Legislative history

1—Short title

These regulations may be cited as the *National Parks and Wildlife (Wildlife) Regulations 2016*.

4—Interpretation

- (1) In these regulations, unless the contrary intention appears—
- the Act* means the *National Parks and Wildlife Act 1972*;
- commercial harvesting authority* has the same meaning as in the *National Parks and Wildlife (Kangaroo Harvesting) Regulations 2003*;
- kangaroo field processor*, *kangaroo meat processor* and *kangaroo skin tanner* have the same meaning as in the *National Parks and Wildlife (Kangaroo Harvesting) Regulations 2003*;
- personal use* of a kangaroo that has been taken has the same meaning as in the *National Parks and Wildlife (Kangaroo Harvesting) Regulations 2003*;
- prescribed fee* means the fee prescribed by regulation under the Act;
- the record book*—see regulation 9(1);
- the return book*—see regulation 9(3);
- section 58 permit* means a permit granted under section 58 of the Act;
- section 59 permit* means a permit granted under section 59 of the Act;
- section 60C permit* means a permit granted under section 60C of the Act;
- section 60J permit* means a permit granted under section 60J of the Act;
- specialist animal* means an animal of a specialist species;
- specialist species* means a species of protected animal that—
- (a) is not excluded by proclamation under section 58(4) of the Act; and
 - (b) is not listed in Schedule 6.
- (2) A reference in these regulations to a class of permit is a reference to a permit of that class described in Schedule 3.

5—Application

A warden is not subject to these regulations in relation to the performance of his or her functions or the exercise of his or her powers as a warden and an employee of the Department is not subject to these regulations in relation to the performance of the duties of his or her employment.

6—Taking of native plants

A person must, within 14 days after the expiration or revocation of a permit granted to him or her under section 49 of the Act, provide the Director with the following information in writing:

- (a) the species and number of native plants taken pursuant to the permit; and
- (b) the date on which they were taken; and
- (c) the location at which they were taken.

7—Release of animals

- (1) A person must, within 14 days after releasing an animal pursuant to a permit granted under section 55 of the Act, provide the Director with the following information in writing:
 - (a) the species of the animal released; and
 - (b) the date and time of release; and
 - (c) if more than one animal was released at that time—the number of animals of each species released; and
 - (d) the exact location at which each animal was released.
- (2) The person referred to in subregulation (1) must provide the Director with such further information in writing in relation to the release as the Director requires.

8—Information to be provided on application for section 58 or 60C permit

A person must, when applying for a section 58 or section 60C permit, provide the Director with—

- (a) a written statement setting out—
 - (i) the species of protected animals (if any) and the number of individuals of each species in the applicant's possession; and
 - (ii) the number of carcasses, eggs or skins (if any) of protected animals in the applicant's possession and the species to which those animals belong; and
- (b) such other information as the Director may require.

9—Records and returns in relation to sections 58 and 60C permits

- (1) The holder of a class 1, 1A, 2, 3, 3A or 12 permit must keep a record of the following information in a book (the record book) supplied by the Director for that purpose:
 - (a) the species of animals, and the number of individuals of each species, acquired or disposed of pursuant to the permit; and
 - (b) the date of acquisition or disposal; and

- (c) the name and address of, and the number of the permit held by, the person from whom the animals were acquired or to whom the animals were disposed; and
 - (d) the species of animals, and the number of individuals of each species, born to animals kept pursuant to the permit; and
 - (e) the species of animals, and the number of individuals of each species, that have died or escaped while being kept pursuant to the permit; and
 - (f) all other information that must be included in a return by virtue of subregulation (2).
- (2) The holder of a section 58 permit (other than a class 2 or class 10 permit) or a section 60C permit must at the times indicated in Schedule 5 provide the Director with a return that has been signed by the holder of the permit and that sets out the information required by Schedule 4.
 - (3) The permit holder must use a return supplied by the Director for that purpose (whether supplied individually or bound in the form of a book (the return book)) and a copy of each return must be kept by the permit holder.
 - (4) The holder of a class 2 permit must submit the record book, or a copy of the record book, to the Director within 14 days after 30 September, 31 December, 31 March and 30 June in each year.
 - (5) The record book must be kept in a safe and secure place at the place at which the animals to which the records relate are kept and, if the permit holder keeps animals at more than 1 place, separate records must be kept at each place at which animals are kept.
 - (6) Submission of a record book to the Director by the holder of a class 2 permit under subregulation (4) will not be taken to be in breach of subregulation (5).
 - (7) Copies of returns must be kept in a safe and secure place—
 - (a) in the case of a class 1, 1A, 3, 3A or 12 permit—at the principal place at which animals to which the returns relate are kept; and
 - (b) in the case of a class 11 permit—at the permit holder's principal place of residence; and
 - (c) in the case of a class 7 or 8 permit—at the principal place at which the permit holder carries on the business of processing or tanning.
 - (8) Where a transaction or event occurs in respect of which an entry must be made in the record book or in a return, the entry must be made within 48 hours after the occurrence of that transaction or event.
 - (9) A permit holder must notify the Director of any loss of, or damage to, the record book or copies of returns within 7 days after becoming aware of that loss or damage.
 - (10) A person who has the custody or control of the record book or copies of returns (including a person who has custody or control as agent or employee of the permit holder) must, if requested by a warden, produce the book or copies for inspection by the warden.

- (11) A permit holder who is charged with an offence against the Act or these regulations must, at the request of the Director or a warden, produce to the court that hears the charge any record book, return book or individual return under his or her custody or control that is, in the opinion of the Director or warden, relevant to the charge.
- (13) Subject to this regulation, a person must not sell or give an animal pursuant to a class 1 or 3 permit unless—
 - (a) the animal was bred by the permit holder; or
 - (b) the animal has been in the possession of the permit holder for at least 6 months.
- (14) Subject to this regulation, a person must not sell an animal pursuant to a class 2 permit unless the animal has been in the possession of the permit holder for at least 7 days.
- (15) An animal may be sold or given in contravention of subregulation (13) or sold in contravention of subregulation (14) with the approval of the Director or a warden.
- (16) A reference in this regulation to a warden does not include a warden who is a member of the police force.
- (17) The Director may, on such conditions as the Director thinks fit, exempt a person from compliance with any provision of this regulation.

9A—Director to supply record books, returns etc

- (1) Where a person, as a consequence of the grant of a permit, is required by or under the Act to record information in a record book, return book or return supplied by the Director, the Director must supply the necessary book or individual return forms (as appropriate) to that person on the grant of the permit.
- (2) If further books are required by the permit holder as the result of the loss of those provided or because animals are required to be kept in more than 1 place, the Director may require the payment of the prescribed fee for the supply of each additional book.

9B—Electronic form of record books, returns etc

Where a person is required by these regulations to record information in a record book, return book or return, and the Director authorises the book or return to be kept in electronic form or provided to the Director by means of an electronic communication—

- (a) a reference in these regulations to a record book, return book or return includes a reference to the book or return in that electronic form; and
- (b) a reference in these regulations to the provision or submission of a record book, return book or return to the Director includes a reference to provision or submission by means of that authorised electronic communication; and
- (c) a reference in these regulations to the supply by the Director of a record book, return book or return includes a reference to the supply by the Director of a template or other structure for that electronic form of the book or return; and
- (d) a reference in these regulations to the production of a record book, return book or return at the request of a warden, or to a court at the request of the Director or a warden, means production in the form (electronic or printed) requested.

10—Class 2 permits

- (1) A person must not carry on the business of a dealer in protected animals or the carcasses or eggs of protected animals except at premises approved by the Director.
- (2) An application for the Director's approval—
 - (a) must be in a form approved by the Director; and
 - (b) must be accompanied by such information as the Director requires; and
 - (c) must be accompanied by the prescribed fee.
- (3) The holder of a class 2 permit must display at all premises at which he or she carries on the business of a dealer in protected animals a certificate signed by or on behalf of the Director to the effect that the dealer is the holder of a class 2 permit.
- (4) The certificate may include such further information as the Director thinks fit.

11—Premises from which animals are sold

- (1) A person must not sell an animal pursuant to a section 58 permit unless—
 - (a) in the case of a class 2 permit—the premises from which the animal is sold have been approved by the Director pursuant to these regulations;
 - (b) in any other case—the premises from which the animal is sold—
 - (i) are the premises at which the animal was kept pursuant to the permit or any other permit; or
 - (ii) are premises approved by the Director for the purposes of sale.
- (2) The premises from which a protected animal is sold (whether pursuant to a permit or not) must afford protection to the animal from weather conditions that would be likely to cause distress to the animal.

12—Advertisement to include permit number

Where section 58 of the Act requires that the sale of a protected animal be authorised by a permit granted under that section, a person who advertises the animal for sale must state in the advertisement the number of the permit that authorises the sale.

13—Purchase etc only from permit holder

- (1) A person must not purchase a protected animal or the carcass or eggs of a protected animal or receive a protected animal or the carcass or eggs of a protected animal as a gift from a person who is required by the Act to hold a permit authorising the sale or gift if that person—
 - (a) does not hold the required permit; or
 - (b) does not hold any additional written authorisation from the Director for the sale or gift that he or she is required to hold as a condition of the permit.
- (2) A person who sells or gives a protected animal or the carcass or eggs of a protected animal pursuant to a section 58 permit must, if requested by the prospective purchaser or donee, produce the permit (and any other document that he or she is required to hold under subregulation (1)) for inspection.

14—Labelling containers of protected animals, carcasses or eggs

- (1) Where a protected animal or the carcass or egg of a protected animal is consigned or conveyed from the premises at which the animal is or was kept pursuant to a section 58 permit, the holder of the permit must ensure that the receptacle or container containing the animal, carcass or egg has securely attached to it a label clearly displaying the following information:
 - (a) the permit holder's name and residential or business address; and
 - (b) the number of the permit; and
 - (c) the name and address of the person to whom the animal, carcass or egg is being consigned or conveyed and, if that person also holds a section 58 permit, the number of that permit.
- (2) A person must not knowingly transport a protected animal or the carcass or egg of a protected animal from premises at which the animal is or has been kept pursuant to a section 58 permit unless a label is attached to the receptacle or package containing the animal, carcass or egg in accordance with this regulation.

15—Dealing in juvenile birds or mammals

- (1) Subject to this regulation, a person must not sell a bird or mammal that is a protected animal or is of a species listed in Schedule 10 of the Act if—
 - (a) in the case of a bird—the bird is too young to fly or to feed itself; or
 - (b) in the case of a mammal—the mammal is unweaned.
- (2) Subregulation (1) does not apply—
 - (a) to the sale of an emu pursuant to a section 60C permit; or
 - (b) if the sale is made pursuant to a permit granted under the Act that expressly authorises the sale of such a young bird or unweaned mammal.

16—Importing protected animals, carcasses and eggs

- (1) A person who intends importing a protected animal or the carcass or egg of a protected animal must—
 - (a) at least 48 hours before importation give the Director notice in writing stating—
 - (i) the species of the animal which is, or the carcass or egg of which is, to be imported; and
 - (ii) the name and address of the person who had possession of the animal, carcass or egg before importation and the name and address of the person who will have possession of the animal, carcass or egg after importation; and
 - (iii) the manner of importation; and
 - (iv) the time and place of importation; and
 - (b) if the proposed importation does not proceed—inform the Director of that fact within 48 hours after he or she first becomes aware that it will not proceed; and

- (c) if the importation does proceed but 1 or more of the particulars of the importation differ from those stated under paragraph (a)—inform the Director of the variation within 48 hours after the importation takes place.
- (2) A person who imports a protected animal or the carcass or egg of a protected animal pursuant to a section 59 permit must not dispose of the animal, carcass or egg for 7 days after importation without the written authority of the Director or a warden.
- (3) The reference in subregulation (2) to a warden does not include a warden who is a member of the police force.

17—Exporting protected animals, carcasses and eggs

- (1) A person who exports an animal or the carcass or egg of an animal pursuant to a section 59 permit must ensure that—
 - (a) the original permit; or
 - (b) in the case of a class 2 permit—a photocopy of the original permit; or
 - (c) in the circumstances prescribed by subregulation (2)—a facsimile of the original permit transmitted to the person by the Minister,is securely attached in a conspicuous position to the receptacle or package containing the protected animal, carcass or egg.
- (2) If a facsimile referred to in subregulation (1) can be read without difficulty, it may be used instead of the original permit by a person who is the holder of a class 1, 1A, 2, 3, 3A, 7, 8 or 12 permit in relation to the animal, carcass or egg being exported.
- (3) A person must not knowingly transport for export a protected animal or the carcass or egg of a protected animal unless a permit to export, or a facsimile of such a permit, is attached to the receptacle or package containing the animal, carcass or egg in accordance with this regulation.

18—Standards for keeping protected animals

- (1) A person who keeps a protected animal must—
 - (a) keep the animal in a cage or enclosure that is adequate in size and is constructed and maintained so as to—
 - (i) provide adequate shelter in all circumstances; and
 - (ii) prevent the animal from escaping; and
 - (iii) protect the animal against predators; and
 - (iv) enable the cage or enclosure to be locked or otherwise secured against intruders; and
 - (v) as far as is practicable, facilitate the inspection of the animal by a warden under the Act; and
 - (b) ensure that the cage or enclosure in which the animal is kept—
 - (i) is maintained in a clean and sanitary condition; and
 - (ii) except when the person is present—is securely locked or otherwise secured against intruders; and
 - (c) keep an adequate supply of clean water in the cage or enclosure; and

- (d) provide sufficient and appropriate food in the cage or enclosure; and
 - (e) not keep the animal with another animal that is likely to injure or kill it; and
 - (f) protect the animal from weather conditions that would be likely to cause it distress; and
 - (fa) provide the animal with adequate heat or ultra-violet light from an artificial source if the animal is of a species that requires such heat or light for its well-being; and
 - (g) not permit the animal to suffer distress from any other cause that can reasonably be avoided; and
 - (h) produce the animal for inspection at the request of a warden.
- (2) If, in the opinion of a warden, a person is contravening or is failing to comply with a requirement of subregulation (1) in relation to an animal, the warden may remove the animal from that person's possession or control.
- (3) A warden is not bound to return an animal removed under subregulation (2) unless the warden is satisfied that there will not be a further contravention of, or non-compliance with, subregulation (1) in relation to that animal.

19—Cross-breeding

A person must not, without the approval of the Director, permit a protected animal to mate with an animal of another species or sub-species if conception and a live birth may result from the union.

20—Conditions of emu farming permits

- (1) A class 12 permit is subject to the following conditions in addition to any conditions imposed by the Act or the Minister:
- (a) that the holder of the permit must not acquire an emu, or the egg of an emu, in the course of carrying on the business of farming emus, from a person who does not hold a class 12 permit; and
 - (b) that the holder of the permit must not sell a live emu to a person who does not hold a class 12 permit; and
 - (c) that the holder of the permit must comply with the requirements of the emu code of management (see subregulation (4)) relating to fencing, gates and emu handling facilities and must maintain fences, gates and handling facilities in accordance with those requirements in a proper state of repair; and
 - (d) that the holder of the permit must not send an emu for slaughter to an abattoir or slaughterhouse unless—
 - (i) the abattoir or slaughterhouse has been approved for that purpose by the Director; and
 - (ii) the holder of the permit has been issued with a sealed tag in relation to the emu by the Director; and
 - (iii) the permit holder has taken all reasonable steps to ensure that the tag is delivered to the person in charge of the abattoir or slaughterhouse when the emu is delivered; and

- (e) that the holder of the permit must not slaughter an emu, or cause an emu to be slaughtered, on his or her property without the written approval of the Director; and
 - (f) that the holder of the permit must, if an emu is slaughtered or dies in any other manner on his or her property, attach a sealed tag (issued to the permit holder by the Director) to the skin of the emu in the manner provided by these regulations before the skin leaves the property; and
 - (g) that the holder of the permit must comply with regulation 21 insofar as that regulation is applicable to him or her.
- (2) The Director may, by written notice given to a permit holder, waive compliance by the permit holder with a condition referred to in subregulation (1).
- (4) In subregulation (1)—
- emu code of management* means the code of management for the time being adopted under section 60D of the Act in relation to emu farming.

21—Sealed tags for emus

- (1) The Director may issue sealed tags for attachment to the skins of emus in accordance with these regulations.
- (2) A person must not sell or supply a sealed tag to another person except in accordance with these regulations or, in the case of a tag attached to an emu skin, when selling or supplying the skin to another person.
- (3) The person in charge of an abattoir or slaughterhouse at which an emu is slaughtered must ensure that a sealed tag issued by the Director for that purpose is attached to the skin of the emu in the manner provided by these regulations.
- (4) A person must not remove, or attempt to remove, a sealed tag from the skin of an emu unless—
 - (a) the person carries on the business of tanning or dealing in skins pursuant to a class 8 permit and removes, or attempts to remove, the tag in the course of carrying on that business; or
 - (b) the person is authorised in writing to do so by the Director.
- (5) When a sealed tag is removed from an emu skin, it must be removed with sufficient care to ensure that letters, numbers or other identifying marks on, or forming part of, the tag are preserved.
- (6) Tags must be kept for at least 12 months after removal unless the Director authorises their earlier destruction or disposal and must be produced for inspection by a warden on request.
- (7) A person who has possession of a sealed tag that has not yet been attached to the skin of an emu or that has been removed from an emu skin and is being kept in accordance with subregulation (6) must keep it in a place that is secure against theft, loss and damage but if the tag is stolen, lost or damaged the person must inform the Director in writing of the identity of the tag as soon as practicable.
- (8) A sealed tag must be attached to the skin of an emu by enclosing at least 2 centimetres of skin in the tag and pulling the strap of the tag so that the tag is secured by the last notch in the strap.

- (9) A person must not alter or damage a sealed tag—
- (a) that has not been attached to a skin; or
 - (b) that has been attached to a skin but has not been removed from the skin; or
 - (c) that has been removed from a skin but which must be kept in accordance with these regulations.

23—Notification of change of address

A person to whom a permit has been granted under the Act and who changes his or her address during the period that the permit remains in force must, within 14 days after changing his or her address, notify the Director of the new address.

24—Permit not to be used by another

A person to whom a permit has been granted under the Act must not allow or permit that permit to be used by any other person.

25—General offence

A person who contravenes or fails to comply with a provision of these regulations is guilty of an offence.

Maximum penalty: \$1 000.

Expiation fee: \$150.

Schedule 2—Form of section 53(4) report

A person to whom a permit to take protected animals or the eggs of protected animals has been granted under section 53 of the Act must, within 14 days after the expiration or revocation of the permit, deliver to the Minister a report in the following form:

Schedule 8—Prescribed species: section 58(2)(a)

The species Emu (*Dromaius Novaehollandiae*) is prescribed for the purposes of section 58(2)(a) of the Act.

Schedule 10—Revocation and transitional provisions

Part 1—Preliminary

1—Interpretation

In this Schedule—

the revoked regulations means the *National Parks and Wildlife (Wildlife) Regulations 2001*.

Part 3—Transitional provisions

3—Permits granted before the commencement of these regulations

A reference in these regulations to a permit granted under a provision of the Act includes a reference to such a permit whether granted before or after the commencement of these regulations.

4—Required period for provision of information or other actions

- (1) A requirement under a provision of the revoked regulations that a return, report or other information be provided, or other action be taken, within a specified period, will, where that period has commenced but not expired before the commencement of these regulations, be taken to be a requirement under the corresponding provision of these regulations that the relevant action be taken within the portion of that period that remains after the commencement of these regulations.
- (2) If an action referred to in subclause (1) is required to be taken under the revoked regulations within a period that may extend beyond the expiry or revocation of a permit to which the action relates, subclause (1) applies despite the expiry or revocation of such a permit before the commencement of these regulations.

5—Applications, requests etc made under revoked regulations

Subject to clause 4, an application or a request, or the provision of a return, report or other information, made or undertaken before the commencement of these regulations pursuant to and in accordance with a provision of the revoked regulations will be taken to have been made or undertaken pursuant to and in accordance with the corresponding provision of these regulations.

6—Approvals, authorisations, exemptions etc granted before the commencement of these regulations

Subject to these regulations, an approval, authorisation, exemption, waiver, certificate, notification or requirement by the Director or a warden given or made for the purposes of the revoked regulations that remains in effect immediately before the commencement of these regulations, will be taken to have been given or made by the Director or a warden for the purposes of the corresponding provision of these regulations.
