the relevant annual general meeting, was a holding co-operative—a copy of the group accounts made out in accordance with section 40 (2) in relation to that financial year and a copy of the directors' report made out in accordance with section 42 in respect of that financial year;

Lodgment of periodic return.

48. Failure to comply with this Division.

49. (1) Subject to the succeeding provisions of this section, if a registered co-operative or a director of a registered co-operative fails to take all reasonable steps to comply with, or to secure compliance with, or has knowingly been the cause of any default under, any of the preceding provisions of this Division, the co-operative and any director who is in default are each guilty of an offence.

Penalty—

(a) in a case to which paragraph *(b)* does not apply—five thousand dollars;

or

(b) if the offence was committed with intent to deceive or defraud—twenty thousand dollars or imprisonment for five years, or both.

(2) In any proceedings against a person for failure to take all reasonable steps to comply with, or to secure compliance with, the preceding provisions of this Division relating to the form and content of the accounts of a registered co-operative or group accounts of a holding co-operative by reason of an omission from the accounts or group accounts, it is a defence to prove that the information omitted was immaterial and did not affect the giving of a true and fair view of the matters required by section 40 to be dealt with in the accounts or group accounts, as the case may be.

(3) If, after the expiration of the period within which any accounts of a registered co-operative or any report of the directors of a registered co-operative is or are required by section 40, 41 or 42 to be made out, the Commission, by notice in writing to each of the directors, requires the directors to produce the accounts or report to a person specified in the notice on a date and at a place so specified, and the directors fail to produce the accounts or report as required by the notice, then, in any proceeding for a failure to comply with section 40, 41 or 42, proof of the failure to produce the accounts or report as required by the notice is *prima facie* evidence that the accounts or report were not made out within that period.

(10) Except as provided by subsection (9), the appointment of the members of a firm as auditors of a registered co-operative that is deemed by subsection (8) to have been made by reason of the appointment of the firm as auditor of the co-operative is not affected by the dissolution of the firm.

(11) A report or notice that purports to be made or given by a firm appointed as auditor of a registered co-operative shall not be taken to be duly made or given unless it is signed in the firm name and in his own name by a member of the firm who is a registered company auditor.

(10) Where an auditor of a registered co-operative is removed from office at a general meeting in accordance with section 53—

(a) the co-operative may at that meeting (without adjournment), by a resolution passed by a majority of members of the co-operative as, being entitled so to do, vote in person or, where proxies are allowed, by proxy, forthwith appoint as auditor or auditors a person or persons, a firm or firms, or a person or persons and a firm or firms, to whom or which has been sent a copy of the notice of nomination in accordance with section 52 (3);

(12) Subject to subsection (11), if a registered co-operative does not appoint an auditor when required by this Act to do so, the Commission may, on the application in writing of a member of the co-operative, appoint as auditor or auditors of the co-operative a person or persons, a firm or firms, or a person or persons and a firm or firms, who or which consents or consent to be so appointed.

(a) before the meeting was convened;

or

(b) not less than twenty-one days before the meeting.

(2) If a registered co-operative purports to appoint a person or firm as auditor of the co-operative in contravention of subsection (1), the purported appointment is of no effect and the co-operative and any officer of the co-operative who is in default are each guilty of an offence.

(3) Where notice of nomination of a person or firm for appointment as auditor of a registered co-operative is received by the co-operative, whether for appointment at a meeting or an adjourned meeting referred to in section 51 (10) or at an annual general meeting, the co-operative shall—

(a) not less than seven days before the meeting;

Removal and resignation of auditors.

53. (1) An auditor of a registered co-operative may be removed from office by special resolution at a general meeting of the co-operative, but not otherwise.

(3) Within seven days after receiving a copy of the notice, the auditor may make representations in writing, not exceeding a reasonable length, to the co-operative and request that, before the meeting at which the resolution is to be considered, a copy of the representations be sent by the co-operative at its expense to every member of the co-operative to whom notice of the meeting is sent.

(4) Unless the Commission on the application of the co-operative otherwise orders, the co-operative shall send a copy of the representations in accordance with the auditor's request, and the auditor may, without prejudice to his right to be heard orally or, where a firm is the auditor, to have a member of the firm heard orally on its behalf, require that the representations be read out at the meeting.

(5) Upon the removal from office of an auditor of a registered co-operative, the co-operative shall forthwith give to the Commission notice in writing of the removal.

(6) An auditor of a registered co-operative may, by notice in writing given to the co-operative, resign as auditor of the co-operative if—

and

(b) the auditor has received the consent of the Commission.

(7) The Commission shall, as soon as practicable after receiving a notice from an auditor under subsection (6), notify the auditor and the co-operative whether it consents to the resignation of the auditor.

(9) A person aggrieved by the refusal of consent by the Commission to the resignation of an auditor of a registered co-operative may, within one month after the date of the refusal, appeal to the Court from the refusal, and thereupon the Court, after giving the co-operative an opportunity to be heard, may confirm or reverse the refusal and may make such further order as it thinks just.

(10) Subject to any order of the Court under subsection (9) and to subsection (11), the resignation of an auditor takes effect—

(a) on the date (if any) specified for the purpose in the notice of resignation;

(b) on the date on which the Commission gives its consent to the resignation;

or

(c) on the date (if any) fixed by the Commission for the purpose,

whichever last occurs.

(11) Where on the retirement or withdrawal from a firm of a member the firm will no longer be capable, by reason of the provisions of section 50 (2) *(d)* of acting as auditor of a registered co-operative, the member so retiring or withdrawing shall (if not disqualified from acting as auditor of the co-operative) give reasonable notice to the co-operative of his retirement or withdrawal and upon receipt of the notice by the co-operative the office of auditor of the co-operative becomes vacant.

included any comment made under subsection (4), and, if so, particulars of the qualification or comment;

(d) any defect or irregularity in the accounts or group accounts and any matter not set out in the accounts or group accounts without regard to which a true and fair view of the matters dealt with by the accounts or group accounts would not be obtained;

(3) The principal Act, as amended by this Act, may be cited as the "Criminal Law Consolidation Act, 1935-1983".

Insertion of new s. 13a.

Criminal liability in relation to suicide.

2. The following section is inserted after section 13 of the principal Act:

13a. (1) It is not an offence to commit or attempt to commit suicide.

(2) Notwithstanding the provisions of subsection (1), a person who finds another committing or about to commit an act which he believes upon reasonable grounds would, if committed or completed, result in suicide is justified in using reasonable force to prevent the commission or completion of the act.

(3) If upon the trial of a person for the murder of another the jury is satisfied that the accused killed the other, or was a party to the other being killed by a third person, but is further satisfied that the acts or omissions alleged against the accused were done or made in pursuance of a suicide pact with the person killed, then, subject to subsection (11), the jury shall not find the accused guilty of murder but may bring in a verdict of manslaughter.

(4) The killing of another or an attempt to kill another in pursuance of a suicide pact shall, for the purposes of determining the criminal liability of a person who was a party to the killing or attempt but not

a party to the suicide pact, be regarded as murder or attempted murder, as the case may require.

(5) A person who aids, abets or counsels the suicide of another or an attempt by another to commit suicide shall be guilty of an indictable offence.

(6) The penalty for an offence against subsection (5) shall be—

(7) A person who by fraud, duress or undue influence procures the suicide of another or an attempt by another to commit suicide shall (whether or not he was a party to a suicide pact with the other person) be guilty of murder or attempted murder, as the case may require.

(8) If upon the trial of a person for murder or attempted murder the jury is not satisfied that the accused is guilty of the offence charged but is satisfied that he is guilty of an offence against subsection (5), the jury may bring in a verdict that he is guilty of an offence against that subsection.

(9) In any criminal proceedings in which it is material to establish the existence of a suicide pact and whether an act was done, or an omission made, in pursuance of the pact, the onus of proving the existence of the pact and that the act was done, or the omission made, in pursuance of the pact shall lie upon the accused.

(10) For the purposes of this section—

(a) "suicide pact" means an agreement between two or more persons having for its object the death of all of them whether or not each is to take his own life;

and

(b) nothing done or omitted to be done by a person who enters into a suicide pact shall be treated as done or omitted to be done in pursuance of the pact unless it is done or omitted to be done while he has the settled intention of dying in pursuance of the pact.

(11) Where a person induced another to enter into a suicide pact by means of fraud, duress or undue influence, the person is not entitled in relation to an offence against the other to any mitigation of criminal liability or penalty under this section based upon the existence of the pact.

Insertion of new s. 270ab.

he shall be guilty of the felony of attempted manslaughter.

(2) The penalty for attempted manslaughter is imprisonment for a term not exceeding twelve years.

(3) If upon the trial of a person for attempted murder the jury is not satisfied that the accused is guilty of the offence charged, but is satisfied that the accused is guilty of attempted manslaughter, the jury shall acquit the accused of attempted murder but may find him guilty of attempted manslaughter.

Insertion of new s. 285b.

4. The following section is inserted after section 285a of the principal Act:

Conviction on plea of guilty of offence other than that charged.

285b. Where a person arraigned upon an information pleads not guilty of an offence charged in the information but guilty of some other offence of which he might be found guilty upon trial for the offence charged and the plea of guilty is accepted by the prosecution then (whether or not the two offences are separately charged in distinct counts)—

(a) the person may be convicted on the plea of guilty and his conviction shall operate as an acquittal of the offence charged;

(b) if he has been placed in the charge of the jury, the jury shall be discharged without being required to give a verdict (unless the trial is to continue in respect of further counts that are unaffected by the plea);

and

(c) he shall be liable to be punished for the offence of which he has been convicted in the same manner as if he had been found guilty of the offence upon trial for the offence charged.

Duty to repair.

25. (1) Subject to this Act, where a dealer sells a second-hand vehicle, the dealer is under a duty to repair any defect that is present in the vehicle or that appears in the vehicle after the sale.

(2) A dealer must in order to discharge the duty imposed by subsection (1) carry out the repairs in a manner that conforms to accepted trade standards.

(3) This section does not apply in relation to—

(a) the sale of a vehicle to a dealer;

(b) the sale of a vehicle on behalf of a person who is not a dealer, being a sale—

(i) by auction;

or

(ii) negotiated by the auctioneer immediately after the conduct of an auction for the sale of the vehicle.

(4) This section does not apply in relation to a defect that appears—

(a) in the case of a vehicle sold at a price that is below the prescribed range—

(i) after the vehicle has been driven fifteen hundred kilometres after the sale;

or

(ii) after the expiration of the period of one month after the sale,

(a) in any case where in accordance with this Act the vehicle is delivered to the dealer and the dealer carries out his duty to repair the defect—by a period equal to that elapsing between the time at which the vehicle was delivered to the dealer and the time at which he completed the repairs and made the vehicle available for recovery by the purchaser;

or

(b) in any other case—by such period as the Tribunal, upon the application of the purchaser, determines as representing the

period for which the purchaser did not have the use of the vehicle by reason of the defect (as distinct from any period for which the purchaser did not have the use of the vehicle by reason of his own failure to act expeditiously).

(6) This section does not apply in relation to—

(b) any defect arising from misuse of the vehicle after the sale;

(c) any defect arising from any collision, impact or accident that occurs after the sale;

or

(ii) the vehicle cannot be driven safely or cannot be driven at all.

(8) Except as provided by the regulations, this section does not apply to a defect to which this section is declared by the regulations not to apply.

(9) Where a second-hand vehicle is sold by a dealer on behalf of another dealer, the duty imposed by this section must be discharged by that other dealer.

(10) In this section—

Enforcement of duty to repair.

26. (1) Where a dealer is under a duty to repair a defect in a second-hand vehicle pursuant to this Part, the purchaser must, if he requires the dealer to discharge the duty, deliver the vehicle to the dealer during ordinary business hours—

(a) at the dealer's registered place of repair;

or

(b) where a different place has been agreed upon by the dealer and the purchaser—at that other place,

and afford the dealer a reasonable opportunity to repair the defect.

(2) Where—

(a) the purchaser delivers the vehicle to the dealer in accordance with subsection (1) but the dealer refuses to repair the defect or fails to repair the defect with due expedition;

or

(b) the purchaser makes reasonable efforts to deliver the vehicle to the dealer in accordance with subsection (1) but is unable to do so by reason of the dealer's refusal to accept delivery of the vehicle or the absence of the dealer or any person acting on behalf of the dealer,

the Tribunal may, upon the application of the purchaser, make one or more of the following orders:

(c) an order that the dealer repair the defect;

(d) an order that the dealer pay to the purchaser the reasonable costs of repairing or completing the repairs of the defect;

(3) The purchaser is under a duty to mitigate any loss or damage referred to in subsection (2) *(e)*.

(5) Where repairs that a dealer is under a duty to carry out pursuant to this Part are carried out by another person on behalf of the dealer and the purchaser of the vehicle pays an amount to the other person in or towards payment of the costs of the repair, the Tribunal may, upon the application of the purchaser, order the dealer to reimburse the purchaser in respect of the amount paid by the purchaser.

(6) Notwithstanding the provisions of subsection (1), where—

(a) a dealer is under a duty to repair a defect in a second-hand vehicle pursuant to this Part;

(b) by reason of the defect the vehicle—

(i) cannot be driven;

(ii) cannot be driven safely;

or

(iii) cannot be driven without risk of damage to the vehicle;

(c) it is unreasonable in the circumstances having regard to the nature of the defect and the distance that the vehicle would have to be transported that the purchaser be required to deliver the vehicle to the dealer at the place referred to in subsection (1);

(d) the purchaser has given to the dealer proper notice (whether written or oral) of the defect and afforded the dealer a reasonable opportunity to nominate a place other than that referred to in subsection (1) at which he is prepared to repair the defect;

and

(e) the dealer fails to nominate another place or it is unreasonable in the circumstances having regard to the matters referred to in paragraph *(c)* that the purchaser be required to take the vehicle to the place nominated by the dealer,

then—

(f) the purchaser may cause the vehicle to be repaired by a person other than the dealer;

and

(g) the Tribunal may, upon the application of the purchaser, order the dealer to pay to the purchaser the reasonable costs of repairing the defect.

(7) Notwithstanding the other provisions of this section, where a dealer who is under a duty to repair a defect in a vehicle pursuant to this Part is not licensed under this Act or does not have a registered place of repair—

and

(b) the Tribunal may, upon the application of the purchaser, order the dealer to pay to the purchaser the reasonable costs of repairing the defect.

(8) The Tribunal may, upon an application under this section—

(a) make an order under this section upon such terms and conditions as it thinks just;

and

(b) make such other order as to costs, or any other matter, as it thinks just.

(9) Any determination made by the Tribunal on a question of fact shall be final and without appeal.

Conciliation.

27. (1) Where, before or during the course of the hearing of an application under this Part, it appears to the Tribunal upon the basis of—

(a) evidence given in the matter;

or

(b) the attitude of the parties,

that there is a reasonable possibility of the matter being resolved by conciliation, the Tribunal may refer the matter to the Commissioner or a person appointed by the Commissioner to assist the parties to resolve the matter.

(2) If, after a matter has been referred to the Commissioner or a person appointed by the Commissioner under subsection (1), either of the parties requests that the hearing be proceeded with, the Tribunal shall resume the hearing as soon as is practicable.

(3) Nothing said or done in the course of any attempt to resolve a matter under this section shall subsequently be given in evidence in any proceedings.

(4) Where a matter is resolved under this section, the Tribunal may embody in an order the terms upon which it has been resolved.

[*Assented to 22 September 1983*]

BE IT ENACTED by the Governor of the State of South Australia, with the advice and consent of the Parliament thereof, as follows:

Interpretation.

3. In this Act, unless the contrary intention appears—

"the Department" means the Department of Correctional Services:

(*a*) an order under the law of this State, or under a law of another State or a Territory of the Commonwealth, for the release of a person upon parole;

or

and includes such an order or authority as varied from time to time, but does not include an order or authority for the release of a person from an institution for the detention of juvenile offenders:

"parolee" means the person to whom a parole order relates:

"the Registrar" means the Registrar of Transferred Parole Orders:

(2) The person for the time being holding or acting in a designated office in the Public Service of the State shall be the Registrar.

(3) The Minister may, by notice published in the *Gazette*, make or revoke a designation for the purposes of subsection (2).

Power of Minister to delegate.

5. (1) The Minister may, by instrument in writing, delegate to any officer of the Department, any of his powers or functions under this Act.

(2) A delegation under this section is revocable at will, and shall not prevent the exercise or performance of any power or function by the Minister.

Request for registration of parole order under corresponding law.

6. (1) The Minister may, by instrument in writing addressed to the designated authority for another State or a Territory of the Commonwealth, request that a parole order that is in force under a law of this State be registered under the corresponding law of that other State or Territory.

(2) The Minister shall not make a request for the registration of a parole order under the corresponding law of another State or a Territory of the Commonwealth unless—

(*a*) he is satisfied that, having regard to the interests of the parolee, it is desirable that the parole order be so registered;

and

(*b*) either—

(i) the parolee has given his consent to, or has requested, the registration of the parole order under the corresponding law of that other State or that Territory;

or

(ii) there are reasonable grounds for believing that the parolee is residing in that other State or that Territory.

(3) Where the Minister makes a request for the registration of a parole order under the corresponding law of another State or a Territory of the

Commonwealth, the Minister shall cause to be sent to the designated authority—

as appear likely to be of assistance to a court, authority or officer in that other State or Territory.

Effect of transfer of parole order to another State or a Territory.

7. Upon the registration under a corresponding law of a parole order that was, immediately before that registration, in force under the law of this State—

(*a*) the parole order ceases to be in force in this State;

(*b*) in the case of a parole order that was registered under this Act—the parole order ceases to be so registered;

and

(*c*) each sentence of imprisonment to which the parolee was subject immediately before the registration under the corresponding law ceases to have effect in this State.

Direction for registration of parole order under this Act.

8. (1) At the request in writing of the designated authority for another State or a Territory of the Commonwealth, the Minister may, by instrument in writing, direct the Registrar to register under this Act a parole order that was in force at the time of the request under a law of that State or Territory.

(2) The Minister shall not direct the registration under this Act of a parole order in force under a law of another State or Territory of the Commonwealth unless—

(*a*) he is satisfied, on consideration of relevant information and documents forwarded to him by the designated authority for that other State or Territory, that, having regard to the interests of the parolee, it is desirable that the parole order be so registered;

and

(*b*) either—

(i) the parolee has given his consent to, or has requested, the registration of the parole order under this Act;

or

(ii) the parolee is residing in this State.

Registration.

9. (1) When directed to register a parole order under this Act, the Registrar shall—

(*a*) register the parole order by endorsing on the parole order a memorandum signed by him to the effect that the parole order is, on the date of the endorsement, registered under this Act;

and

(*b*) keep the endorsed parole order in a register together with the original or copy of the judgment or order sent by the designated authority, being the judgment or order by virtue of which the parolee became liable to undergo the imprisonment to which the parole order relates.

(2) When the Registrar has registered a parole order, he shall—

(*a*) forward to the Chairman of the Parole Board a copy of the endorsed parole order, together with a copy of the judgment or order referred to in subsection (1) (*b*);

and

(*b*) cause notice in writing of the fact and date of the registration of the parole order to be given to the designated authority who requested the registration of the parole order, and to be served personally on the parolee.

(3) A parole order is registrable under this Act notwithstanding that it was originally made in pursuance of the law of this State.

Effect of registration.

10. (1) Upon a parole order being registered under this Act, then, subject to this Act, the laws of this State apply—

(*a*) as if each sentence of imprisonment to which the parolee was subject immediately before the making of the parole order had been imposed by a court of this State (whether or not it was in fact so imposed);

(*b*) as if the parolee had been released on parole pursuant to a parole order made under the law of this State (whether or not he was in fact so released);

and

(*c*) as if any period of imprisonment served by the parolee under the sentences, and any period spent by the parolee on parole, had been served or spent in this State (notwithstanding that any such period may have been wholly or partly served or spent elsewhere).

(2) This section does not cease to operate by reason of the revocation, under the law of this State, of the registered parole order.

Evidence.

11. (1) A document certified by the Registrar to be a copy of a parole order registered under this Act shall be accepted in any legal proceedings, in the absence of proof to the contrary, as proof of the terms of the original and of the matters stated in the memorandum endorsed on the parole order in pursuance of this Act.

(2) A document certified by the Registrar to be a copy of any other document kept in the register under this Act shall be accepted in any legal proceedings, in the absence of proof to the contrary, as proof of the terms of that document.

(3) Where a document appears to have been certified by the Registrar for the purposes of this section, it shall, in the absence of proof to the contrary, be deemed to have been so certified.

In the name and on behalf of Her Majesty, I hereby assent to this Bill.

(1) A financial institution that is not registered under this Act and is not required to be so registered may give an undertaking to the Commissioner, in a manner and form approved by him, to make such payments to the Commissioner in respect of such receipts of money and at such times as it would be required to make if it were required to be registered under this Act.

(2) The Commissioner shall decide whether or not to accept an undertaking given under subsection (1).

(3) Where the Commissioner accepts an undertaking given under subsection (1), the financial institution shall be deemed to be registered under this Act during the period during which the undertaking has effect in accordance with subsection (4).

(4) An undertaking accepted by the Commissioner under this section has effect from the date on which the Commissioner accepts the undertaking until—

(a) the financial institution, by notice in writing to the Commissioner, withdraws the undertaking;

or

(b) the Commissioner, by notice in writing to the financial institution, withdraws his acceptance of the undertaking.

Applications by financial institutions to pay receipts to the credit of non-exempt bank accounts.

63. (1) A registered financial institution may apply to the Commissioner, in a manner and form approved by him, for approval under this section to pay amounts received by it during a month to the credit of an account, being an account that is not an exempt account under this Act, kept in its name by a bank that is a registered financial institution.

(2) A registered financial institution shall, in making an application under subsection (1), give a written undertaking to the Commissioner that, if the application is successful, it will not make, or cause to be made, any payment to the credit of any exempt account kept in its name by a bank (other than a short-term dealing account).

(3) Upon application under this section, the Commissioner may, by instrument in writing—

(a) grant the approval to which the application relates unconditionally;

(5) The Commissioner may at any time, by notice in writing, revoke an approval granted under this section.

Public officer of company.

(7) Everything done by the public officer that he is required to do in his representative capacity shall be deemed to have been done by the company and the absence or non-appointment of a public officer does not excuse the company from the necessity of complying, or from any penalty for failure to comply, with any of the provisions of this Act, but the company is liable to comply with the provisions of this Act as if there were no requirement to appoint a public officer.

(8) A notice served on or requisition made upon the public officer shall be deemed to be served on or made upon the company.

(9) Any proceedings under this Act taken against the public officer shall be deemed to have been taken against the company and the company is liable jointly with the public officer for any penalty imposed upon him.

No. 121 of 1983

An Act to provide for, and give legal effect to, directions against artificial prolongation of the dying process.

[*Assented to 22 December 1983*]

BE IT ENACTED by the Governor of the State of South Australia, with the advice and consent of the Parliament thereof, as follows:

Short title.

1. This Act may be cited as the "Natural Death Act, 1983".

Commencement.

2. This Act shall come into operation on a day to be fixed by proclamation.

Interpretation.

3. In this Act—

"extraordinary measures" means medical or surgical measures that prolong life, or are intended to prolong life, by supplanting or maintaining the operation of bodily functions that are temporarily or permanently incapable of independent operation:

"recovery", in relation to a terminal illness, includes a remission of symptoms or effects of the illness:

"terminal illness" means any illness, injury or degeneration of mental or physical faculties—

(a) such that death would, if extraordinary measures were not undertaken, be imminent;

and

(b) from which there is no reasonable prospect of a temporary or permanent recovery, even if extraordinary measures were undertaken.

Power to make direction.

4. (1) A person of sound mind, and of or above the age of eighteen years, who desires not to be subjected to extraordinary measures in the event of his suffering from a terminal illness, may make a direction in the prescribed form.

(2) The direction must be witnessed by two witnesses.

(3) Where a person who is suffering from a terminal illness has made a direction under this section and the medical practitioner responsible for his treatment has notice of that direction, it shall be the duty of that medical practitioner to act in accordance with the direction unless there is reasonable ground to believe—

(a) that the patient has revoked, or intended to revoke, the direction;

or

(b) that the patient was not, at the time of giving the direction, capable of understanding the nature and consequences of the direction.

(4) This section does not derogate from any duty of a medical practitioner to inform a patient who is conscious and capable of exercising a rational judgment of all the various forms of treatment that may be available in his particular case so that the patient may make an informed judgment as to whether a particular form of treatment should, or should not, be undertaken.

(5) The Governor may, by regulation, prescribe a form for the purposes of subsection (1).

Act not to affect other rights.

5. (1) This Act does not affect the right of any person to refuse medical or surgical treatment.

(2) This Act (other than section 6) does not affect the legal consequences (if any) of—

(a) taking, or refraining from taking, therapeutic measures (not being extraordinary measures) in the case of a patient who is suffering from a terminal illness (whether or not he has made a direction under this Act);

or

(b) taking, or refraining from taking, extraordinary measures in the case of a patient who has not made a direction under this Act.

(3) A medical practitioner incurs no liability for a decision made by him in good faith and without negligence as to whether—

(a) a patient is, or is not, suffering from a terminal illness;

(b) a patient revoked, or intended to revoke, a direction under this Act;

or

(c) a patient was, or was not, at the time of giving a direction under this Act, capable of understanding the nature and consequences of the direction.

Certain aspects of causation of death.

6. (1) For the purposes of the law of this State, the non-application of extraordinary measures to, or the withdrawal of extraordinary measures from, a person suffering from a terminal illness does not constitute a cause of death.

(2) This section does not relieve a medical practitioner from the consequences of a negligent decision as to whether or not a patient is suffering from a terminal illness.

Saving clause.

7. (1) Nothing in this Act prevents the artificial maintenance of the circulation or respiration of a dead person—

(a) for the purpose of maintaining bodily organs in a condition suitable for transplantation;

or

(b) where the dead person was a pregnant woman—for the purpose of preserving the life of the foetus.

(2) Nothing in this Act authorizes an act that causes or accelerates death as distinct from an act that permits the dying process to take its natural course.

In the name and on behalf of Her Majesty, I hereby assent to this Bill.

TABLE OF ACTS AFFECTED BY AMENDMENT OR JUDICIAL DECISION

TABLE OF PUBLIC GENERAL ACTS AFFECTED BY AMENDMENT OR JUDICIAL DECISION

The Acts contained in this Table are those published in the new edition of the South Australian Statutes, 1837-1975, and Acts which have come into force since the publication of the new edition, which have been amended by Acts passed since the 3rd February, 1976, but before the 1st January, 1984.

Acts which have been repealed since April, 1937, are shown in the Table of Acts Repealed. Acts repealed by Acts that had not come into operation before the 1st January, 1984, have not been deleted from this Table of Amendments and Cases. The amendment or repeal of individual provisions is shown, whether or not the amending or repealing Act had come into operation at that date. Acts listed in the Table of Public General Acts had come into operation at 1st January, 1984, unless that Table indicates otherwise.

This Table also contains notes, placed against references to the appropriate sections of the Acts affected, of the reported decisions of the Privy Council, the High Court of Australia, the Supreme Court of South Australia, and the Industrial Court of South Australia, relating to the interpretation of those sections. The cases so noted are those comprised in reports published since 1st April, 1937, and include the cases reported up to the end of 1977 Appeal Cases, up to the end of 147 Commonwealth Law Reports, up to the end of 33 South Australian State Reports, and up to the end of 47 South Australian Industrial Reports. Cases comprised in reports published before 1st April, 1937, are noted in footnotes to the relevant sections of the Acts printed in Volumes 1 to 8 of the South Australian Statutes, 1837-1936. Where a reprinted Act was published in one of the Annual Volumes from 1937 to 1961, a reference to the 1937 relevant reports that were available at that time appeared in footnotes to that reprint, and those references are not included in this Table.
