Part 1—Preliminary

1—Short title

These regulations may be cited as the *Residential Parks (Electricity Information) Amendment Regulations 2024*.

2—Commencement

These regulations come into operation on the day on which Schedule 1, Part 2, clause 6(1) of the *Residential Tenancies (Miscellaneous) Amendment Act 2023* comes into operation.

Part 2—Amendment of *Residential Parks Regulations 2022*

3—Insertion of regulation 4A

After regulation 4 insert:

4A—Information relating to supply of certain electricity (section 14 of Act)

For the purposes of section 14(1)(ba) of the Act, the following information is prescribed:

- (a) information about the nature, benefits and potential consequences of participating in an embedded network generally;

Note—

This may include information relating to—

- circumstances in which supply of electricity may be interrupted, disconnected and reconnected and associated advance notifications; and
 - safe use of energy; and
 - requirements in relation to life support; and
 - requirements in relation to the installation and operation of small generators; and
 - liability of the embedded network operator and customer.
- (b) the details of the retailer for the embedded network, including electricity tariffs that apply and the retailer's contact information, ABN and website address;
- (c) information about metering arrangements in relation to, and potential costs of, participating in the embedded network;
- (d) the cost apportionments per kilowatt hour for any bundled utilities arising from participating in the embedded network.

Editorial note—

As required by section 10AA(2) of the *Legislative Instruments Act 1978*, the Minister has certified that, in the Minister's opinion, it is necessary or appropriate that these regulations come into operation as set out in these regulations.
