- (e) if the total catch of vongole taken during a quota period by the holder of an eligible rock lobster fishery licence subject to a condition fixing a vongole quota entitlement exceeded the vongole quota entitlement under the licence for that quota period, the conditions of the licence may be varied so as to decrease the vongole quota entitlement—
  - (i) if the catch exceeded the quota entitlement by not more than 50 kilograms—by 1 kilogram for each kilogram taken in excess of the quota entitlement; or

Expiation fee: \$315.
- (7) The holder of an eligible rock lobster fishery licence subject to a condition fixing a vongole quota entitlement in respect of a vongole fishing zone may take vongole in another vongole fishing zone if—
- (a) the holder of the licence is unable to lawfully take vongole in the vongole fishing zone to which the condition relates because—
    - (i) as a result of a variation in the conditions of the licence under subregulation (3), the number of vongole units allocated to the licence for the time being is zero; or
    - (ii) the total number of kilograms of vongole taken under the licence in that zone equals the quota entitlement under the licence in respect of that zone; and
  - (b) the vongole are taken solely for the purpose of bait to be used to take aquatic resources under the licence; and
  - (c) the number of vongole taken for that purpose on any 1 day does not exceed the number fixed by condition of the licence as the maximum number of vongole that may be taken in any 1 day for that purpose.

#### **14—Rock lobster pot entitlements**

- (1) The Minister may impose or vary conditions on licences in respect of a rock lobster fishery fixing rock lobster pot entitlements as follows:

  - (ii) in the case of a licence in respect of the Southern Zone Rock Lobster Fishery—be not more than 100 and not less than 40;
- (b) the rock lobster pot entitlement fixed by any such condition of a licence must be the number endorsed on the licence as the rock lobster pot entitlement under the revoked regulations immediately before the commencement of these regulations subject to any subsequent variation made in accordance with this regulation;
- (c) the rock lobster pot entitlements fixed by licence conditions as referred to in this regulation may be increased or decreased on the same proportionate basis for all licences (provided that where in relation to any licence the result of such proportionate variation would be a fractional entitlement, that fractional entitlement is increased to the next highest whole number) if the Minister is satisfied that it is appropriate to do so for the proper management of a rock lobster fishery;
- (d) subject to paragraph (e), on joint application made to the Minister by the holders of any 2 licences in respect of the same fishery, the rock lobster pot entitlements under the licences may be varied so as to increase the entitlement under 1 of the licences and decrease the entitlement under the other by a corresponding number;
- (e) a variation must not be made as referred to in paragraph (d) if it would result in the entitlement under 1 of the licences exceeding the upper limit referred to in paragraph (a);
- (f) a variation must not be made as referred to in paragraph (d) if it would result in the entitlement under 1 of the licences falling below the lower limit referred to in paragraph (a) unless—
  - (i) the variation is expressed to apply only until the expiry of the quota period during which the variation is made; or
  - (ii) —
    - (A) the licence is surrendered to the Minister; and
    - (B) if any boat registered for use under that licence is the subject of, is registered for use under, or is otherwise referred to in, a licence, permit, authority or other entitlement (other than a prescribed Victorian licence) to take aquatic resources granted under a law of the Commonwealth or a corresponding law—that other licence, permit, authority or entitlement is also surrendered;
- (h) despite any other provisions of this regulation, a variation may be made in accordance with paragraph (c) in respect of the Northern Zone Rock Lobster Fishery despite the fact that it would result in the rock lobster pot entitlement under a licence falling below 20 and, in that event, the entitlement under that licence may, until the licence is transferred, continue to be fixed at a number less than 20 but may not be decreased subsequently.

- (1a) Despite any other provisions of this regulation, if the rock lobster pot entitlement under a licence in respect of the Southern Zone Rock Lobster Fishery was, immediately before the commencement of this subregulation, less than 40, the entitlement under that licence may continue to be fixed at a number less than 40 until—
- (a) the licence is transferred to a person who is not a member of the licensee's family; or
  - (b) the rock lobster pot entitlement under the licence is increased to 40 or more by variation under subregulation (1)(d) (being a variation that applies beyond the quota period during which it is made).
- (1b) For the purposes of subregulation (1a), a person is a member of the licensee's family if the person is—
- (a) the spouse or domestic partner of the licensee; or
  - (b) a parent or grandparent of the licensee; or
  - (c) a brother or sister, or half-brother or half-sister, of the licensee; or
  - (d) a child or grandchild of the licensee; or
  - (e) a child or grandchild of the spouse or domestic partner of the licensee.
- (2) An application to vary rock lobster pot entitlements must—

  - (c) be accompanied by—
    - (i) the documents specified in the application form; and
    - (ii) the prescribed fee.
- (3) The holder of a licence in respect of the Northern Zone Rock Lobster Fishery must not, for a commercial purpose, engage in a fishing activity of a class that constitutes the Fishery while the rock lobster pot entitlement under the licence is less than 20.  
Maximum penalty: \$5 000.  
Expiation fee: \$315.
- (4) The holder of a licence in respect of the Southern Zone Rock Lobster Fishery must not, for a commercial purpose, engage in a fishing activity of a class that constitutes the Fishery while the rock lobster pot entitlement under the licence is less than 40.  
Maximum penalty: \$5 000.
