(2) Subject to subsection (3), a payment or consideration to which this section applies must be reasonably proportioned to the disturbance to the lands, the traditional owners, and their ways-of-life, that has resulted or is likely to result from the grant of the relevant mining tenement.

(3) A person shall not be required to make or give, or to agree to make or give, any payment or consideration to which this section applies in respect of the carrying out or proposed carrying out of exploratory operations upon the lands other than a payment of such amount (if any) as is or would become payable as compensation under the Mining Act, 1971, or the Petroleum Act, 1940, (as the case may require) in respect of the carrying out of such operations.

Appeal by officer.

13. (1) An officer who is aggrieved by a decision of the Board pursuant to clause 11 (other than a decision to reprimand him) may appeal to the Tribunal.

(2) An appeal must be instituted within fourteen days of the decision appealed against, but the Tribunal may, if it is satisfied that it is just and reasonable in the circumstances to do so, dispense with the requirement that the appeal be instituted within that time.

(3) The Tribunal may, on hearing an appeal, affirm, vary or quash the penalty imposed by the Board or impose any penalty that should have been imposed in the first instance.

(4) Where a penalty has been imposed by the Board and the Board or the Tribunal is satisfied that an appeal against the decision has been instituted, or is intended, the Board or the Tribunal may suspend the operation of the decision until the determination of the appeal.

(5) Where the operation of a decision has been suspended by the Board or the Tribunal under subclause (4) that suspension may be terminated by the Board or the Tribunal (as the case requires).

(6) The appellant and the Board shall be entitled to appear and be heard on an appeal under this clause and may be represented before the Tribunal by a legal practitioner or other agent.

(7) The Tribunal shall give to all parties to proceedings before it reasonable notice of the time and place at which it intends to conduct the proceedings and shall afford to the parties a reasonable opportunity to call and give evidence and to make submissions to the Tribunal.

(b) if the number of candidates not excluded from the count equals the number of candidates required to be elected at the election, the returning officer shall make a provisional declaration that the continuing candidate or candidates have been elected;

(c) if the number of continuing candidates does not equal the number of candidates required to be elected at the election, the candidate who then has the fewest ballot papers in his parcel shall be excluded from the count and each ballot paper that was in his parcel shall be placed in the parcel of the continuing candidate next in order of the voter's preference or, if the voter has not indicated a preference for a continuing candidate, the ballot paper shall be set aside as finally dealt with;

(d) if the number of continuing candidates then equals the number of candidates required to be elected at the election, the returning officer shall make a provisional declaration that the continuing candidate or candidates have been elected but, in any other case, the process referred

to in paragraph *(c)* shall be repeated until the number of continuing candidates equals the number of candidates required to be elected at the election and, in that event, the returning officer shall make the provisional declaration that the continuing candidate or candidates have been elected;

(e) if during the process of counting two or more candidates have an equal number of ballot papers in their parcels and one of them has to be excluded from the count, the returning officer shall, in the presence of any scrutineers who may be present, draw lots to determine which of the candidates is to be excluded.

(4) Where the council has so determined under section 122, the returning officer shall, with the assistance of any other electoral officers who may be present and in the presence of any scrutineers who may be present, conduct the counting of the votes according to the following method:

(a) the number of first preference votes given for each candidate and the total number of all such votes shall be ascertained and a quota shall be determined by dividing the total number of first preference votes by one more than the number of candidates required to be elected and by increasing the quotient so obtained (disregarding any remainder) by one and, where any candidate has received a number of first preference votes equal to or greater than the quota, the returning officer shall make a provisional declaration that the candidate has been elected;

(b) notwithstanding the provisions of paragraph *(a)* or any other paragraph of this subsection, where the total number of all first preference votes does not exceed—

(i) one hundred and fifty;

or

(ii) where a different number is prescribed for the purposes of this paragraph—that number,

the number of votes of any kind contained in the ballot papers shall, for the purposes of any counting or calculation under paragraph *(a)* or any other paragraph of this subsection, be taken to be the number obtained by multiplying the number of votes of that kind contained in the ballot papers by one hundred;

(c) unless all the vacancies have been filled, the surplus votes of each elected candidate shall be transferred to the continuing candidates as follows:

(i) the number of surplus votes of the elected candidate shall be divided by the number of first preference votes received by him and the resulting fraction shall be the transfer value;

(ii) the total number of the first preference votes for the elected candidate that are contained in ballot papers that express the next available preference

for a particular continuing candidate shall be multiplied by the transfer value, the number so obtained (disregarding any fraction) shall be added to the number of first preference votes of the continuing candidate and all those ballot papers shall be transferred to the continuing candidate,

and, where any continuing candidate has received a number of votes equal to or greater than the quota on the completion of any such transfer, the returning officer shall make a provisional declaration that the candidate has been elected;

(d) unless all the vacancies have been filled, the surplus votes (if any) of any candidate elected under paragraph *(c)*, or elected subsequently under this paragraph, shall be transferred to the continuing candidates in accordance with paragraph *(c)* (i) and (ii) and, where any continuing candidate has received a number of votes equal to or greater than the quota on the completion of any such transfer, the returning officer shall make a provisional declaration that the candidate has been elected;

(e) where a continuing candidate has received a number of votes equal to or greater than the quota on the completion of a transfer under paragraph *(c)* or *(d)* of the surplus votes of a particular elected candidate, no votes of any other candidate shall be transferred to the continuing candidate;

(f) for the purposes of the application of paragraph *(c)* (i) and (ii) in relation to a transfer under paragraph *(d)* or *(h)* of the surplus votes of an elected candidate, each ballot paper of the elected candidate that was obtained by him on a transfer under this subsection shall be dealt with as if any vote it expressed for the elected candidate were a first preference vote, as if the name of any other candidate previously elected or excluded had not been on the ballot paper and as if the numbers indicating subsequent preferences had been altered accordingly;

(g) where, after the counting of first preference votes or the election of a candidate and the transfer of the surplus votes (if any) of the elected candidate that are capable of being transferred, no candidate has, or less than the number of candidates required to be elected have, received a number of votes equal to the quota, the candidate who has the fewest votes shall be excluded and all his votes shall be transferred to the continuing candidates as follows:

(i) the total number of the first preference votes for the excluded candidate that are contained in ballot papers that express the next available preference for a particular continuing candidate shall be transferred, each first preference vote at a transfer value of one, to the continuing candidate and added to the number of votes of

the continuing candidate and all those ballot papers shall be transferred to the continuing candidate;

(ii) the total number (if any) of other votes obtained by the excluded candidate on transfers under this subsection shall be transferred from the excluded candidate in the order of the transfers on which he obtained them, the votes obtained on the earliest transfer being transferred first, as follows:

(A) the total number of votes transferred to the excluded candidate from a particular candidate that are contained in ballot papers that express the next available preference for a particular continuing candidate shall be multiplied by the transfer value at which the votes were so transferred to the excluded candidate;

(B) the number so obtained (disregarding any fraction) shall be added to the number of votes of the continuing candidate;

(C) all those ballot papers shall be transferred to the continuing candidate;

(h) where any continuing candidate has received a number of votes equal to or greater than the quota on the completion of a transfer under paragraph *(g)* or *(i)* of votes of an excluded candidate, the returning officer shall make a provisional declaration that the candidate has been elected and, unless all the vacancies have been filled, the surplus votes (if any) of the candidate so elected shall be transferred in accordance with paragraph *(c)* (i) and (ii), except that, where the candidate so elected is elected before all the votes of the excluded candidate have been transferred, the surplus votes (if any) of the candidate so elected shall not be transferred until the remaining votes of the excluded candidate have been transferred in accordance with paragraph *(g)* (i) and (ii) to continuing candidates;

(i) subject to paragraph *(k)*, where, after the exclusion of a candidate and the transfer of the votes (if any) of the excluded candidate that are capable of being transferred, no continuing candidate has received a number of votes greater than the quota, the continuing candidate who has the fewest votes shall be excluded and his votes shall be transferred in accordance with paragraph *(g)* (i) and (ii);

(j) where a candidate is elected as a result of a transfer of the first preference votes of an excluded candidate or a transfer of all the votes of an excluded candidate that were transferred to the excluded candidate from a particular candidate, no other votes of the excluded candidate shall be transferred to the candidate so elected;

(k) in respect of the last vacancy for which two continuing candidates remain, the returning officer shall make a provisional declaration that the continuing candidate who has the larger number of votes has been elected notwithstanding that that number is below the quota and, if those candidates have an equal number of votes, the returning officer shall, in the presence of any scrutineers who may be present, draw lots to determine which of the candidates is to be elected;

(l) notwithstanding any other provision of this subsection, where, on the completion of a transfer of votes under this subsection, the number of continuing candidates is equal to the number of remaining unfilled vacancies, the returning officer shall make a provisional declaration that those candidates have been elected;

(m) for the purposes of this subsection—

(i) the order of election of candidates shall be taken to be in accordance with the order of the count or transfer as a result of which they were elected, the candidates (if any) elected on the count of first preference votes being taken to be the earliest elected;

and

(ii) where two or more candidates are elected as a result of the same count or transfer, the order in which they shall be taken to have been elected shall be in accordance with the relative numbers of their votes, the candidate with the largest number of votes being taken to be the earliest elected but, if any two or more of those candidates each have the same number of votes, the order in which they shall be taken to have been elected shall be taken to be in accordance with the relative numbers of their votes at the last count or transfer before their election at which each of them had a different number of votes, the candidate with the largest number of votes at that count or transfer being taken to be the earliest elected and, if there has been no such count or transfer, the returning officer shall, in the presence of any scrutineers who may be present, draw lots to determine the order in which they shall be taken to have been elected;

(n) subject to paragraphs *(o)* and *(p)*, where, after any count or transfer under this subsection, two or more candidates have surplus votes, the order of any transfers of the surplus votes of those candidates shall be in accordance with the relative sizes of the surpluses, the largest surplus being transferred first;

(o) subject to paragraph *(p)*, where, after any count or transfer under this subsection, two or more candidates have

REGULATION OF DUMPING AND INCINERATION AT SEA

DIVISION I—DUMPING AT SEA

Dumping of wastes or other matter.

6. Where, otherwise than in accordance with a permit, any wastes or other matter are dumped into coastal waters from any vessel, aircraft or platform, the owner and the person in charge of the vessel, aircraft or platform and the owner of the wastes or other matter are each guilty of an offence.

Defences to charge of an offence.

9. It is a defence to a charge of an offence under section 6 or 7 if the defendant proves that—

(a) the dumping the subject of the charge was necessary to secure the safety of human life, or of a vessel, aircraft or platform, at sea in a case of *force majeure* caused by stress of weather;

or

(b) the dumping the subject of the charge was the only reasonable way of averting a threat to human life, or to the safety of a vessel, aircraft or platform, at sea and there was every probability that the damage caused by such dumping would be less than would otherwise occur,

and, in either case, that—

(c) the dumping was so conducted as to minimize the likelihood of damage to human or marine life;

and

(d) a report of the dumping, setting out the prescribed information, was furnished to the Minister as soon as practicable after the occurrence of the dumping.

Offences under this Division.

10. The penalty upon conviction of an offence under this Division is a fine not exceeding—

Restoration of environment.

12. Where—

(i) cause an obstruction, or constitute a danger, to vessels;

(ii) result in harm to human or marine life;

or

(iii) result in interference with the exercise of the sovereign rights of Australia as a coastal State to explore and exploit the natural resources of the seabed and subsoil lying beneath Australian waters,

the Minister may cause to be taken such steps as he thinks proper to repair or remedy any condition, or to mitigate any damage, arising from that dumping.

Liability for expenses incurred by the State resulting from dumping.

13. (1) Where—

(a) a person has been convicted of an offence under section 6 or 7;

and

(b) by reason of the exercise by the Minister of his powers under section 12, the State has incurred expenses or other liabilities

in repairing or remedying any condition, or mitigating any damage, arising from the dumping that constituted the offence,

a person so convicted is liable to pay to the State an amount equal to the total amount of those expenses and liabilities of the State and that amount may be recovered, as a debt due to the State by the person, by action in a court of competent jurisdiction.

(2) Where two or more persons have been convicted of offences referred to in subsection (1) in respect of the same act of dumping, the State is not, by virtue of that subsection, entitled to recover from those persons amounts that, in the aggregate, exceed the total amount of the expenses and liabilities incurred by the State, by reason of the exercise by the Minister of his powers under section 12, as a result of that dumping.

(3) Subject to subsection (4), where the owner of a vessel, aircraft or platform—

(a) has been convicted of an offence under section 6 or 7 with respect to dumping from the vessel, aircraft or platform;

and

(b) is liable by virtue of subsection (1) to pay an amount to the State in respect of that offence,

that amount is a charge upon the vessel, aircraft or platform, as the case may be, and, in the case of a vessel or aircraft, the vessel or aircraft may be detained by an inspector until the amount is paid or security for the payment of the amount is provided to the satisfaction of the Minister.

(4) Subsection (3) does not entitle a person to detain a vessel or aircraft unless the vessel or aircraft is in the State or in coastal waters.

(5) Where—

(a) a vessel that has been detained under subsection (3) goes to sea before it is released from detention;

or

(8) Before granting a permit for dumping, the Minister may require the applicant to enter into an agreement with the State that includes one or more of the following provisions:

THE FIRST SCHEDULE

CONVENTION
ON THE PREVENTION OF MARINE POLLUTION BY
DUMPING OF WASTES AND OTHER MATTER

THE CONTRACTING PARTIES TO THIS CONVENTION,

RECOGNIZING that the marine environment and the living organisms which it supports are of vital importance to humanity, and all people have an interest in assuring that it is so managed that its quality and resources are not impaired;

RECOGNIZING that the capacity of the sea to assimilate wastes and render them harmless, and its ability to regenerate natural resources, is not unlimited;

RECOGNIZING that States have, in accordance with the Charter of the United Nations and the principles of international law, the sovereign right to exploit their own resources pursuant to their own environmental policies, and the responsibility to ensure that activities within their jurisdiction or control do not cause damage to the environment of other States or of areas beyond the limits of national jurisdiction;

RECALLING Resolution 2749 (XXV) of the General Assembly of the United Nations on the principles governing the sea-bed and the ocean floor and the subsoil thereof, beyond the limits of national jurisdiction;

NOTING that marine pollution originates in many sources, such as dumping and discharges through the atmosphere, rivers, estuaries, outfalls and pipelines, and that it is important that States use the best practicable means to prevent such pollution and develop products and processes which will reduce the amount of harmful wastes to be disposed of;

BEING CONVINCED that international action to control the pollution of the sea by dumping can and must be taken without delay but that this action should not preclude discussion of measures to control other sources of marine pollution as soon as possible; and

WISHING to improve protection of the marine environment by encouraging States with a common interest in particular geographical areas to enter into appropriate agreements supplementary to this Convention;

HAVE AGREED as follows:

ARTICLE I

Contracting Parties shall individually and collectively promote the effective control of all sources of pollution of the marine environment, and pledge themselves especially to take all practicable steps to prevent the pollution of the sea by the dumping of waste and other matter that is liable to create hazards to human health, to harm living resources and marine life, to damage amenities or to interfere with other legitimate uses of the sea.

ARTICLE II

Contracting Parties shall, as provided for in the following Articles, take effective measures individually, according to their scientific, technical and economic capabilities, and collectively, to prevent marine pollution caused by dumping and shall harmonize their policies in this regard.

ARTICLE III

For the purposes of this Convention:

1. *(a)* "Dumping" means:

(i) any deliberate disposal at sea of wastes or other matter from vessels, aircraft, platforms or other man-made structures at sea;

(ii) any deliberate disposal at sea of vessels, aircraft, platforms or other man-made structures at sea.

(b) "Dumping" does not include:

(i) the disposal at sea of wastes or other matter incidental to, or derived from the normal operations of vessels, aircraft, platforms, or other man-made structures at sea and their equipment, other than wastes or other matter transported by or to vessels, aircraft, platforms or other man-made structures at sea, operating for the purpose of disposal of such matter or derived from the treatment of such wastes or other matter on such vessels, aircraft, platforms or structures;

(ii) placement of matter for a purpose other than the mere disposal thereof, provided that such placement is not contrary to the aims of this Convention.

(c) The disposal of wastes or other matter directly arising from, or related to the exploration, exploitation and associated off-shore processing of sea-bed mineral resources will not be covered by the provisions of this Convention.

2. "Vessels and aircraft" means waterborne or airborne craft of any type whatsoever. This expression includes air cushioned craft and floating craft, whether self-propelled or not.

3. "Sea" means all marine waters other than the internal waters of States.

4. "Wastes or other matter" means material and substances of any kind, form or description.

5. "Special permit" means permission granted specifically on application in advance and in accordance with Annex II and Annex III.

6. "General permit" means permission granted in advance and in accordance with Annex III.

(b) the dumping of wastes or other matter listed in Annex II requires a prior special permit;

(c) the dumping of all other wastes or matter requires a prior general permit.

2. Any permit shall be issued only after careful consideration of all the factors set forth in Annex III, including prior studies of the characteristics of the dumping site, as set forth in Sections B and C of that Annex.

3. No provision of this Convention is to be interpreted as preventing a Contracting Party from prohibiting, insofar as that Party is concerned, the dumping of wastes or other matter not mentioned in Annex I. That Party shall notify such measures to the Organization.

ARTICLE V

1. The provisions of Article IV shall not apply when it is necessary to secure the safety of human life or of vessels, aircraft, platforms or other man-made structures at sea in cases of *force majeure* caused by stress of weather, or in any case which constitutes a danger to human life or a real threat to vessels, aircraft, platforms or other man-made structures at sea, if dumping appears to be the only way of averting the threat and if there is every probability that the damage consequent upon such dumping will be less than would otherwise occur. Such dumping shall be so conducted as to minimize the likelihood of damage to human or marine life and shall be reported forthwith to the Organization.

2. A Contracting Party may issue a special permit as an exception to Article IV (1) *(a)*, in emergencies, posing unacceptable risk relating to human health and admitting no other feasible solution. Before doing so the Party shall consult any other country or countries that are likely to be affected and the Organization which, after consulting other Parties, and international organizations as appropriate, shall, in accordance with Article XIV promptly recommend to the Party the most appropriate procedures to adopt. The Party shall follow these recommendations to the maximum extent feasible consistent with the time within which action must be taken and with the general obligation to avoid damage to the marine environment and shall inform the Organization of the action it takes. The Parties pledge themselves to assist one another in such situations.

4. This Convention shall not apply to those vessels and aircraft entitled to sovereign immunity under international law. However, each party shall ensure by the adoption of appropriate measures that such vessels and aircraft owned or operated by it act in a manner consistent with the object and purpose of this Convention, and shall inform the Organization accordingly.

5. Nothing in this Convention shall affect the right of each Party to adopt other measures, in accordance with the principles of international law, to prevent dumping at sea.

ARTICLE VIII

In order to further the objectives of this Convention, the Contracting Parties with common interests to protect in the marine environment in a given geographical area shall endeavour, taking into account characteristic regional features, to enter into regional agreements consistent with this Convention for the prevention of pollution, especially by dumping. The Contracting Parties to the present Convention shall endeavour to act consistently with the objectives and provisions of such regional agreements, which shall be notified to them by the Organization. Contracting Parties shall seek to co-operate with the Parties to regional agreements in order to develop harmonized procedures to be followed by Contracting Parties to the different conventions concerned. Special attention shall be given to co-operation in the field of monitoring and scientific research.

ARTICLE IX

(f) wastes or other matter directly arising from, or related to the exploration, exploitation and associated off-shore processing of sea-bed mineral resources.

The Parties will also promote, within the appropriate international organization, the codification of signals to be used by vessels engaged in dumping.

ARTICLE XIII

Nothing in this Convention shall prejudice the codification and development of the law of the sea by the United Nations Conference on the Law of the Sea convened pursuant to Resolution 2750 C (XXV) of the General Assembly of the United Nations nor the present or future claims and legal views of any State concerning the law of the sea and the nature and extent of coastal and flag State jurisdiction. The Contracting Parties agree to consult at a meeting to be convened by the Organization after the Law of the Sea Conference, and in any case not later than 1976, with a view to defining the nature and extent of the right and the responsibility of a coastal State to apply the Convention in a zone adjacent to its coast.

Amendments to Annexes to the

CONVENTION ON THE PREVENTION OF MARINE POLLUTION
BY DUMPING OF WASTES AND OTHER MATTER

concerning incineration at sea

The following paragraph shall be added to Annex I:

10. Paragraphs 1 and 5 of this Annex do not apply to the disposal of wastes or other matter referred to in these paragraphs by means of incineration at sea. Incineration of such wastes or other matter at sea requires a prior special permit. In the issue of special permits for incineration the Contracting Parties shall apply the Regulations for the Control of Incineration of Wastes and Other Matter at Sea set forth in the Addendum to this Annex (which shall constitute an integral part of this Annex) and take full account of the Technical Guidelines on the Control of Incineration of Wastes and Other Matter at Sea adopted by the Contracting Parties in consultation.

The following paragraph shall be added to Annex II:

E. In the issue of special permits for the incineration of substances and materials listed in this Annex, the Contracting Parties shall apply the Regulations for the Control of Incineration of Wastes and Other Matter at Sea set forth in the Addendum to Annex I and take full account of the Technical Guidelines on the Control of Incineration of Wastes and Other Matter at Sea adopted by the Contracting Parties in consultation, to the extent specified in these Regulations and Guidelines.

ADDENDUM

(to Annex I)

REGULATIONS FOR THE CONTROL OF INCINERATION OF WASTES AND OTHER MATTER AT SEA

PART I

REGULATION 1

Definitions

For the purposes of this Addendum:

(1) "Marine incineration facility" means a vessel, platform, or other man-made structure operating for the purpose of incineration at sea.

(2) "Incineration at sea" means the deliberate combustion of wastes or other matter on marine incineration facilities for the purpose of their thermal destruction. Activities incidental to the normal operation of vessels, platforms or other man-made structures are excluded from the scope of this definition.

REGULATION 2

Application

(1) Part II of these Regulations shall apply to the following wastes or other matter:

(a) those referred to in paragraph 1 of Annex I;

(b) pesticides and their by-products not covered in Annex I.

(2) Contracting Parties shall first consider the practical availability of alternative land-based methods of treatment, disposal or elimination, or of treatment to render the wastes or other matter less harmful, before issuing a permit for incineration at sea in accordance with these Regulations. Incineration at sea shall in no way be interpreted as discouraging progress towards environmentally better solutions including the development of new techniques.

(3) Incineration at sea of wastes or other matter referred to in paragraph 10 of Annex I and paragraph E of Annex II, other than those referred to in paragraph (1) of this Regulation, shall be controlled to the satisfaction of the Contracting Party issuing the special permit.

(4) Incineration at sea of wastes or other matter not referred to in paragraphs (1) and (3) of this Regulation shall be subject to a general permit.

(5) In the issue of permits referred to in paragraphs (3) and (4) of this Regulation, the Contracting Parties shall take full account of all applicable provisions of these Regulations and the Technical Guidelines on the Control of Incineration of Waste and Other Matter at Sea for the waste in question.

PART II

REGULATION 3

Approval and Surveys of the Incineration System

(1) The incineration system for every proposed marine incineration facility shall be subject to the surveys specified below. In accordance with Article VII (1) of the Convention, the Contracting Party which proposes to issue an incineration permit shall ensure that the surveys of the marine incineration facility to be used have been completed and the incineration system complies with the provisions of these Regulations. If the initial survey is carried out under the direction of a Contracting Party a special permit, which specifies the testing requirements, shall be issued by the Party. The results of each survey shall be recorded in a survey report.

(a) An initial survey shall be carried out in order to ensure that during the incineration of waste and other matter combustion and destruction efficiencies are in excess of 99.9 per cent.

(b) As a part of the initial survey the State under whose direction the survey is being carried out shall:

(i) approve the siting, type and manner of use of temperature measuring devices;

(ii) approve the gas sampling system including probe locations, analytical devices, and the manner of recording;

(iii) ensure that approved devices have been installed to automatically shut off the feed of waste to the incinerator if the temperature drops below approved minimum temperatures;

(iv) ensure that there are no means of disposing of wastes or other matter from the marine incineration facility except by means of the incinerator during normal operations;

(v) approve the devices by which feed rates of waste and fuel are controlled and recorded;

(vi) confirm the performance of the incineration system by testing under intensive stack monitoring, including the measurements of O_2, CO, CO_2, halogenated organic content, and total hydrocarbon content using wastes typical of those expected to be incinerated.

(c) The incineration system shall be surveyed at least every two years to ensure that the incinerator continues to comply with these Regulations. The scope of the biennial survey shall be based upon an evaluation of operating data and maintenance records for the previous two years.

(2) Following the satisfactory completion of a survey, a form of approval shall be issued by a Contracting Party if the incineration system is found to be in compliance with these Regulations. A copy of the survey report shall be attached to the form of approval. A form of approval issued by a Contracting Party shall be recognized by other Contracting Parties unless there are clear grounds for believing that the incineration system is not in compliance with these Regulations. A copy of each form of approval and survey report shall be submitted to the Organization.

(3) After any survey has been completed, no significant changes which could affect the performance of the incineration system shall be made without approval of the Contracting Party which has issued the form of approval.

REGULATION 4

Wastes Requiring Special Studies

(1) Where a Contracting Party has doubts as to the thermal destructibility of the wastes or other matter proposed for incineration, pilot scale tests shall be undertaken.

(2) Where a Contracting Party proposes to permit incineration of wastes or other matter over which doubts as to the efficiency of combustion exist, the incineration system shall be subject to the same intensive stack monitoring as required for the initial incineration system survey. Consideration shall be given to the sampling of particulates, taking into account the solid content of the wastes.

(3) The minimum approved flame temperature shall be that specified in Regulation 5 unless the results of tests of the marine incineration facility demonstrate that the required combustion and destruction efficiency can be achieved at a lower temperature.

(4) The results of special studies referred to in paragraphs (1), (2) and (3) of this Regulation shall be recorded and attached to the survey report. A copy shall be sent to the Organization.

REGULATION 5

Operational Requirements

(1) The operation of the incineration system shall be controlled so as to ensure that the incineration of wastes or other matter does not take place at a flame temperature less than 1250 degrees centigrade, except as provided for in Regulation 4.

(2) The combustion efficiency shall be at least 99.95 ± 0.05% based on:

$$\text{Combustion efficiency} = \frac{C_{CO_2} - C_{CO}}{C_{CO_2}} \times 100$$

where C_{CO_2} = concentration of carbon dioxide in the combustion gases
C_{CO} = concentration of carbon monoxide in the combustion gases.

(3) There shall be no black smoke nor flame extension above the plane of the stack.

(4) The marine incineration facility shall reply promptly to radio calls at all times during the incineration.

REGULATION 6

Recording Devices and Records

(1) Marine incineration facilities shall utilize recording devices or methods as approved under Regulation 3. As a minimum, the following data shall be recorded during each incineration operation and retained for inspection by the Contracting Party who has issued the permit:

(a) continuous temperature measurements by approved temperature measuring devices;

(b) date and time during incineration and record of waste being incinerated;

(c) vessel position by appropriate navigational means;

(d) feed rates of waste and fuel—for liquid wastes and fuel the flow rate shall be continuously recorded; the latter requirement does not apply to vessels operating on or before 1 January 1979;

(e) CO and CO_2 concentration in combustion gases;

(f) vessel's course and speed.

(2) Approval forms issued, copies of survey reports prepared in accordance with Regulation 3 and copies of incineration permits issued for the wastes or other matter to be incinerated on the facility by a Contracting Party shall be kept at the marine incineration facility.

REGULATION 7

Control over the Nature of Wastes Incinerated

A permit application for the incineration of wastes or other matter at sea shall include information on the characteristics of wastes or other matter sufficient to comply with the requirements of Regulation 9.

REGULATION 8

Incineration Sites

(1) Provisions to be considered in establishing criteria governing the selection of incineration sites shall include, in addition to those listed in Annex III to the Convention, the following:

(a) the atmospheric dispersal characteristics of the area—including wind speed and direction, atmospheric stability, frequency of inversions and fog, precipitation types and amounts, humidity—in order to determine the potential impact on the surrounding environment of pollutants released from the marine incineration facility, giving particular attention to the possibility of atmospheric transport of pollutants to coastal areas;

(b) oceanic dispersal characteristics of the area in order to evaluate the potential impact of plume interaction with the water surface;

(c) availability of navigational aids.

(2) The coordinates of permanently designated incineration zones shall be widely disseminated and communicated to the Organisation.

REGULATION 9

Notification

Contracting Parties shall comply with notification procedures adopted by the Parties in consultation.

AN AGREEMENT made the day of One thousand nine hundred and eighty-four between—

THE STATE OF NEW SOUTH WALES of the second part,

THE STATE OF VICTORIA of the third part,

THE STATE OF QUEENSLAND of the fourth part,

THE STATE OF WESTERN AUSTRALIA of the fifth part,

THE STATE OF SOUTH AUSTRALIA of the sixth part,

THE STATE OF TASMANIA of the seventh part, and

THE NORTHERN TERRITORY OF AUSTRALIA of the eighth part.

WHEREAS:

(A) the Commonwealth and the States of Australia have from time to time entered into agreements for the purpose of the provision by the States with financial assistance from the Commonwealth of housing;

(B) by an agreement between the Commonwealth, the States of Australia and the Northern Territory of Australia dated the twenty-third day of December 1981, being the agreement authorized to be executed on behalf of the Commonwealth by the Housing Assistance Act 1981 of the Commonwealth Parliament and being the last of the agreements referred to in Recital (A), provision was so made with respect to the five years commencing on the 1st July 1981;

(C) the Ministers of the respective governments throughout Australia who are responsible for housing have agreed upon the provision of rental housing assistance and home purchase assistance in the various States and in the Northern Territory during the ten years commencing on the 1st July 1984;

(D) the primary principle of this agreement is to ensure that every person in Australia has access to adequate and appropriate housing at a price within his or her capacity to pay by seeking to:

- alleviate housing-related poverty; and
- ensure that housing assistance is, as far as possible, delivered equitably to persons resident in different forms of housing tenure;

in implementing this principle, assistance provided under the agreement will also reflect the following detailed principles:

(a) Assistance Generally

the primary consideration in delivering housing assistance under this agreement will be the needs of people, rather than to attach assistance to particular dwellings or categories of dwellings;

housing assistance provided under this agreement will be available to all sections of the community irrespective of age, sex, marital status, race, religion, disability or life situation. However, priority in granting assistance shall be determined by the need for assistance;

in delivering housing assistance, as far as possible, people should be given an equal choice between the types of housing assistance available;

housing assistance programs developed under this agreement should be designed so that maximum social benefit is derived from previous investment in housing;

housing assistance provided under this agreement should be co-ordinated with housing assistance programs that are developed outside this agreement;

(b) Public Rental Housing

programs and funding arrangements under this agreement should seek to develop the public housing sector as a viable and diversified form of housing choice and refrain from discrimination;

programs and funding arrangements under this agreement shall be developed so as to increase progressively the availability of public housing to a level commensurate with the need for it in the community;

public housing should reflect general community housing standards and should be accessible to community and other services. Poor location of dwellings, an inadequate range of choice of dwellings, and stigmatisation of the status of public tenants should be avoided to the maximum extent practicable;

public housing stock should, as far as possible, be designed to cater for the needs and preferences of current and likely future applicants;

clear recognition should be accorded to the separate but complementary roles of:

- capital expenditure on constructing and acquiring dwellings;
- financing of rental operations;
- managing rental operations including assistance for tenants; and
- sales of dwellings;

the design, style and siting of public housing will, to the maximum extent practicable:

- reflect the need for accessibility and suitability for habitation by disabled persons, Aboriginals, youth, the elderly, or other identified groups; and

- support the energy conservation policies of the governments;

public housing authorities should ensure that tenants have maximum opportunity to participate in the management of their dwellings and estates and in the development of public housing policies;

(c) Income-Related Assistance to Tenants

programs developed under this agreement should recognise the problems created by the inability of some tenants to afford adequate rental accommodation in both public and private rental sectors;

assistance measures in the public rental sector should be co-ordinated with assistance to private tenants and should recognise the income support nature of the assistance and the inter-relationship of this assistance with Commonwealth assistance to pensioners and other beneficiaries under the Social Security Act 1947;

(d) Home Ownership Assistance

assistance under this agreement shall seek to provide home ownership opportunities for those unable to obtain or maintain affordable finance from the private sector or from other sources outside the agreement;

(e) Implementation

the State will be able to exercise maximum autonomy and flexibility in developing the administrative arrangements necessary to achieve these principles;

(E) the Ministers referred to in Recital (C) recognise the relationship between the principles and policies reflected in this agreement and the need to co-ordinate these with those affecting generally home purchasers and tenants including tenants in private housing and in emergency and supported accommodation;

(F) it is proposed that in order to implement the agreement of the Ministers the Commonwealth will grant to the States financial assistance under section 96 of the Commonwealth of Australia Constitution and like assistance to the Northern Territory and that the terms and conditions on which the grant of financial assistance should be made are those set out in this agreement;

(G) the Commonwealth the States and the Northern Territory have decided that the agreement referred to in Recital (B) shall cease to operate on and from the first day of July 1984 and to vary in certain respects the operation of the agreements which have been entered into as aforesaid; and

and

(d) any other amount, including an amount exempted from State taxes or forgone pursuant to this agreement, that is agreed upon for the purposes of this paragraph by the Minister and the State Minister.

(5) Except as provided in subclause (4) matching funds shall not be derived from financial assistance under this agreement.

(6) There shall not be included in the calculation of surpluses referred to in paragraph *(a)* of subclause (4) amounts applied by the State in accordance with paragraph *(n)* of clause 30.

16. Matching funds in respect of a State other than in those referred to in paragraphs *(a)* and *(b)* of subclause 15 (4) shall be applied by the State on such housing programs of the State, in accordance with Recital (D), but not necessarily being programs for which this agreement provides, as are from time to time agreed between the Minister and the State Minister.

17. An amount exempted or forgone by the State shall be deemed for the purpose of clauses 15 and 16 to have been applied or expended respectively by that State in that year.

PART VII—FINANCIAL ASSISTANCE ARRANGEMENTS

18. (1) Each State will, not later than the thirtieth day of November preceding the beginning of a year of this agreement, inform the Minister in a reasonable form determined by the Minister after consultation with the State Minister of the amounts of financial assistance that the State wishes the Commonwealth to provide to it in respect of the year for home purchase assistance, rental housing assistance programs and specific housing assistance and at the same time will provide estimates of financial performance and planned programs for the year and revised estimates of that performance and those programs for the then current year.

(2) The Minister and the State Minister will consult as appropriate concerning the provision of financial assistance to the State, including additional financial assistance.

(3) In those consultations consideration shall be given to State requirements and practices.

19. (1) Financial assistance in respect of a year of this agreement shall be made available to a State during that year by regular monthly instalments unless otherwise agreed between the Minister and the Treasurer of the State.

(2) If, following consultation with the State Minister, the Minister is of the opinion that it is appropriate to do so, he may withhold a payment of financial assistance to a State which fails to comply with any of subclauses 15 (3), 18 (1), 43 (1) or 43 (2) until the State remedies that failure.

20. The State Minister will determine in accordance with Recital (D) in each year the allocation between home purchase assistance and rental housing assistance of the total amount of loan assistance and of grants of untied assistance to be provided by the Commonwealth to a State in that year and may at any time during a year vary the determination in respect of that year.

PART VIII—INTEREST AND REPAYMENTS OF LOAN ASSISTANCE

21. (1) Each payment of loan assistance to a State or so much of each payment as for the time being remains unrepaid to the Commonwealth will, until repayment as provided in clause 22, bear interest at the rate of 4½ per centum per annum computed from the date upon which the payment is made.

(2) A State will on the thirty-first day of December and the thirtieth day of June of a year during which payments of loan assistance are made to the State under this agreement pay to the Commonwealth the interest that has accrued on those payments up to the date of the payment of the interest.

22. Each State will repay to the Commonwealth the amount of each payment of loan assistance to the State and will pay interest thereon as provided in clause 21, other than that payable under

subclause 21 (2), by equal annual instalments of principal and interest so that the amount of the payment, together with the interest, will be repaid in 53 years from the beginning of the year next succeeding the year of this agreement in respect of which the payment was made, the first such instalment being payable on or before the end of the year next succeeding the year of this agreement in respect of which the payment was made.

23. Accounting procedures in respect of the repayment by a State of loan assistance will be as agreed upon between the Minister for Finance of the Commonwealth and the Treasurer of the State or, in default of agreement, as determined by the Minister for Finance of the Commonwealth.

PART IX—HOME PURCHASE ASSISTANCE

24. (1) The Home Purchase Assistance Account established by each State in pursuance of the 1978 Housing Agreement with respect to the State and the 1980 Housing Agreement with respect to the Northern Territory shall continue to be operated by the State for the purpose of this agreement and shall be "the Account" referred to in this Part.

(2) The moneys in the Account shall be made available for home purchase assistance in accordance with this Part.

26. (1) A State may use moneys in accordance with Recital (D) standing to the credit of the Account of the State for—

(a) making repayments of principal and payments of interest in respect of loan assistance under this agreement or, where accounts under previous housing arrangements have been combined into the Account, repayments of principal and payments of interest in respect of loan assistance by the Commonwealth to the State which have been allocated for home purchase assistance under those arrangements;

for the provision of home purchase assistance;

(e) providing in implementation of clause 27 a subsidy to a class or classes of home purchasers and such lending institutions as are from time to time agreed upon by the Minister and the State Minister to reduce the cost to home purchasers of interest;

(f) financing the construction and purchase of dwellings, including the purchase of dwellings from home purchasers, and financing purchases by home purchasers who are borrowers;

(i) urban renewal, housing advisory services and research and policy development in relation to matters not funded by the Australian Housing Research Council;

(j) expenditure in accordance with Part XI;

and

(k) such other purposes as are from time to time agreed upon by the Minister and the State Minister.

(2) In this clause references to societies are to societies registered as societies referred to under the relevant legislation of the State.

27. (1) The State shall ensure that—

(a) the rate of interest that is charged in respect of so much as is for the time being outstanding on a loan or under a terms contract of sale, as the case may be, to a home purchaser shall be the rate that is from time to time agreed between the Minister and the State Minister having regard to the then ruling minimum Commonwealth Savings Bank market rate for housing loans and other factors as are for this purpose from time to time agreed;

(b) the minimum amount in annual repayments or payments, repayable or payable on a loan or rental purchase, as the case may be, shall be the lesser of—

(i) the annual amount that would be payable under a credit foncier loan with a term of twenty-five years and at the interest rate referred to in paragraph *(a)*;

or

(ii) twenty per centum of the gross annual income of the home purchaser and, if applicable, the husband or wife of the home purchaser or of a person living with the home purchaser as his or her spouse on a *bona fide* domestic basis although not legally married to him or her;

(c) for the purpose of paragraph *(b)*, a review of gross income of home purchasers is undertaken triennially or at intervals as agreed between the Minister and State Minister and that repayments are also adjusted at least annually over the life of the loan or rental purchase by an amount or amounts, unless otherwise agreed, not less than the proportional change or changes in the Consumer Price Index or other economic index agreed from time to time between the Minister and the State Minister;

(d) subject to subclause (3) there is recovered from the home purchaser the amount by which in a year interest accruing in respect of the year at the rate referred to in this clause on the outstanding amount of the loan or rental purchase exceeds the amount of interest paid in that year;

(e) in relation to assistance under the First Home Owners Act 1983 payable by instalments to a home purchaser—

(i) the home purchaser requests that those instalments be paid to the lender or vendor, as the case may be;

and

(ii) regard not be had to receipt by the vendor or lender of those instalments for the purpose of causing the amount of annual payments or repayments to fall below that for which this clause provides;

and

(f) the provisions of this subclause and of subclause (2) are made applicable to any assistance for which this Part provides and which is made available on or after the first day of July 1985 unless prior to that date another date is agreed between the Minister and the State Minister.

(2) In accordance with Recital (D) the State may require that the minimum amount in annual repayments or payments be greater than that specified in paragraph *(b)* of subclause (1).

(3) The State Minister is to determine guidelines setting out circumstances in which recovery referred to in paragraph 1 *(d)* shall not be required. In so determining regard shall be had to movements in housing prices and in the income of home purchasers.

(4) The State may cause the provisions of any of the preceding subclauses except paragraph *(f)* of subclause (1) to be reflected in the terms of loans made under prior arrangements.

28. (1) Subject to clause 27, it shall be a matter for the State—

(a) to determine in accordance with Recital (D) eligibility and the amounts and conditions that are to apply, in respect of loans or rental purchase, to persons who are to receive home purchase assistance under this agreement and under previous housing arrangements but in this connexion regard shall be had to family income, assets of the borrower, size and standard of the housing and its location;

and

(b) to adopt other lending practices including capital indexed loans, high start loans and second mortgage lending which are best suited to achieve the principles of this agreement.

(2) The conditions of eligibility shall be such that assistance is provided to those persons who are not able to obtain mortgage finance assistance in the open market or from other sources.

(3) The State may reschedule repayments by borrowers or rental purchasers in the event of hardship.

PART X—RENTAL HOUSING ASSISTANCE

29. Funds available to a State during any year for its rental housing assistance program (for the purposes of this Part referred to as "rental housing assistance funds") shall consist of

(a) in respect of a year of this agreement, payments of loan assistance and grants that are made under this agreement for rental housing assistance;

and

(b) in respect of any year—

(i) any surplus during the year of revenue, after allowing for rent forgone, over outgoings incurred or provided for, arising directly from rental housing operations of the State under this agreement or previous housing arrangements and to which this agreement applies;

(ii) net proceeds from sale of rental housing and land acquired under previous housing arrangements or this agreement;

and

(iii) any other funds which the State allocates for rental housing assistance under this agreement.

30. Without by this clause conveying any implication that funds are to be made available by the Commonwealth for, or are to be applied by a State for, any particular purpose or in order of priority,

the purposes for which rental housing assistance funds may be used by the State in accordance with Recital (D) include the following—

(a) to meet the costs of and associated with the acquisition, planning and development of land primarily for residential development;

(b) to pay for the construction or acquisition of housing;

(f) to engage in urban renewal activities related to public housing;

(g) to allocate funds to local government bodies for the provision of rental housing where the State Minister considers that it would be more appropriate for such rental housing assistance to be carried out by those bodies;

(h) to make payments for, or provide bridging finance for, the provision of open space, landscaping, community facilities and for costs associated with land development, including contributions to headworks and reticulation of services;

(i) to undertake research and policy development in relation to matters not funded by the Australian Housing Research Council;

(k) to lease housing from the private housing sector;

(l) to provide housing advisory services related to public housing;

(m) to provide rental subsidy for eligible persons renting private housing;

(n) noting that the Commonwealth assists pensioners and other beneficiaries in the private rental market, to supplement, up to an amount determined in writing by the Minister in respect of each year, rental revenue reduced by the operation of clause 33 in respect of pensioners and other beneficiaries under the Social Security Act 1947;

(o) expenditure in accordance with Part XI;

and

(p) any other purposes agreed upon between the Minister and the State Minister.

31. The conditions of eligibility of persons for rental housing assistance shall be determined by the State in accordance with Recital (D) and so that priority in granting assistance is determined by the need for assistance.

32. (1) Subject to subclause (2) and clause 33, the State will in respect of its rental housing apply a policy of fixing rents at a level not less than that which would result from an application of the formula set out in the Second Schedule, and also review those rents at least annually.

(2) If the State wishes, it may phase in the said policy over a period of three years or other period which takes into account the level of rents prevailing in the private rental market and is agreed to between the Minister and the State Minister.

33. The State shall forgo the collection of so much of rents fixed in accordance with clause 32 as it considers that tenants having regard primarily to their income are not able to afford to pay.

34. (1) A State may sell rental housing but such sales, if any, shall be in accordance with Recital (D) and subject to the following conditions—

(a) all sales of housing shall be at market value or replacement cost at the time of the sale but not so as to preclude the State, if it so wishes, from providing a credit to the tenant in recognition of improvements that the tenant has made to the housing except that, in the case of any body, co-operative, group or other organization which makes available rental housing provided under this agreement and in respect of which it is agreed between the Minister and State Minister, sales need not be at that value or cost;

(b) in all sales of rental housing, the vendor is, at or prior to the date of the sale, to have received an amount calculated in accordance with paragraph *(a)*;

(c) in the case of a rental purchase, home purchase assistance funds are to be used to enable the vendor to receive an amount referred to in paragraph *(b)*;

and

(d) net proceeds from sales of housing shall be applied to construct or purchase replacement housing which is to be included in rental housing for the purpose of this agreement.

(2) The State will ensure that if any body, co-operative, group or other organization which acquires housing with rental housing assistance funds or acquires, at other than market value or replacement cost, rental housing from the State, sells, otherwise disposes of, or uses that housing for a purpose other than rental housing as provided for under this Part, it shall repay to the State an amount equal to the net proceeds from the sale, at market value or replacement cost, of that housing.

PART XI—SPECIFIC HOUSING ASSISTANCE

35. The Minister may, in writing under his hand, authorize, subject to guidelines made consistently with this agreement and agreed between the Minister and State Minister relating to the following programs including guidelines as to the provision of any funds by the State in relation to each program, grants to the State for expenditure on—

40. If the Minister, in writing under his hand, informs the Treasurer of a State he is satisfied that the State has failed to ensure that an amount of financial assistance provided to the State has been applied for the purposes and in the manner provided for by this agreement with respect to that financial assistance, the State will repay that amount, or such part of that amount as the Minister thinks reasonable, to the Commonwealth.

41. If a State fails for any reason to meet the requirement for the provision by it of matching funds in accordance with Part VI or Part XI with respect to any financial assistance that has been provided to it, the State will upon request by the Minister, in writing under his hand, repay to the Commonwealth the amount of that financial assistance or so much of that amount as is specified in the request.

The following formula is to be used to determine real cost rents for public rental accommodation. States are to charge rents at least equal to those resulting from the use of this formula. The formula is not to be applied to the costs of individual dwellings but rather to the total cost pool of the rental stock. In allocating the total cost rent pool to individual tenancies States will have regard to variation in housing standards and locations within the constraints of available administrative arrangements for assessing these variations.

The costs to be recovered in this area are ordinarily listed in the rental accounts of State housing authorities as yearly expenditure items. These include:

(d) specific operating expenses associated with particular types of units;

(e) annual maintenance;

(f) yearly allowance for rent arrears and debts written off;

(h) leasing expenses related to land and dwellings;

(ii) the value of capital improvement will be based on the estimated current capital improved value;

(iii) the minimum annual depreciation rate will be not less than the rate resulting from a term of 75 years.

IN WITNESS WHEREOF etc.

In the name and on behalf of Her Majesty, I hereby assent to this Bill.

and

(ii) charges by the Board in respect of so much of the cost to the Board of that proportion of the remuneration payable under an agreement in force under the Commonwealth Act by the Board to the authorized receiver at the place referred to in subparagraph (i) that is specified in a notice from the authorized receiver to the Board under section 26 as would be applicable to the wheat if the wheat had been delivered to the authorized receiver at that place;

(d) other necessary adjustments.

(6) An additional matter for which allowances referred to in subsection (4) in respect of wheat of a particular category of a season may be calculated is the quality of the wheat.

(7) The power of the Board to determine allowances referred to in subsection (2) or (4) includes a power to determine allowances with respect to some only of the matters set out in subsections (5) and (6) and to determine different allowances with respect to different grades or different prescribed classes of any category of wheat.

(8) Where the price received by the Board under a contract of sale of wheat entered into under section 13 differs from the price that would be the appropriate price for the wheat if the wheat were Australian standard white wheat sold under a contract of sale to which section 21 applied, the amount of an advance payment that would, but for this subsection, be payable under subsection (1) or (3) in respect of that wheat shall—

(a) where the first mentioned price is less than the second mentioned price—be reduced by the amount of the difference between the two prices;

or

(b) where the first mentioned price exceeds the second mentioned price—be increased by the amount of the difference between the two prices.

(9) The Board may make advances to a person on account of interim advance payments under subsection (1) in respect of wheat of each category of a season.

(10) An interim advance payment under subsection (1) in respect of wheat shall be reduced by an amount equal to the aggregate of—

(a) the amount of any advance under subsection (9);

and

(b) the amount of any advance payment made by the Board under the repealed Act,

in respect of that wheat.

(11) A final advance payment under subsection (3) in respect of wheat shall be reduced by the amount of any interim advance payment under subsection (1) in respect of that wheat.

(12) An advance payment in respect of wheat of a category of a season under subsection (1) or (3)—

(a) may be paid as a lump sum on, or as soon as practicable after, delivery of the wheat to the Board;

(b) if the Board and the person to whom the payment is to be made agree, may be paid at such later time as is, or may comprise two or more payments to be made at such later times as are, determined by agreement between the Board and that person, and shall be paid on such conditions (including conditions relating to the payment to that person of interest on the amount of the advance payment that is from time to time unpaid) as are so determined.

(13) The Board shall not enter into an agreement of a kind referred to in subsection (12) *(b)* with a person in relation to an advance payment under this section in respect of wheat of a particular category of a season on conditions that are inequitable as regards other persons who have received, or will receive, such advance payments under this section in respect of wheat of that category of that season.

(14) Where—

(a) wheat is delivered to the Board at a particular place on a day (in this subsection referred to as the "delivery day") within a prescribed period in relation to that place;

(b) the wheat was available for delivery on the prescribed day in relation to that place;

and

(c) an interim advance payment under subsection (1) is payable in respect of the wheat,

the Board may, in calculating an allowance for the matter referred to in subsection (5) *(b)* (iii), include an amount equal to the amount of interest that the person to whom the interim advance payment is payable would have received if that person—

(d) had delivered the wheat to the Board on the prescribed day;

and

(e) had, on that day, entered into an agreement under subsection (12) *(b)* providing for the payment of the whole of the interim advance payment on the delivery day.

(15) The obligations of the Board under this section in respect of any wheat are subject to the operation of the Wheat Tax Acts.

(16) In this section—

"prescribed class", in relation to wheat of a particular category, means a class determined by the Board of wheat of that category, being a class so determined by reference to a variety or varieties of wheat, whether or not it is also so determined by reference to another criterion or other criteria:

"prescribed day", in relation to the delivery of wheat to the Board at a particular place, is the day on which, in the opinion of the Minister, wheat would normally become available for delivery at that place:

"prescribed period", in relation to a particular place, means the period of twelve weeks commencing on the expiration of the period of two weeks after the prescribed day in relation to that place:

"season" does not include the season commencing on the first day of July, 1989, or the next succeeding season.

Final payment for wheat of season other than last two seasons.

16. (1) Where the net pool return rate for wheat of a season exceeds the guaranteed minimum price for Australian standard white wheat of that season, the Board shall make a final payment of an amount determined in accordance with subsection (2) for Australian standard white wheat of that season acquired by the Board under this Act.

(2) Subject to subsection (6), the Board shall determine an amount payable under subsection (1) in respect of Australian standard white wheat of a season by—

(a) calculating the amount that the final advance payment under section 15 in respect of that wheat would have been if—

(i) the reference in section 15 to the guaranteed minimum price for Australian standard white wheat of that season

were a reference to the net pool return rate for wheat of that season;

(ii) the net pool return for that season were reduced by an amount (if any) equal to the amount, or the sum of the amounts, deducted by the Board from the disposal of wheat of that season and paid into a reserve account under section 7 of the Commonwealth Act;

and

(iii) the net pool return for that season were adjusted to take into account the result of any contract or dealing of the kind referred to in section 16 (2) *(d)* (i) of the Commonwealth Act that was entered into or that took place in relation to that season;

and

(b) deducting from the amount calculated in accordance with paragraph *(a)* the amount of the final advance payment under section 15 in respect of that wheat.

(3) For the purpose of determining whether or not to make a final payment for wheat of a prescribed category of a season acquired by the Board under this Act, the Board shall make a calculation in accordance with subsection (4) in relation to wheat of that category of that season and, where the amount per tonne for that wheat calculated in accordance with that subsection is a positive amount, the Board shall make a final payment per tonne for such wheat of an amount calculated by—

(a) taking the aggregate of that positive amount and the guaranteed minimum price for wheat of that category of that season;

and

(b) deducting from that aggregate the amount per tonne of the final advance payment under section 15 in respect of that wheat.

(4) For the purposes of the application of subsection (3) in relation to wheat of a prescribed category of a season—

(a) the guaranteed minimum price for Australian standard white wheat of that season shall be deducted from the net pool return rate for wheat of that season;

and

(b) where—

(i) the gross return per tonne for wheat of that category of that season does not exceed the gross return per tonne for Australian standard white wheat of that season—
the amount per tonne of the final difference in relation to wheat of that category shall be deducted from the amount per tonne of the original difference in relation to wheat of that category and the amount so obtained shall be added to the amount calculated in accordance with paragraph *(a)*;

and

(ii) the gross return per tonne for wheat of that category of that season exceeds the gross return per tonne for

Australian standard white wheat of that season—the amount per tonne of the original difference referred to in subparagraph (i) shall be deducated from the amount per tonne of the final difference referred to in that subparagraph and the amount so obtained shall be added to the amount calculated in accordance with paragraph *(a)*.

(5) In subsection (4)—

"final difference", in relation to wheat of a prescribed category, means the difference between—

(a) the gross return per tonne for wheat of that category;

and

(b) the gross return per tonne for that wheat that would, in the opinion of the Board, have been received by the Board from the disposal of that wheat if that wheat had been Australian standard white wheat sold at the same times and in the same quantities as that wheat was sold:

"original difference", in relation to wheat of a prescribed category, means the difference that was calculated for the purposes of section 15 (3) *(b)* of the Commonwealth Act between the gross return per tonne and the notional gross return per tonne for wheat of that category.

(6) An amount payable under subsection (1) or (3) in respect of wheat of a season to a person who has purchased a quantity of wheat of that season (in this subsection referred to as the "purchased quantity of wheat") from the Board in accordance with section 21 (8) shall be calculated in accordance with the formula:

$$A - \frac{AB}{C}$$

where—

A is the amount that, but for this subsection, would be the amount required to be paid by the Board to the person under subsection (1) or (3), as the case requires, in respect of that season:

B is the purchased quantity of wheat:

and

C is the total quantity of wheat of that season acquired by the Board from the person under this Act.

(7) The Board may make advances on account of final payments under subsection (1) or (3).

(8) For the purposes of calculating the amount referred to in subsection (2) *(a)* in respect of Australian standard white wheat of a season, the amount of the final advance payment under section 15 in respect of that wheat shall be increased or decreased, as the case may be, by the same amount of allowances in respect of the matters referred to in section 15 (5) and (6) as the amount of that final advance payment was increased or decreased.

(9) For the purposes of this section, the net pool return rate for wheat of a season shall be calculated as if the net pool return for that season were

calculated taking into account the adjustments referred to in subsection (2) *(a)* (ii) and (iii).

(10) In this section, "season" does not include the season commencing on the first day of July, 1989, or the next succeeding season.

Adjustments for allowances made under section 15.

17. (1) In this section, "adjusted advance payment", in relation to a person who has received a final advance payment under section 15 (3) in respect of a season, means, subject to subsection (2), the amount that, in the opinion of the Board, would have been the amount of the final advance payment made to that person under section 15 (3) in respect of that season if the amount of that payment had been calculated at the time when the amount of allowances for the matters referred to in section 15 (5) and (6) in relation to that person could be finally ascertained.

(2) The amount of an adjusted advance payment under this section in respect of wheat sold under a contract entered into by a person under section 13 shall be determined as if the amount of allowances for the matter referred to in section 15 (6) was the same as the amount of allowances for that matter calculated for the purpose of determining the amount of the final advance payment under section 15 (3) in respect of that wheat.

(3) The amount of the adjusted advance payment for a season in relation to a person who has purchased a quantity of wheat of that season from the Board in accordance with section 21 (8) shall be adjusted by such allowances as the Board considers proper for the quality of wheat of that season acquired by the Board from the person under this Act compared to the quality of the wheat so purchased by the person from the Board, having regard to allowances that were taken into account by the Board in determining the price for the wheat so purchased.

(4) Where the adjusted advance payment in relation to a person in respect of a season is greater than the amount of the final advance payment made to that person under section 15 (3) in respect of that season, the Board shall pay to that person an amount equal to the difference between that adjusted advance payment and the amount of that final advance payment.

(5) Where the amount of the final advance payment made to a person under section 15 (3) in respect of a season is greater than the adjusted advance payment in relation to the person in respect of that season, the person is liable to pay to the Board an amount equal to the difference between the amount of that final advance payment and that adjusted advance payment.

(6) The Board may deduct the whole or a part of an amount payable by a person to the Board under subsection (5) or the corresponding provision of the repealed Act from an amount payable by the Board to the person under section 15, 16 or 18 or a corresponding provision of the Commonwealth Act, the former Commonwealth Act or of a State Act or of the repealed Act.

(7) An amount payable by a person to the Board under subsection (5) is a debt due by the person to the Board and may be recovered as a debt due to the Board by action against the person in a court of competent jurisdiction.

(8) The Board may make advances on account of payments under subsection (4).

(9) Where a person has received final advance payments under section 15 (3) in respect of two or more categories of wheat of a season, a reference

in this section to the amount of the final advance payment received by the person shall be read as a reference to the aggregate of the amounts of those final advance payments.

Payment in lieu of payment under section 16.

18. (1) A person may, at any time after payment to the person of a final advance payment under section 15 in respect of wheat and before payment of a final payment under section 16 in respect of the wheat, apply to the Board for a payment under this section in respect of the wheat.

(2) Where a person to whom a final advance payment under section 15 has been made dies, an application may be made under subsection (1) by the trustee of the estate of the person.

(3) An application under subsection (1) shall be in accordance with a form approved by the Board.

(4) Subject to this section, the Board shall grant each application under subsection (1).

(5) The Board shall not grant an application under subsection (1) in respect of wheat where, in the opinion of the Board, the amount of the final payment under section 16 in respect of that wheat cannot reasonably be estimated or no final payment under that section is likely to be made.

(6) The Board may refuse to grant an application under subsection (1) in respect of wheat if the Board proposes to make a final payment under section 16 in respect of that wheat within three months after the receipt by the Board of the application, but, if at the expiration of that three months the Board has not made such a final payment, the Board shall, subject to subsection (5), grant the application.

(7) A person to whom a payment is made under this section in respect of wheat is not entitled to a final payment under section 16 in respect of that wheat.

(8) The amount of a payment in respect of wheat of a season under this section shall be an amount estimated by the Board of the amount of the final payment that would, if the first mentioned payment were not made, be payable to the person under section 16 reduced by such amount as the Board considers proper having regard to—

(a) the cost to the Board of borrowing moneys for the purpose of making payments under this section in respect of wheat of that season;

(b) the administrative costs incurred by the Board in dealing with the application;

and

(c) such other factors as the Board considers relevant.

19. (1) In this section, "season to which this section applies" means the season commencing on the first day of July, 1989, or the next succeeding season.

(2) Where any wheat of a season to which this section applies is acquired by the Board under this Act, the Board shall pay for that wheat an amount determined by the Commonwealth Minister equal to the amount that would be determined by the Commonwealth Minister in accordance with section 30 (3) of the Commonwealth Act in respect of that wheat if

that wheat were wheat to which section 30 of the Commonwealth Act applied.

(3) The Board may, with the approval of the Commonwealth Minister, make advances on account of payments referred to in subsection (2).

(4) The obligation of the Board under this section in respect of any wheat is subject to the operation of the Wheat Tax Acts.

Payment by Board.

20. (1) Subject to subsections (4) and (5) and to any other law to which the Board is subject, an amount payable under section 15, 16, 17, 18 or 19 in respect of any wheat is payable to the person who would have been entitled to receive the price of the wheat if the wheat had been lawfully sold to the Board at the time of the acquisition of the wheat by the Board.

(2) The same rights (if any) exist against the person receiving an amount paid by the Board under section 15, 16, 17, 18 or 19 in respect of wheat as would exist if the moneys so paid were the proceeds of a sale or purported sale of the wheat by the person, and any such rights may be enforced by action in any court that would have had jurisdiction if the moneys were the proceeds of such a sale or purported sale.

(3) Payment in good faith by the Board of any moneys payable under this Act to the person appearing to the Board to be entitled to receive them discharges the Board from any further liability in respect of those moneys.

(4) An assignment of moneys payable by the Board in respect of wheat delivered to the Board (not including a registered crop lien) is voidable at the instance of the Board.

(5) An assignment of moneys payable by the Board in respect of wheat delivered to the Board, being a registered crop lien, is voidable at the instance of the Board unless and until notice in writing of the registration of the lien has been furnished to the Board by the holder of the lien.

Home consumption price of wheat.

21. (1) The price at which, during a season, the Board shall, by a contract made in the State (other than a contract entered into under section 13), sell wheat for use in Australia is the appropriate price that is applicable in accordance with this section.

(2) Subject to subsection (5), during a quarter (in this subsection referred to as the "relevant quarter") the price per tonne of Australian standard white wheat in bulk sold free on rail at a port of export for human consumption in Australia is such price as is determined by the Commonwealth Minister, or by a person authorized in writing by the Commonwealth Minister, as the case may be, for the purposes of section 32 (2) of the Commonwealth Act with respect to the relevant quarter.

(3) Subject to subsections (4) and (5)—

(a) the price for Australian standard white wheat in bulk sold free on rail at a port of export for a use (in this section referred to as the "relevant use") in Australia that is a stockfeed use is such price as is determined from time to time by the Board in respect of the relevant use;

and

(b) the price for Australian standard white wheat in bulk sold free on rail at a port of export for a use (in this section also referred to as the "relevant use") in Australia that is an industrial use

(4) A price determined for a relevant use under subsection (3)—

(a) shall not vary as between wheat at one port of export and wheat at another port of export;

and

(b) shall be the same as any corresponding price determined by the Board under a provision of the Commonwealth Act or of a State Act that corresponds to subsection (3).

(6) The price in respect of wheat that is not Australian standard white wheat in bulk sold free on rail at a port of export is such price as the Board determines by adding to, or deducting from, the price that would be applicable to the wheat if it were Australian standard white wheat in bulk sold free on rail at a port of export an amount by way of allowances in respect of the quality of the wheat, the conditions of sale and the place of delivery of the wheat.

(7) The Board may discount a price for wheat sold by the Board other than for human consumption on the basis of the quantity of wheat so sold.

(8) The price for Australian standard white wheat in bulk, being wheat of a season sold free on rail at a port of export before the final purchasing day for that season to a person who has delivered wheat of that season to the Board for a stockfeed use by the person in Australia, is the price determined from time to time by the Board to be an equitable price in respect of the sale of wheat of that season to the person in respect of that stockfeed use, being a price that is not less than the price per tonne paid to the person by the Board under section 15 (3) for wheat of that season increased or decreased by such allowances as the Board considers proper for—

(a) the costs incurred by the Board in handling and storing that wheat before it is sold to the person;

(b) any costs incurred by the Board in delivering that wheat to the person;

and

(c) other necessary adjustments.

(9) The Board may, in determining a price in respect of the sale of wheat of a season under subsection (8) to a person who has delivered wheat of that season to the Board, make allowances for the quality of the wheat sold to the person under that subsection compared to the quality of the wheat of that season delivered by the person to the Board.

(10) For the purposes of subsection (8), wheat shall be taken to be sold to a person for a stockfeed use by the person if it is sold to the person for a stockfeed use—

(a) by the person at the farm at which the wheat of that season that was delivered to the Board by the person was harvested;

or

(b) by the person or by another person at an associated farm approved by the Board.

(11) The Board shall not sell to a person under subsection (8) a total amount of wheat of a season that is greater than the total amount of wheat of that season delivered to the Board by the person.

(a) the amount referred to in subsection (5) of this section that was applicable in relation to the wheat at the time when the wheat was sold by the Board;

and

(b) the amount (if any) determined by the Commonwealth Minister under section 32 (2) *(b)* of the Commonwealth Act that was applicable in relation to the wheat at the time when the wheat was sold by the Board.

(13) An application under subsection (12) shall be in accordance with a form approved by the Board.

and

(b) payments made out of those moneys,

(2) The Board may combine the account required to be kept under subsection (1) with any similar account or accounts to be kept by it under the Commonwealth Act or a State Act.

(3) The Board shall use the moneys referred to in subsection (1) in meeting the costs of shipment of wheat by the Board to a port in Tasmania, and shall not use for that purpose any other moneys derived by it from the sale of wheat acquired by it under this Act.

(4) The Board shall not meet any costs of shipment of wheat under subsection (3) to the extent that those costs exceed the costs of shipment of

that wheat from whichever of the following ports in Victoria the costs of that shipment are lower:

(a) Geelong;

(b) Portland.

(5) Any moneys referred to in subsection (1) that are not, and in the opinion of the Board are not likely to be, required for the purpose of payments under subsection (3) shall be applied by the Board for the benefit of the wheat industry in such manner as the Commonwealth Minister, after consultation with the appropriate Minister of each State, directs.

(6) Any moneys referred to in section 22 (1) of the repealed Act, as continued in force by section 30 of this Act, that remain unexpended after the Board has made the final payment required to be made under section 22 (3) of that Act shall be deemed to be moneys referred to in subsection (1) of this section.

(7) In relation to sales of wheat by the Board for shipment to a port in Tasmania in respect of which the Board bears the cost of shipment, the Board shall take such measures as are practicable to obtain recoupment of the cost of the shipment in respect of such of that wheat as is used in the production in Tasmania of wheat products that are sent to other States for use in Australia, and may include in any contracts made by the Board provisions for that purpose.

(8) Any moneys received by the Board in accordance with subsection (7) by way of recoupment of costs of shipment shall be deemed to be moneys referred to in subsection (1).

ANNO TRICESIMO TERTIO

ELIZABETHAE II REGINAE

A.D. 1984

****

No. 91 of 1984

An Act to make provision for the operation of the National Crime Authority in South Australia.

[*Assented to 29 November 1984*]

BE IT ENACTED by the Governor of the State of South Australia, with the advice and consent of the Parliament thereof, as follows:

Short title.

1. This Act may be cited as the "National Crime Authority (State Provisions) Act, 1984".

Commencement.

2. This Act shall come into operation on a day to be fixed by proclamation.

Interpretation.

3. (1) In this Act, unless the contrary intention appears—

"Attorney-General" means the Attorney-General of the State:

"Commonwealth Act" means the *National Crime Authority Act* 1984 of the Commonwealth:

"Commonwealth Minister" means the Minister of State of the Commonwealth administering the Commonwealth Act:

"hearing" means a hearing for the purposes of a special investigation:

"Minister" means the Minister of the Crown of the State administering this Act:

"prescribed" means prescribed by this Act or by regulations made under this Act:

"Registrar", in relation to a court, means the proper officer, however described, of that court:

"special function" means a special function referred to in section 5 (4):

"special investigation" means an investigation that the Authority is conducting in the performance of its special functions.

(2) Expressions used in this Act that are also used in the Commonwealth Act have in this Act, unless the contrary intention appears, the same respective meanings as those expressions have in the Commonwealth Act.

(3) Where the Authority suspects that an offence that is not a relevant offence as defined in section 4 (1) of the Commonwealth Act may be directly or indirectly connected with, or may be a part of, a course of activity involving the commission of a relevant offence as so defined, whether or not the Authority has identified the nature of that relevant offence, the first mentioned offence shall, for so long only as the Authority so suspects, be deemed, for the purposes of this Act, to be a relevant offence.

Act to bind the Crown.

4. This Act binds the Crown in right of the State.

Functions under laws of the State.

5. (1) The Minister may, with the approval of the Inter-Governmental Committee, by notice in writing to the Authority, refer a matter relating to a relevant criminal activity to the Authority for investigation insofar as the relevant offence is, or the relevant offences are or include, an offence or offences against a law of the State.

(2) Where a matter has been so referred to the Authority, the Authority is not precluded by any law of the State from investigating that matter.

(3) A notice referred to in subsection (1) referring a matter to the Authority—

(a) shall describe the general nature of the circumstances or allegations constituting the relevant criminal activity;

(b) shall state that the relevant offence is, or the relevant offences are or include, an offence or offences against a law of the State but need not specify the particular offence or offences;

and

(c) shall set out the purpose of the investigation.

(4) Where a reference to the Authority made by the Minister under subsection (1) is in force in respect of a matter relating to a relevant criminal activity, it is a special function of the Authority to investigate the matter insofar as the relevant offence is, or the relevant offences are or include, an offence or offences against a law of the State.

(5) Where a matter has been referred to the Authority in accordance with subsection (1), the Minister may at any time, by notice in writing to the Authority, withdraw the reference.

Performance of functions.

6. (1) The Authority shall, in performing a special function, assemble any evidence of an offence against a law of the Commonwealth or of a Territory, or of an offence against a law of a State, that it obtains in the course of its investigations, being evidence that would be admissible in the prosecution of a person for that offence, and furnish that evidence to the Attorney-General of the Commonwealth or of the State or to the relevant law enforcement agency.

(2) The Authority shall, in performing a special function, co-operate and consult with the Australian Bureau of Criminal Intelligence.

(3) Where, as a result of the performance of a special function, the Authority considers that a recommendation should be made to the Minister, to the Commonwealth Minister or to the appropriate Minister of the Crown of another participating State, being a recommendation—

(a) for reform of the law relating to relevant offences, including—

(i) evidence and procedure applicable to the trials of relevant offences;

(ii) relevant offences in relation to, or involving, corporations;

(iii) taxation, banking and financial frauds;

(iv) reception by Australian courts of evidence obtained in foreign countries as to relevant offences;

and

(v) maintenance and preservation of taxation, banking and financial records;

(b) for reform of administrative practices;

or

(c) for reform of administration of the courts in relation to trials of relevant offences,

the Authority may make the recommendation to the Minister, to the Commonwealth Minister or to that Minister of the Crown of that other participating State, as the case may be.

(4) In relation to the performance by the Authority of a special function, nothing in this Act (other than section 17)—

(a) shall be taken to confer on a member, or on a member of the staff of the Authority (other than a member of the Australian Federal Police or a member of the police force of a State), a power to interview a person in relation to an offence that the person is suspected of having committed, except in a case where the person has been served, as prescribed, with a summons to appear as a witness at a hearing before the Authority and has not yet so appeared;

or

(b) shall be taken to confer on a member of the staff of the Authority who is a member of the Australian Federal Police or of the police force of a State a power to interview a person that the member of the staff of the Authority does not have in the member's capacity as a member of the Australian Federal Police or of the police force of that State, as the case may be.

(5) Nothing in subsection (4) *(a)* shall be taken to affect a power of a member, or of a member of the staff of the Authority, to interview a person otherwise than in relation to an offence that the person is suspected of having committed.

(6) Where the Authority has obtained particular information or intelligence in the course of performing a special function, nothing in this Act shall be taken to prevent the Authority from making use of the information or intelligence in the performance of any of its other functions.

Members may have concurrent functions and powers under laws of the State.

7. If—

(a) with the consent of the Inter-Governmental Committee, any functions or powers in relation to the investigation of matters relating to relevant criminal activities are conferred on a member or members by the Governor or a Minister;

and

(b) the Commonwealth Minister informs the member or members in writing that the Commonwealth Minister is satisfied that those functions or powers may conveniently be performed or exercised in conjunction with the performance or exercise by the Authority of its functions or powers under the Commonwealth Act,

then, notwithstanding anything contained in any other provision of this Act, the member or members referred to in paragraph *(a)* shall perform the functions, or may exercise the powers, referred to in that paragraph in conjunction with the performance or exercise by the Authority of its functions or powers under the Commonwealth Act, this Act or any corresponding Act of another State, and the members of the staff of the Authority may be employed by the Authority in assisting the member or members referred to in paragraph *(a)* in the performance of the functions or the exercise of the powers referred to in that paragraph.

Limitation on challenges to validity of references.

8. Where, with the approval of the Inter-Governmental Committee, the Minister refers a matter to the Authority for investigation, then, except in a proceeding instituted by the Attorney-General of the Commonwealth or the Attorney-General of a State, any act or thing done by the Authority in pursuance of the reference shall not be challenged, reviewed, quashed or called in question in any court of the State on the ground that any necessary approval of the Inter-Governmental Committee or consent of the Commonwealth Minister has not been obtained or was not lawfully given.

Co-operation with law enforcement agencies.

9. In performing its special functions, the Authority shall, so far as is practicable, work in co-operation with law enforcement agencies.

Incidental powers of Authority.

10. The Authority has power to do all things necessary to be done for or in connection with, or reasonably incidental to, the performance of its special functions, and any specific powers conferred on the Authority by this Act shall not be taken to limit by implication the generality of this section.

Arrangements for Authority to obtain information or intelligence.

11. The Minister may make an arrangement with the Commonwealth Minister for the Authority to be given by the State, or by an authority of the State, information or intelligence relating to relevant criminal activities.

Search warrants.

12. (1) A member of the Authority may apply to a Judge of a prescribed court for the issue of a warrant under subsection (2) if—

(a) the Authority has reasonable grounds for suspecting that, on a particular day (in this section referred to as the "relevant day"), being the day on which, or a particular day within one month after the day on which, the application is made, there may be, upon any land or upon or in any premises, vessel, aircraft or vehicle, a thing or things of a particular kind connected with a matter relating to a relevant criminal activity, being a matter into which the Authority is conducting a special investigation (in this section referred to as "things of the relevant kind");

and

(b) the Authority believes on reasonable grounds that, if a summons were issued for the production of the thing or things, the thing or things might be concealed, lost, mutilated or destroyed.

(2) Where an application under subsection (1) is made to a Judge of a prescribed court, the Judge may issue a warrant authorizing a member of

the Australian Federal Police or of the police force of a State, or any other person, named in the warrant, with such assistance as the member or person thinks necessary and if necessary by force—

(a) to enter upon the land or upon or into the premises, vessel, aircraft or vehicle;

(b) to search the land, premises, vessel, aircraft or vehicle for things of the relevant kind;

and

(c) to seize any things of the relevant kind found upon the land or upon or in the premises, vessel, aircraft or vehicle and deliver things so seized to the Authority.

(3) A Judge shall not issue a warrant under subsection (2) unless—

(a) an affidavit has been furnished to the Judge setting out the grounds on which the issue of the warrant is being sought;

(b) the applicant (or some other person) has given to the Judge, either orally or by affidavit, such further information (if any) as the Judge requires concerning the grounds on which the issue of the warrant is being sought;

and

(c) the Judge is satisfied that there are reasonable grounds for issuing the warrant.

(4) Where a Judge issues a warrant under subsection (2), the Judge shall state on the affidavit furnished as mentioned in subsection (3) *(a)* which of the grounds specified in that affidavit has or have been relied on to justify the issue of the warrant and particulars of any other grounds relied on to justify the issue of the warrant.

(5) A warrant issued under this section shall—

(a) include a statement of the purpose for which the warrant is issued, which shall include a reference to the matter relating to a relevant criminal activity into which the Authority is conducting a special investigation and with which the things of the relevant kind are connected;

(b) state whether entry is authorized to be made at any time of the day or night or during specified hours of the day or night;

(c) include a description of the kind of things authorized to be seized;

and

(d) specify a date, not being later than one month after the date of issue of the warrant, upon which the warrant ceases to have effect.

(6) A warrant issued under this section may be executed, in accordance with its terms, at any time during the period commencing on the relevant day and ending on the date specified in the warrant as the date upon which the warrant ceases to have effect.

(7) Where, in the course of searching, in accordance with the terms of a warrant issued under this section, for things of the relevant kind, the person executing the warrant finds a thing that the person believes on reasonable grounds to be evidence that would be admissible in the prosecution

of a person for an offence against a law of the Commonwealth, of a State or of a Territory, and the first mentioned person believes on reasonable grounds that it is necessary to seize the thing in order to prevent its concealment, loss, mutilation or destruction, or its use in committing such an offence, that person may seize the thing and, if the thing is so seized, it shall be deemed, for the purposes of this Act, to have been seized pursuant to the warrant.

(8) Where a thing is seized pursuant to a warrant issued under this section—

(a) the Authority may retain the thing if, and for so long as, retention of the thing by the Authority is reasonably necessary for the purposes of a special investigation to which the thing is relevant;

and

(b) if the retention of the thing by the Authority is not, or ceases to be, reasonably necessary for such purposes, the Authority shall cause the thing to be delivered to—

(i) if the thing may be used in evidence in proceedings of a kind referred to in subsection (13)—the Authority or person responsible for taking the proceedings;

or

(ii) if subparagraph (i) does not apply—the person who appears to the Authority to be entitled to the possession of the thing,

unless the Authority has furnished the thing to the Attorney-General of the Commonwealth or of a State, or to a law enforcement agency, in accordance with the Commonwealth Act, this Act or an Act of another State.

(9) The Authority may, instead of delivering a thing in accordance with subsection (8) *(b)* (ii), deliver the thing to the Attorney-General of the Commonwealth or of a State, or to a law enforcement agency, for the purpose of assisting in the investigation of criminal offences, where the Authority is satisfied that the thing is likely to be useful for that purpose.

(10) Nothing in this section affects a right of a person to apply for, or the power of a person to issue, a warrant, being a right or power existing otherwise than by virtue of this section.

(11) A reference in this section to a Judge of a prescribed court shall be construed as a reference to—

(a) a Judge of the Federal Court;

or

(b) a Judge of a court of the State.

(12) In this section, "thing" includes a document.

(13) Without limiting the generality of subsection (1) *(a)*, a reference in this section to a thing connected with a matter relating to a relevant criminal activity, being a matter into which the Authority is conducting a special investigation, includes a reference to a thing that may be used in evidence in proceedings for the taking, by or on behalf of the Crown in right of the State, of civil remedies in respect of a matter connected with, or arising out of, an offence to which the relevant criminal activity relates.

Application by telephone for search warrants.

13. (1) Where, by reason of circumstances of urgency, the Authority considers it necessary to do so, a member of the Authority may make application by telephone for a warrant under section 12.

(2) Before so making application, the member shall prepare an affidavit that sets out the grounds on which the issue of the warrant is being sought, but may, if it is necessary to do so, make the application before the affidavit has been sworn.

(3) Where a Judge issues a warrant under section 12 upon an application made by telephone, the Judge shall—

(a) complete and sign the warrant;

(b) inform the member who made the application of the terms of the warrant and the date on which and the time at which it was signed;

(c) record on the warrant the reasons for issuing the warrant;

and

(d) send a copy of the warrant to the Authority.

(4) Where a warrant is issued under section 12 upon an application made by telephone, a member of the staff of the Authority or a member of the Australian Federal Police or of the police force of a State may complete a form of warrant in the terms indicated by the Judge under subsection (3) and, where a form of warrant is so completed, shall write on it the name of the Judge who issued the warrant and the date on which and the time at which it was signed.

(5) Where a person completes a form of warrant in accordance with subsection (4), the person shall, not later than the day next following the date of expiry of the warrant, send to the Judge who signed the warrant the form of warrant completed by the person and the affidavit duly sworn in connection with the warrant.

(6) Upon receipt of the documents referred to in subsection (5), the Judge shall attach them to the warrant signed by the Judge and shall deal with the documents in the manner in which the Judge would have dealt with the affidavit if the application for the warrant had been made to the Judge in accordance with section 12.

(7) A form of warrant duly completed in accordance with subsection (4) shall be deemed to be a warrant issued under section 12.

Judges to perform functions under Commonwealth Act.

14. A Judge of a court of the State may perform functions conferred on the Judge by section 22 or 23 of the Commonwealth Act.

Order for delivery to Authority of pasport of witness.

15. (1) Where, upon application by a member of the Authority, a Judge of the Federal Court sitting in chambers is satisfied by evidence on oath that—

(a) in connection with a special investigation, a summons has been issued under this Act requiring a person to appear before the Authority at a hearing (whether or not the summons has been served), or a person has appeared before the Authority at a hearing, to give evidence or to produce documents or other things;

(b) there are reasonable grounds for believing that the person may be able to give to the Authority evidence or further evidence that

is, or to produce to the Authority documents or other things or further documents or other things that are, relevant to the matter in respect of which the Authority is conducting the investigation and could be of particular significance to the investigation;

and

(c) there are reasonable grounds for suspecting that the person intends to leave Australia and has possession, custody or control of a passport issued to the person,

the Judge may make an order requiring the person to appear before the Federal Court on a day, and at a time and place, specified in the order to show cause why the person should not be ordered to deliver the passport to the Authority.

(2) Where a person appears before the Federal Court in pursuance of an order made under subsection (1), the Court may, if it thinks fit, make an order—

(a) requiring the person to deliver to the Authority any passport issued to the person that is in the possession, custody or control of the person;

and

(b) authorizing the Authority to retain the passport until the expiration of such period (not exceeding one month) as is specified in the order.

(3) The Federal Court may, upon application by the Authority, extend for a further period (not exceeding one month) or further periods (not exceeding one month in each case) the period for which the Authority is authorized to retain a passport in pursuance of an order made under subsection (2), but so that the total period for which the Authority is authorized to retain the passport does not exceed three months.

(4) The Federal Court may, at any time while the Authority is authorized in pursuance of an order made under this section to retain a passport issued to a person, upon application made by the person, revoke the order and, if the order is revoked, the Authority shall forthwith return the passport to the person.

(5) The Federal Court has jurisdiction with respect to matters arising under this section.

(6) In this section, "Australia" includes the external Territories.

Hearings.

16. (1) For the purposes of a special investigation, the Authority may hold hearings.

(2) At a hearing, the Authority may be constituted by one or more members or acting members.

(3) Subject to subsection (2), section 46 of the Commonwealth Act applies, so far as it is capable of application, at a hearing before the Authority as if the hearing were a meeting of the Authority.

(4) At a hearing before the Authority—

(a) a person giving evidence may be represented by a legal practitioner;

and

(b) if, by reason of the existence of special circumstances, the Authority consents to a person who is not giving evidence being represented by a legal practitioner—the person may be so represented.

(5) A hearing before the Authority shall be held in private and the Authority may give directions as to the persons who may be present during the hearing or a part of the hearing.

(6) Nothing in a direction given by the Authority under subsection (5) prevents the presence, when evidence is being taken at a hearing before the Authority, of—

(a) a person representing the person giving evidence;

or

(b) a person representing, pursuant to subsection (4), a person who, by reason of a direction given by the Authority under subsection (5), is entitled to be present.

(7) Where a hearing before the Authority is being held, a person (other than a member or an acting member, counsel assisting the Authority in relation to the matter that is the subject of the hearing or a member of the staff of the Authority approved by the Authority) shall not be present at the hearing unless the person is entitled to be present by reason of a direction given by the Authority under subsection (5) or by reason of subsection (6).

(8) At a hearing before the Authority for the purposes of a special investigation—

(a) counsel assisting the Authority generally or in relation to the matter to which the investigation relates;

(b) any person authorized by the Authority to appear before it at the hearing;

or

(c) any legal practitioner representing a person at the hearing pursuant to subsection (4),

may, so far as the Authority thinks appropriate, examine or cross-examine any witness on any matter that the Authority considers relevant to the special investigation.

(9) The Authority may direct that—

(a) any evidence given before it;

(b) the contents of any document, or a description of any thing, produced to the Authority or seized pursuant to a warrant issued under section 12;

(c) any information that might enable a person who has given evidence before the Authority to be identified;

or

(d) the fact that any person has given or may be about to give evidence at a hearing,

shall not be published, or shall not be published except in such manner, and to such persons, as the Authority specifies, and the Authority shall give such a direction if the failure to do so might prejudice the safety or reputation of a person or prejudice the fair trial of a person who has been or may be charged with an offence.

(10) Where—

(a) a person has been charged with an offence before a court of the State;

and

(b) the court considers that it may be desirable in the interests of justice that particular evidence given before the Authority, being evidence in relation to which the Authority has given a direction under subsection (9), be made available to the person or to a legal practitioner representing the person,

the court may give to the Authority a certificate to that effect and, if the court does so, the Authority shall make the evidence available to the court.

(11) Where—

(a) the Authority makes evidence available to a court in accordance with subsection (10);

and

(b) the court, after examining the evidence, is satisfied that the interests of justice so require,

the court may make the evidence available to the person charged with the offence concerned or to a legal practitioner representing the person.

(12) A person who—

(a) is present at a hearing in contravention of subsection (7);

or

(b) makes a publication in contravention of a direction given under subsection (9),

is guilty of an offence punishable by a fine not exceeding two thousand dollars or imprisonment for a period not exceeding one year.

Power to summon witnesses and take evidence.

17. (1) A member or an acting member may summon a person to appear before the Authority at a hearing to give evidence and to produce such documents or other things (if any) as are referred to in the summons.

(2) A summons under subsection (1) requiring a person to appear before the Authority at a hearing shall be accompanied by a copy of the notice, or of each of the notices, by which the matter or matters to which the hearing relates was or were referred to the Authority under section 5, under the Commonwealth Act or under an Act of another State.

(3) A summons under subsection (1) requiring a person to appear before the Authority at a hearing shall, unless the Authority is satisfied that, in the particular circumstances of a special investigation to which the hearing relates, it would prejudice the effectiveness of the special investigation for the summons to do so, set out, so far as is reasonably practicable, the general nature of the matters in relation to which the Authority intends to question the person, but nothing in this subsection prevents the Authority from questioning the person in relation to any matter that relates to a special investigation.

(4) The member or acting member presiding at a hearing before the Authority may require a person appearing at the hearing to produce a document or other thing.

(5) The Authority may, at a hearing, take evidence on oath or affirmation and for that purpose—

(a) a member or acting member may require a person appearing at the hearing to give evidence either to take an oath or to make an affirmation in a form approved by the member or acting member presiding at the hearing;

and

(b) a member or acting member, or a person who is an authorized person in relation to the Authority, may administer an oath or affirmation to a person so appearing at the hearing.

(6) In this section, a reference to a person who is an authorized person in relation to the Authority is a reference to a person authorized in writing, or a person included in a class of persons authorized in writing, for the purposes of this section, by the Chairman or by a person acting as Chairman.

Power to obtain documents.

18. (1) A member or acting member may, by notice in writing served on a person, require the person—

(a) to attend, at a time and place specified in the notice, before a person specified in the notice, being a member or acting member of the Authority or a member of the staff of the Authority;

and

(b) to produce at that time and place to the person so specified a document or thing specified in the notice, being a document or thing that is relevant to a special investigation.

(2) A notice may be issued under this section in relation to a special investigation whether or not a hearing before the Authority is being held for the purposes of the investigation.

(3) A person shall not, without reasonable excuse, refuse or fail to comply with a notice served on the person under this section.

Penalty: One thousand dollars or imprisonment for six months.

(4) Subsections (3) to (12) (inclusive) of section 19 apply in relation to a person who is required to produce a document or thing by a notice served on the person under this section in the same manner as they apply in relation to a person who is required to produce a document or thing at a hearing before the Authority, and so apply as if a reference in those subsections to subsection (2) of that section were a reference to subsection (3) of this section.

(5) If a person who is required to produce a document or thing by a notice served on the person under this section claims to the person (in this subsection referred to as the "relevant person") to whom the claimant is required to produce it that the claimant is entitled to refuse to produce the document or thing, the relevant person shall—

(a) if satisfied that the claim is justified—inform the claimant that the requirement will not be insisted upon;

or

(b) in any other case—inform the claimant that the relevant person is not so satisfied and, if the document or thing is not produced forthwith, refer the claim to the Authority for decision under section 21.

Failure of witnesses to attend and answer questions.

19. (1) A person served, as prescribed, with a summons to appear as a witness at a hearing before the Authority shall not, without reasonable excuse—

(a) fail to attend as required by the summons;

or

(b) fail to attend from day to day unless excused, or released from further attendance, by a member or an acting member.

(2) A person appearing as a witness at a hearing before the Authority shall not, without reasonable excuse—

(a) when required pursuant to section 17 either to take an oath or make an affirmation—refuse or fail to comply with the requirement;

(b) refuse or fail to answer a question that the person is required to answer by the member or acting member presiding at the hearing;

or

(c) refuse or fail to produce a document or thing that the person was required to produce by a summons under this Act served as prescribed.

(3) Where—

(a) a legal practitioner is required to answer a question or produce a document at a hearing before the Authority;

and

(b) the answer to the question would disclose, or the document contains, a privileged communication made by or to the legal practitioner in the capacity of a legal practitioner,

the legal practitioner is entitled to refuse to comply with the requirement unless the person to whom or by whom the communication was made agrees to the legal practitioner complying with the requirement but, where the legal practitioner refuses to comply with the requirement, the legal practitioner shall, if so required by the member or acting member presiding at the hearing, furnish to the Authority the name and address of the person to whom or by whom the communication was made.

(4) Subject to subsections (5), (7), (9) and (11), it is a reasonable excuse for the purposes of subsection (2) for a natural person—

(a) to refuse or fail to answer a question put to the person at a hearing before the Authority;

or

(b) to refuse or fail to produce a document or thing that the person was required to produce at a hearing before the Authority,

that the answer to the question or the production of the document or thing, as the case may be, might tend to incriminate the person.

(5) It is not a reasonable excuse for the purposes of subsection (2) for a person—

(a) to refuse or fail to answer a question put to the person at a hearing before the Authority;

or

(b) to refuse or fail to produce a document or thing that the person was required to produce at a hearing before the Authority,

that the answer to the question or the production of the document or thing might tend to prove the person's guilt of an offence against a law of the State if the Attorney-General, or a person authorized by the Attorney-General, being the person holding the office of Crown Prosecutor, or a similar office, has given to the first mentioned person an undertaking in writing that any answer given or document or thing produced, as the case may be, or any information, document or thing obtained as a direct or indirect consequence of the answer or the production of the first mentioned document or thing, will not be used in evidence in any proceedings against that person for an offence against a law of the State other than proceedings in respect of the falsity of evidence given by that person, and the Attorney-General, or the person so authorized, states in the undertaking—

(c) that, in the opinion of the Attorney-General or the person so authorized, there are special grounds that in the public interest require that answers be given or documents or things be produced by the first mentioned person;

and

(d) the general nature of those grounds.

(6) The Authority may recommend to the Attorney-General that a person who has been or is to be served with a summons to appear as a witness at a hearing before the Authority or to produce a document or thing at a hearing before the Authority be given an undertaking in accordance with subsection (5).

(7) It is not a reasonable excuse for the purposes of subsection (2) for a person—

(a) to refuse or fail to answer a question put to the person at a hearing before the Authority;

or

(b) to refuse or fail to produce a document or thing that the person was required to produce at a hearing before the Authority,

that the answer to the question or the production of the document or thing might tend to prove the person's guilt of an offence against a law of the Commonwealth or of a Territory if the Director of Public Prosecutions of the Commonwealth has given to the person an undertaking in writing that any answer given or document or thing produced, as the case may be, or any information, document or thing obtained as a direct or indirect consequence of the answer or the production of the first mentioned document or thing, will not be used in evidence in any proceedings against the person for an offence against a law of the Commonwealth or of a Territory other than proceedings in respect of the falsity of evidence given by the person, and the Director of Public Prosecutions states in the undertaking—

(c) that, in the opinion of the Director of Public Prosecutions, there are special grounds that in the public interest require that answers be given or documents or things be produced by the person;

and

(d) the general nature of those grounds.

(8) The Authority may recommend to the Director of Public Prosecutions of the Commonwealth that a person who has been or is to be served with a summons to appear as a witness at a hearing before the Authority or to produce a document or thing at a hearing before the Authority be given an undertaking in accordance with subsection (7).

(9) It is not a reasonable excuse for the purposes of subsection (2) for a person—

(a) to refuse or fail to answer a question put to the person at a hearing before the Authority;

or

(b) to refuse or fail to produce a document or thing that the person was required to produce at a hearing before the Authority,

that the answer to the question or the production of the document or thing might tend to prove the person's guilt of an offence against a law of another State if the Attorney-General of that State, or a person authorized by that Attorney-General, being the person holding the office of Director of Public Prosecutions, or a similar office, of that State, has given to the first mentioned person an undertaking in writing that any answer given or document or thing produced, as the case may be, or any information, document or thing obtained as a direct or indirect consequence of the answer or the production of the first mentioned document or thing, will not be used in evidence in any proceedings against that person for an offence against a law of that State other than proceedings in respect of the falsity of evidence given by that person, and the Attorney-General of that State, or the person so authorized, states in the undertaking—

(c) that, in the opinion of the Attorney-General or person so authorized, there are special grounds that in the public interest require that answers be given or documents or things be produced by the first mentioned person;

and

(d) the general nature of those grounds.

(10) The Authority may recommend to the Attorney-General of another State that a person who has been or is to be served with a summons to appear as a witness at a hearing before the Authority or to produce a document or thing at a hearing before the Authority be given an undertaking in accordance with subsection (9).

(11) For the purposes of subsection (2)—

(a) it is not a reasonable excuse for a corporation to refuse or fail to produce a document or thing that the production of the document or thing might tend to incriminate the corporation;

and

(b) it is not a reasonable excuse for a natural person to refuse or fail to produce a document that is, or forms part of, a record of an existing or past business (not being, in the case of a person who is or has been an employee, a document that sets out details of earnings received by the person in respect of the person's employment and does not set out any other infor-

mation) that the production of the document might tend to incriminate the person.

(12) Subsections (5), (7), (9) and (11) do not apply where the offence in respect of which the answer to a question or the production of a document or thing, as the case requires, might tend to incriminate a person is an offence with which the person has been charged and the charge has not been finally dealt with by a court or otherwise disposed of.

(13) A person who contravenes subsection (1), (2) or (3) is guilty of an offence punishable by a fine not exceeding one thousand dollars or imprisonment for a period not exceeding six months.

20. (1) Where, upon application by or on behalf of the Authority, a Judge of the Federal Court sitting in chambers is satisfied by evidence on oath that there are reasonable grounds to believe that a person who has been ordered, under section 15, to deliver the person's passport to the Authority, whether or not the person has complied with the order, is nevertheless likely to leave Australia for the purpose of avoiding giving evidence before the Authority, the Judge may issue a warrant for the apprehension of the person.

(2) The warrant may be executed by any member of the Australian Federal Police or of the police force of a State or Territory, or by any person to whom it is addressed, and the person executing it has power to break and enter any premises, vessel, aircraft or vehicle for the purpose of executing it.

(3) Where a person is apprehended pursuant to a warrant under this section, the person shall be brought, as soon as practicable, before a Judge of the Federal Court and the Judge may—

(a) admit the person to bail, with such security as the Judge thinks fit, on such conditions as the Judge thinks necessary to ensure the appearance of the person as a witness before the Authority;

(b) order the continued detention of the person for the purpose of ensuring the appearance of the person as such a witness;

or

(c) order the release of the person.

(4) Where a person is under detention pursuant to this section, the person shall, within fourteen days after the person was brought, or last brought, before a Judge of the Federal Court in accordance with this section, or within such shorter or longer time as a Judge has fixed upon the last previous appearance of the person before a Judge under this section, be again brought before a Judge and the Judge may thereupon exercise any of the powers of a Judge under subsection (3).

21. (1) Where—

(a) a person claims to be entitled to refuse to produce a document that the person is required to produce pursuant to a notice under section 18;

or

(b) a person claims to be entitled to refuse to answer a question put to the person, or to produce a document that the person was required to produce, at a hearing before the Authority,

the Authority shall decide as soon as practicable whether in its opinion the claim is justified and notify the person of its decision.

(2) If the person is dissatisfied with the decision, the person may apply to the Federal Court for an order of review in respect of the decision.

(3) Where the Authority decides that a claim by a person that the person is entitled to refuse to produce a document is not justified, the person is not entitled to make an application to the Federal Court under subsection (2) in respect of the decision unless the person has produced the document to the Authority or placed the document in the custody of the Registrar of that Court, and, where the person has so produced the document and makes such an application, the Authority shall cause the document to be placed in the custody of the Registrar of that Court.

(4) On an application for an order of review in respect of a decision of the Authority under subsection (1), the Federal Court may, in its discretion, make an order—

(a) affirming the decision;

or

(b) setting aside the decision.

(5) Where the Federal Court makes an order under subsection (4) setting aside a decision by the Authority that a claim by a person that the person was entitled to refuse to produce a document is not justified—

(a) unless paragraph *(b)* applies—the Federal Court shall make a further order directing that the document be delivered to the person;

(b) if the Federal Court—

(i) makes the first mentioned order for the reason that the person was entitled, on the ground that production of the document might tend to incriminate the person, to refuse to produce the document;

(ii) is satisfied that the person was not entitled on any other ground to refuse to produce the document;

and

(iii) is satisfied that an undertaking of a kind referred to in section 19 (5), (7) or (9) has, or two or more such undertakings have, been given to the person and that the person, if now required to produce the document at a hearing before the Authority, would not be entitled to refuse so to produce it,

the Federal Court shall make a further order directing that the document be delivered to the Authority;

and

(c) if the Federal Court—

(i) makes the first mentioned order for the reason that, or for reasons including the reason that, the person was entitled, on the ground that production of the document might tend to incriminate the person, to refuse to produce the document;

and

(ii) makes a further order directing that the document be delivered to the person,

evidence of production of the document by the person to the Authority, or of the placing of the document by the person in the custody of the Registrar of the Federal Court, as the case may be, for the purposes of the application on which the orders were made is not admissible in proceedings against the person for an offence against a law of the State, other than proceedings in respect of the falsity of evidence given by the person.

(6) A prosecution for an offence under section 18 or 19 shall not be commenced in respect of a refusal or failure by a person to produce a document or answer a question—

(a) if the person has claimed to be entitled to refuse to produce the document or answer the question, as the case may be, and the Authority decides that, in its opinion, the claim is not justified—until the expiration of the period of five days (excluding days on which the Registry of the Federal Court is closed) immediately after the relevant day in relation to the decision;

or

(b) if the person has made an application to the Federal Court under subsection (2) for an order of review in respect of a decision by the Authority that, in its opinion, a claim by the person to be entitled to refuse to produce the document or answer the question is not justified—until the application, and any appeal from an order made by the Federal Court on the application, have been determined or otherwise disposed of.

(7) An order of the Federal Court under subsection (4) is, subject to any appeal from that order, conclusive for the purposes of any other proceedings.

(8) Where a person who is required to produce a document pursuant to a notice under section 18, or is required to produce a document at a hearing before the Authority, claims that—

(a) the document contains—

(i) particular matter (in this subsection referred to as the "relevant matter") relating to the personal affairs of the person, not being matter relating to the activities of an existing or past business;

or

(ii) in the case of a person who is or has been an employee—particular matter (in this subsection also referred to as the "relevant matter"), being details of earnings received by the person in respect of the person's employment;

and

(b) the person would, if the document had contained only the relevant matter, have been entitled, on the ground that production of the document might tend to incriminate the person, to refuse so to produce the document,

the person may, whether or not the person has made an application to the Federal Court under subsection (2) in respect of a decision by the Authority in relation to the document, make an application to the Federal Court for an order under this subsection and, if such an application is made and the document is produced to that Court, then, subject to subsection (5) *(a)*, that Court—

(c) if it is satisfied that the claim is justified—may, subject to paragraph *(d)*, make such order as it thinks fit for the excision or concealment of the part of the document that contains the relevant matter and shall, if it makes such an order, make a further order directing that the document be delivered to the Authority after the first mentioned order has been complied with;

(d) if it is satisfied that an undertaking of a kind referred to in section 19 (5), (7) or (9) has, or two or more such undertakings have, been given to the person and that the person would not, if the document contained only the relevant matter and the person were now required to produce the document to the Authority, be entitled, on the ground that production of the document might tend to incriminate the person, to refuse so to produce it—shall make an order directing that the document be delivered to the Authority;

and

(e) if paragraph *(d)* does not apply and that Court does not make an order of the kind first referred to in paragraph *(c)*—shall make an order directing that the document be delivered to the Authority.

(9) A person is not entitled to make an application under subsection (8) in relation to a document unless the person has, on the day on which the document was to be produced to the Authority or on such later day as the Authority (whether on or after the first mentioned day) allows, given to the Authority a notice in writing stating that the person proposes to make an application for an excision or concealment order in relation to the document.

(10) A person is not entitled to make an application to the Federal Court under subsection (8) in relation to a document unless the person has produced the document to the Authority or placed the document in the custody of the Registrar of that Court, and, where the person has so produced the document and makes such an application, the Authority shall cause the document to be placed in the custody of the Registrar of that Court.

(11) Where—

(a) a person makes a claim as mentioned in subsection (8) in relation to particular matter (in this subsection referred to as the "relevant matter") contained in a document;

and

(b) the Federal Court, being satisfied that the claim is justified, makes in relation to the document an order of the kind first referred to in subsection (8) *(c)*,

evidence of production of the document by the person to the Authority, or of the placing of the document by the person in the custody of the Registrar of that Court, as the case may be, for the purposes of the application on

which the order is made is, insofar as the document contains the relevant matter, not admissible in any proceedings against the person for an offence against a law of the State, other than proceedings in respect of the falsity of evidence given by the person.

(12) A prosecution for an offence under section 18 or 19 shall not be commenced in respect of a refusal or failure by a person to produce a document—

(a) if the person has given to the Authority in accordance with subsection (9) a notice relating to the document—until the expiration of the period of five days (excluding days on which the Registry of the Federal Court is closed) immediately after the relevant day in relation to the notice;

or

(b) if the person has made an application under subsection (8) in relation to the document—until the application, and any appeal from an order made by the Federal Court on the application, have been determined or otherwise disposed of.

(13) An application to the Federal Court under subsection (2) or (8)—

(a) shall be made in such manner as is prescribed by Rules of Court made under the *Federal Court of Australia Act* 1976 of the Commonwealth;

(b) shall set out the grounds of the application;

and

(c) shall be lodged with a Registry of the Federal Court within the period of five days (excluding days on which the Registry is closed) immediately after—

(i) in the case of an application under subsection (2)—the relevant day in relation to the decision to which the application relates;

or

(ii) in the case of an application under subsection (8)—the relevant day in relation to the notice given in accordance with subsection (9) in relation to the application,

or within such further period as that Court (whether before or after the expiration of the first mentioned period) allows.

(16) Where a decision of the Authority under subsection (1) relates to two or more questions, or to two or more documents, the decision shall, to the extent to which it relates to a particular question or document, be deemed, for the purposes of this Act, to constitute a separate decision relating to that question or document only.

(17) Where a person gives to the Authority in accordance with subsection (9) a notice relating to two or more documents, the notice shall, to the extent to which it relates to a particular document, be deemed, for the purposes of this Act, to constitute a separate notice relating to that document only.

with respect to—

(iii) an application for an order of review in respect of the decision of the Authority;

or

38. Section 65 of the principal Act is repealed and the following section is substituted:

Court shall fix or extend non-parole periods.

65. (1) Where a court sentences a person to life imprisonment, or a term of imprisonment of one year or more, or imposes a number of sentences under which he is liable to imprisonment for one year or more, the court shall, unless it thinks there is special reason for not doing so, make an order fixing a period during which the person shall not be released on parole.

(2) Where—

(a) a person who is in prison serving a sentence of imprisonment is further sentenced to imprisonment (whether for an offence committed before or after his admission to prison);

and

(b) the total period of imprisonment to which he is liable (taking into account the combined effect of the sentences referred to in paragraph *(a)*) is one year or more,

the court shall, unless it thinks there is special reason for not doing so, fix a period during which the person shall not be released on parole, or shall extend any existing non-parole period, as the case may require, but the period by which an existing non-parole period is extended shall not exceed the period of the further sentence of imprisonment referred to in paragraph *(a)*.

(3) Where—

(a) a person who has been released on parole is sentenced to imprisonment for an offence committed during the period of his release on parole;

and

(b) the total period of imprisonment to which he is liable (taking into account the combined effect of the balance of his existing sentence that he is liable to serve pursuant to section 75 and the further sentence referred to in paragraph *(a)*) is one year or more,

the court shall, unless it thinks there is special reason for not doing so, fix a period during which he shall not be released on parole, and the non-parole period so fixed may be greater or less than the period he is liable to serve pursuant to section 75.

(4) A prisoner who—

(a) is serving a sentence of life imprisonment, a term of imprisonment of one year or more or a number of terms under which he is liable to imprisonment for one year or more;

and

(b) has not had a non-parole period fixed in respect of that sentence, or those sentences,

may apply to the sentencing court for an order fixing a non-parole period in respect of that sentence, or those sentences.

(5) The Crown may apply to the sentencing court for an order extending a non-parole period fixed in respect of the sentence, or sentences, of a prisoner, whether so fixed before or after the commencement of this Act.

(6) In fixing or extending a non-parole period, the court—

(a) where the person is in prison serving a sentence of imprisonment, shall take into account the period he has already served;

and

(b) in the case of an application by the Crown under subsection (5), shall have regard to—

(i) the likely behaviour of the prisoner should he be released on parole;

(ii) the behaviour of the prisoner while in prison only insofar as it may assist the court in assessing the behaviour referred to in subparagraph (i);

and

(iii) such other matters as the court thinks relevant.

(7) The court shall not make an order extending the non-parole period of a prisoner pursuant to an application under subsection (5) unless it is satisfied that it is necessary to do so for the protection of some other person, or of other persons generally.

(8) In determining an application under subsection (4) made by a prisoner who was in prison immediately prior to the commencement

of the Prisons Act Amendment Act (No. 2), 1983, the court shall, if the prisoner has already served a period of imprisonment that would be equal to, or exceed, a non-parole period determined in accordance with this section, as reduced by the total number of days of remission credited to the prisoner after that commencement, make an order fixing a non-parole period in respect of that prisoner that expires thirty days after the day on which the order is made.

(9) This section does not apply in relation to a person who is serving or who, at the expiration of his sentence of imprisonment, is liable to serve a sentence of indeterminate duration.

(10) For the purposes of this section—

(a) a court that orders that a suspended sentence of imprisonment be carried into effect shall be deemed to have sentenced the person to whom the order relates to imprisonment;

(b) the Crown and the prisoner shall both be parties to an application under this section;

and

(c) "the sentencing court" means—

(i) where the prisoner is subject to a single sentence of imprisonment, or a number of sentences imposed by the one court, or by a number of courts of the one jurisdiction—that court, or a court of the same jurisdiction as that court or those courts;

or

(ii) where the prisoner is subject to a number of sentences of imprisonment imposed by courts of different jurisdictions—the court of the highest jurisdiction, or a court of the same jurisdiction as that court.

(e) the probable circumstances of the prisoner after his release from prison;

and

(f) any other matters that the Board considers relevant.

(a) the conditions to which his release on parole will be subject have been fixed or recommended by the Board and, if the case so requires, approved by the Governor, pursuant to this section;

and

(b) the prisoner has accepted those conditions in writing.

(6) Where a prisoner refuses or fails to accept the conditions to which his release on parole is to be subject, the Board shall review the circumstances of the prisoner at intervals fixed by the Board, being not less than three months nor more than one year.

(7) If, after carrying out a review pursuant to subsection (6), the Board is of the opinion that the prisoner will accept the conditions

to which his release on parole is to be subject, the Board may order the release of the prisoner from prison on parole in accordance with this Act upon the written acceptance by the prisoner of those conditions.

2. To facilitate the provision of a comprehensive range of accommodation for those members of the general public wishing to purchase or rent residential accommodation having due regard for the requirements of those persons with special needs and to ensure that the serviced allotments necessary in this regard are available to purchasers of land at fair and reasonable prices.

FOURTH SCHEDULE

SOUTH AUSTRALIA

PLANNING ACT, 1982

CITY OF TEA TREE GULLY—
GOLDEN GROVE
SUPPLEMENTARY DEVELOPMENT PLAN

EXPLANATORY STATEMENT

STATEMENT OF INVESTIGATIONS

The State Government has owned land at Golden Grove in the northern part of Tea Tree Gully since 1974 with the intention of extending the urban development area of Tea Tree Gully. The site, some 1,230 hectares, comprises undulating land suitable for residential development and has been held by the S.A. Urban Land Trust for that purpose.

Several planning studies have been carried out over the land to ascertain the most appropriate urban development form for the area, bearing in mind the need to integrate Golden Grove with the existing urban development of Tea Tree Gully and Salisbury.

In October 1982, Registrations of interest were called from private developers wishing to develop the land. In December 1983, Delfin Property Group Limited was chosen as a Joint Venturer with the S.A. Urban Land Trust to develop the site.

Subsequent analysis of the earlier planning studies and further site analysis produced a structure plan whose major elements comprise this supplementary development plan. A Statutory Indenture and Enabling Act are required for the Joint Venture to proceed that would include a number of proposals necessary for the projected 15 year life span of the project.

The supplementary development plan provides the planning basis upon which the Joint Venture will proceed.

EXPLANATORY STATEMENT

Need for Amendment

The Golden Grove area has been the subject of a separate planning system from the Planning Act, 1982, by virtue of the Tea Tree Gully (Golden Grove) Development Act. Under the Golden Grove Act, a development scheme and directions were produced which no longer reflect the planning needs of the area. It is intended to repeal the Tea Tree Gully (Golden Grove) Development Act and to bring Golden Grove under the ambit of the Planning Act, albeit in a modified form.

In order to reflect the planning requirements of the Joint Venture between the S.A. Urban Land Trust and Delfin Property Group Limited, formed to jointly develop the area, a supplementary development plan is required.

Area of Application

This amendment refers to the area of Golden Grove as delineated in the Tea Tree Gully (Golden Grove) Development Act. The Plan comprises two parts. One part applies to Tea Tree Gully external to Golden Grove and the other to Golden Grove alone.

Policy Changes

The Objectives and Proposals for Metropolitan Adelaide apply to the City of Tea Tree Gully external to Golden Grove and also to Golden Grove.

A set of Principles of Development Control has been prepared to apply to the Golden Grove section of the Plan.

A District Centre, two Neighbourhood Centres and anticipated school sites, all with undefined locational boundaries, and a Light Industry Zone and proposed arterial roads are shown on an amendment to Map TTG/1 in order to serve the anticipated 30,000 population of Golden Grove.

An open space system, based on and around the creeks and tributaries throughout Golden Grove, is also shown on the amended Map TTG/1.

A residential zone and a Light Industry Zone together with a Table outlining planning standards for these zones are introduced.

PROPOSALS

PRINCIPLES OF DEVELOPMENT CONTROL

Form of Development

1. Development should be in accordance with the Metropolitan Adelaide Plan, Map MA/4 and the Tea Tree Gully Plan, Map TTG/1, including that part of the urban area in the adjoining council areas.

2. Development should be orderly and economic.

3. New housing and other urban development should:

(a) form a compact and continuous extension of an existing built up area;

(b) be located so as to achieve economy in the provision of public services; and

(c) create a safe, convenient and pleasant environment in which to live.

4. Extensions of built-up areas should not be in the form of ribbon development along roads.

5. Development in localities having a bad or unsatisfactory layout, or unhealthy or obsolete development should improve or rectify those conditions.

6. Existing urban areas should be substantially developed before rural land is used for urban development.

7. Land, particularly steeply sloping land, used for the erection of buildings should be stable.

8. Poorly-drained land should be raised at least 1.3 metres above the highest winter watertable before development takes place.

9. Development should not be undertaken on land liable to inundation by tidal, drainage or flood waters.

10. Development in areas separating 'metropolitan districts' should have an open character.

11. No development should be undertaken which is likely to lead to the pollution of water catchment areas.

12. Septic tanks should:

(a) not be installed where the effluent is likely to lead to the pollution of surface or underground water; and

(b) be installed on allotments large enough to allow the disposal of the effluent within the allotment boundaries.

Land Division

13. Land should not be divided:

(a) in a manner which would prevent the satisfactory future division of the land, or any part thereof;

(b) if the proposed use, or the establishment of the proposed use, is likely to lead to undue erosion of the land or land in the vicinity thereof;

(c) unless wastes produced by the proposed use of the land, or any use permitted by the principles of development control, can be managed so as to prevent pollution of a public water supply or any surface or underground water resource;

(d) if the size, shape and location of, and the slope and nature of the land contained in, each allotment resulting from the division is unsuitable for the purpose for which the allotments is to be used;

(e) if any part of the land is likely to be inundated by tidal or floodwaters and the proposed allotments are to be used for a purpose which would be detrimentally affected when the land is inundated;

(f) where community facilities or public utilities are lacking or inadequate;

(g) where the proposed use of the land is the same as the proposed use of other existing allotments in the vicinity, and a substantial number of the existing allotments have not been used for that purpose; or

(h) if it would cause an infringement of any provisions of the Building Act or any by-law or regulation made thereunder.

14. When land is divided:

(a) any reserves or easements necessary for the provision of public utility services should be provided;

(b) stormwater should be capable of being drained safely and efficiently from each proposed allotment and disposed of from the land in a satisfactory manner;

(c) a water supply sufficient for the purpose for which the allotment is to be used should be made available to each allotment;

(d) provision should be made for the disposal of waste waters, sewage and other effluents from each allotment without risk to health;

(e) roads or thoroughfares should be provided where necessary for safe and convenient communication with adjoining land and neighbouring localities;

(f) each allotment resulting from division should have safe and convenient access to the carriageway of an existing or proposed road or thoroughfare;

(g) proposed roads should be graded, or be capable of being graded to connect safely and conveniently with an existing road or thoroughfare;

(h) for urban purposes, provision should be made for suitable land to be set aside for usable local open space; and

(i) the land borders a river, lake or creek, the land immediately adjoining the river, lake or creek should become public open space.

Residential development

15. Existing and proposed living areas should only contain residential development and associated development such as local shops, primary schools and local open spaces. Within residential areas:

(a) there should be no through traffic;

(b) pedestrian and vehicular traffic should be segregated;

(c) development should be suitably separated from traffic on adjoining arterial roads;

(d) dwellings should be sited so as to maintain privacy and create individuality;

(e) open space should provide recreational activities, pedestrian links and the preservation of natural features; and

(f) no development should be undertaken which would impair the amenity or the residential character.

16. The expansion of existing commercial, service industry or industrial activities in living areas should not impair the residential character of the area.

17. Development in a residential area should maintain the attractiveness of the area as a place in which to live and should not create annoyance to existing householders by:

(a) overshadowing;

(b) cutting off light or views;

(c) increasing traffic volumes;

(d) overcrowding community facilities; or

(e) altering adversely the character of the area.

18. The floor space and bulk of a residential building, and the space around the building, should be appropriate to the locality in which the building is to be erected.

TABLES OF ACTS OF THE PARLIAMENT OF SOUTH AUSTRALIA

TABLE OF PUBLIC GENERAL ACTS OF THE PARLIAMENT OF SOUTH AUSTRALIA, INCLUDING CROSS REFERENCES

The following table contains a list of the public Acts of general application of the Parliament of South Australia passed up to the end of 1984 and which were not repealed as on 1st January, 1985.

In the case of an Act reprinted in Volumes 1 to 11 of the South Australian Statutes 1837-1975, a reference is given in the table to the volume and page where the Act is printed. In the case of any other Act a reference is given to the annual volume of Statutes in which the Act is printed.

Where an Act has been reprinted in pamphlet form pursuant to the Acts Republication Act, 1967, a note to that effect, specifying the date up to which amendments have been incorporated, follows the entry relating to that Act.

The table also includes cross references to subject matters dealt with by legislation.

TABLE OF ACTS AFFECTED BY AMENDMENT OR JUDICIAL DECISION

TABLE OF PUBLIC GENERAL ACTS AFFECTED BY AMENDMENT OR JUDICIAL DECISION

The Acts contained in this Table are those published in the new edition of the South Australian Statutes, 1837-1975, and Acts which have come into force since the publication of the new edition, which have been amended by Acts passed since the 3rd February, 1976, but before the 1st January, 1985.

Acts which have been repealed since April, 1937, are shown in the Table of Acts Repealed. Acts repealed by Acts that had not come into operation before the 1st January, 1985, have not been deleted from this Table of Amendments and Cases. The amendment or repeal of individual provisions is shown, whether or not the amending or repealing Act had come into operation at that date. Acts listed in the Table of Public General Acts had come into operation at 1st January, 1985, unless that Table indicates otherwise.

This Table also contains notes, placed against references to the appropriate sections of the Acts affected, of the reported decisions of the Privy Council, the High Court of Australia, the Supreme Court of South Australia, and the Industrial Court of South Australia, relating to the interpretation of those sections. The cases so noted are those comprised in reports published since 1st April, 1937, and include the cases reported up to the end of 150 Commonwealth Law Reports, up to the end of 36 South Australian State Reports, and up to the end of 47 South Australian Industrial Reports. Volume 13 of the South Australian Statutes, 1837-1975, contains notes of reported cases relating to the provisions of the Acts contained in that work and published prior to 3rd February, 1976.
