#### **Schedule 4—Expiation of offences**

- (1) The expiation fees set out in this Schedule are fixed for alleged offences against the Act or the rules or regulations specified in this Schedule.
- (2) Text set out in italic type under a heading in this Schedule commencing with the words "Description of offence" is a description for convenience purposes only and is not to be taken to define the offence for which a particular amount is fixed as the expiation fee.

###### **2—Photographic detection devices**

The expiation fee for an alleged offence against section 79B(2) of the Act constituted of being the owner of a vehicle that appears from evidence obtained through the operation of a photographic detection device to have been involved in the commission of an expiable offence is the same as the expiation fee payable for that expiable offence.

###### **3—Expiation fee for certain offences at average speed camera locations**

Despite any other provision of this Schedule, the expiation fee for—

- (a) an alleged offence constituted of a contravention of or failure to comply with—

#### **4—Expiation fee for certain Road Rules contraventions within 100 metres of Safe-T-Cam photographic detection device**

Despite any other provision of this Schedule, the expiation fee for an alleged offence constituted of contravention by the driver of a heavy vehicle of any of the following provisions of the *Australian Road Rules* is \$677 if the contravention takes place within 100 metres of a Safe-T-Cam photographic detection device:
